

Personnel Summary

Scenario #1	Scenario #2	Scenario #3
Fifth grade moves to Blossom Hill, Fourth grade in current K-3 elementaries, Pre-School moves to MS	Fifth grade moves to Middle School, Fourth grade in current K-3 elementaries, Pre-School moves to Blossom Hill	No Changes-Central School remains open
ADMINISTRATORS Bryan Bedford is assigned to Blossom Hill Colleen Toth moves to Highland Elementary	ADMINISTRATORS Bryan Bedford is assigned to MS Colleen Toth moves to Highland Elementary	ADMINISTRATORS Bryan Bedford and Colleen Toth remain at Central School Hire a replacement for Highland Elementary
SECRETARIAL One secretary will go to Blossom Hill and one secretary will go to MS	SECRETARIAL One secretary will go to Blossom Hill and one secretary will go to MS	SECRETARIAL Secretarial Staff remains the same
CUSTODIAL STAFF Head Custodian and Custodian I moves to Blossom Hill Both Custodian IIs move to elementary buildings (eliminates current split 4 hrs)	CUSTODIAL STAFF Head Custodian to Blossom Hill and Custodian I to MS Both Custodian IIs move to elementary buildings (eliminates current split 4 hrs)	CUSTODIAL STAFF Custodial Staff remains the same
HEALTH AIDE Splits time between MS and Blossom Hill	HEALTH AIDE Splits time between MS and Blossom Hill	HEALTH AIDE No Change
FOOD SERVICE Restructuring of staff that reduces 3 hours per day	FOOD SERVICE Restructuring of staff that reduces 5.5 hours per day	FOOD SERVICE No Changes

Scenario #1 Fifth grade moves to Blossom Hill, Fourth grade in current K-3 elementaries, Pre-School moves to MS	Scenario #2 Fifth grade moves to Middle School, Fourth grade in current K-3 elementaries, Pre-School moves to Blossom Hill	Scenario #3 No Changes-Central School remains open
RESOURCE TEACHERS Art Teacher Splits time between Blossom Hill and elementary schools Music teacher splits time at Blossom Hill and Middle School PE Teachers-One to Blossom Hill and one to elementary building (TBD)	RESOURCE TEACHERS Art Teacher Splits time between Middle School and elementary schools Music teacher is at Middle School all day PE Teachers-One to MS and one to elementary building (TBD)	RESOURCE TEACHERS No Changes
GIFTED SERVICES One teacher goes to Blossom School and one teacher travels between K-3 elementaries	GIFTED SERVICES One teacher goes to MS and one teacher travels between K-3 elementaries	GIFTED SERVICES No Changes
COUNSELOR Counselor moves to Blossom Hill	COUNSELOR Counselor moves to MS	COUNSELOR No Change
MEDIA SPECIALIST Moves to Blossom Hill and travels to elementary buildings	MEDIA SPECIALIST Moves to Middle School and travels to elementary buildings	MEDIA SPECIALIST No Change
TRANSPORTATION Elimination of one tier by combining Central School and Elementary times (See Business Office Study)	TRANSPORTATION Elimination of one tier by combining Central School and Elementary times (See Business Office Study)	TRANSPORTATION No Changes

Scenario #1 Fifth grade moves to Blossom Hill, Fourth grade in current K-3 elementaries, Pre-School moves to MS	Scenario #2 Fifth grade moves to Middle School, Fourth grade in current K-3 elementaries, Pre-School moves to Blossom Hill	Scenario #3 No Changes-Central School remains open
BEEKEEPERS Central program moves to Blossom Hill	BEEKEEPERS Central program moves to MS	BEEKEEPERS No Changes
ELIMINATED POSITION(S) 1 FTE - Building Administrator .5 FTE Custodian II from Hilton 15 hours per week of cafeteria staff	ELIMINATED POSITION(S) 1 FTE - Building Administrator .5 FTE Custodian II from Hilton (Possible reduction of a Custodian I to a Custodian II - Only need 1 Custodian I at MS under this configuration) 27.5 hours per week of cafeteria staff	ELIMINATED POSITION(S) No Changes
CALCULATIONS Administrator Salary -\$96,000.00 .5 Custodian Salary - \$14,300.00 15 hr Cafe Salary - \$7,000.00 Savings w/o Benefits=\$117,300.00	CALCULATIONS Administrator Salary -\$96,000.00 .5 Custodian Salary - \$14,300.00 27.5 hr Cafe Salary - \$13,000.00 Savings w/o Benefits=\$123,300.00	CALCULATIONS Administrator Salary - Approximately \$28,000.00 (Replacement for Ms. OMara will have less years experience and training) Savings w/o Benefits=\$28,000.00
Single Benefits BOE Cost=		

K-4 Elementary School Routing Scenario						
Central School regular education transportation costs, as a percentage of overall regular education transportation operating costs, is 16% =						
Central School transportation cost calculation: 2,251 students transported daily X \$945 per student = \$2,127,195 total operating cost X 16% = \$340,351						
School Bus Capacity:						
84 pass = 56 @ 2 per seat, 84 @ 3 per seat						
71 pass = 46 @ 2 per seat, 69 @ 3 per seat						
65 pass = 43 @ 2 per seat, 64 @ 3 per seat						
K- 5 = 3 per seat max						
Routing Considerations:						
*		All routing bound by no student crossing on Broadview, Wallings, Sprague, Route 21, Route 82.				
*		We currently operate 23 regular education school buses for the three (3) Elementary Schools.				
*		We currently operate 19 regular education school buses for Central School.				
*		We currently operate 27 regular education school buses for the Middle School.				
*		School district provided special transportation is not included in these calculations.				
	Current # of Buses	Current # of Students	Current Avg Rte Time	Projected # of buses	Projected # of Students	Projected Avg Rte Time
Chippewa	8	313	33 minutes	9	385	53 minutes
Highland	8	296	28 minutes	9	379	48 minutes
Hilton	7	320	36 minutes	9	407	56 minutes
Bell schedules will need to be considered to support lengthened route times.						
12/10/2018						

5th Grade Middle School Routing Scenario					
Central School regular education transportation costs, as a percentage of overall regular education transportation operating costs, is 16% =					\$340,351
Central School transportation cost calculation: 2,251 students transported daily X \$945 per student = \$2,127,195 total operating cost X 16% = \$340,351					
Combining the K-4 and the 5th grade into Middle School will allow the district to take advantage of inherent school bus routing opportunities. Conservatively, this transportation model should support a 50% reduction in the \$340,351 Central School total transportation operating expense equating to a probable minimum savings to the school district of <u>\$170,175</u>					
School Bus Capacity:					
84 pass = 56 @ 2 per seat, 84 @ 3 per seat					
71 pass = 46 @ 2 per seat, 69 @ 3 per seat					
65 pass = 43 @ 2 per seat, 64 @ 3 per seat					
K- 5 = 3 per seat max					
Routing Considerations:					
* All routing bound by no student crossing on Broadview, Wallings, Sprague, Route 21, Route 82.					
* We currently operate 23 regular education school buses for the three (3) Elementary Schools.					
* We currently operate 19 regular education school buses for Central School.					
* We currently operate 27 regular education school buses for the Middle School.					
* School district provided special transportation is not included in these calculations.
