Students studying Advanced Placement (AP), or taking dual enrollment courses in physical science, American history or American government may take assessments aligned to those courses in lieu of end-of-course exams to avoid double testing. **A student who earned high school credit in any of the above courses before July 1, 2014, automatically will receive a score of three points per course exam toward the total points needed for graduation.** With few exceptions, students must accumulate a minimum of 18 points from scores on their end-of-course exams to become eligible for a diploma.

Page 12 – Added Definition Tardiness/Late to Class/School and Consequences

2019-2020 High School Handbook Changes

Added: TARDINESS / LATE TO CLASS/SCHOOL:

A tardy is defined as arrival to school or class after the tardy bell has rung up till the first 10 minutes of the 1st period (to school). It is strongly suggested that a student be in his/her seat prior to the bell sounding to avoid any misunderstandings.

A “late” shall be issued for school attendance when arrival to school is after the first 20 minutes of first period.

Students must have a hall pass from their last class when late to their next class if a tardy is to be avoided. If a student is tardy, he/she should report immediately to his/her assigned class where the teacher will record the tardy and respond appropriately to the violation. Any classroom tardy beyond ten (10) minutes will be considered a “class cut.”

As the student accumulates tardies (arrival to school within the first 20 minutes of 1st period), the following consequences may result:

1. 3rd – 5th tardy = One (1) After School Detention for each occurrence
2. 6th – 9th tardies = One (1) Saturday School Detention for each occurrence
3. 10th and more = Progressive Discipline

Student parking and Hive privileges may be revoked after the 5th occurrence. This process will reset every semester.
