Your partner in global education

As the **World Leader in International Education**, we've partnered with educators around the world for over 50 years to help students gain new perspectives and build skills for the future through experiential learning. We provide a range of travel programs—Educational Tours, Language Immersion & Culture Tours, Service Learning Tours, Global Student Leaders Summits, STEM (Science, Technology, Engineering & Math) Tours and Custom-Designed Tours—that help prepare students for the future by teaching them more about the world, themselves, and their place in the world. Combining the power of experiential learning with the thrill of global travel, our tours help students:

- Expand their knowledge of the world around them
- Understand new people, places, and cultures
- Discover more about themselves
- Grow more confident and independent

When students grow in these ways, they become more curious, more open-minded, and more excited about the future.

Our commitment to education

We believe the best way to help students gain new perspectives and build skills for the future is through experiential learning.

For Maria Schneider's 2020 tour, EF will offer a \$200 early enrollment discount for travelers.

Accreditation

EF is accredited, just like your school, and recognized by the following regional, national and international organizations: Middle States Association of Colleges and Schools (MSA-CES); Western Association of Schools and Colleges (WASC); Southern Association of Colleges and Schools (SACS-CASI) North Central Association (NCA-CASI); National Council for Private Schools Accreditation (NCPSA); and Accreditation International (AI).

A standard of excellence

Our educational travel programs bring to life the knowledge and skills that are called for in many education initiatives, including:

- Partnership for 21st Century Skills (P21)
- International Baccalaureate – PYP, MYP, Diploma, IBCC
- Common Core State Standards for English Language Arts and Literacy in History/Social Studies, Science and Technical Subjects
- Global Competence Criteria—defined by the Asia Society and Council of Chief State School Officers
- Global Connection Standards in the National Curriculum Standards for Social Studies
- Culture and Connections Standards in the Standards for Foreign Language Learning
- Standards of Professional Learning—defined by Learning Forward

weShare: Personalized Learning

Every tour comes with weShare, a personalized learning experience powered by students' curiosity. Using EF's guided learning model, students use their strengths to investigate an issue or topic that inspires them. They reflect on what they've learned through a post-tour project that gives even more meaning to travel—and can earn them academic credit.

Earning credit

Students can earn credit by traveling on an EF tour and completing required coursework. We offer choices, so you can find the credit option that best fits you and your students' needs.

- Students in grades 6-12 can earn high school credit with weShare, EF's personalized learning experience, by developing an essential question to investigate on tour and creating a post-tour project. Successful course completion will earn students 0.5 elective high school credits.
- Students in grades 9-12 can earn university credit by completing a series of assignments and a final research project with EF's university partner, Southern New Hampshire University. Successful course completion will earn students 3.0 university credits.

Our commitment to safety

Our demonstrated commitment to safety and risk management is proven with our preventative procedures and extensive measures taken to ensure each traveler's safety.

Worldwide presence

As the largest international student travel organization, we have 612 schools and offices in 50 countries worldwide. With 52,000 EF staff and teachers in 115 countries, we're accessible wherever and whenever you need us.

Global Liability Insurance Plan

- All EF Group Leaders are covered for the duration of their EF educational tour.
- EF's Commercial General Liability Insurance is provided by nationally recognized insurance companies with A.M. Best Ratings of A-.
- Group Leaders and their schools are covered by our \$50 million liability policy and customer payments are protected by a \$1 million customer protection plan.
- EF's Global Liability Insurance Plan allows for schools and districts to be added to the policy by written agreement. EF can provide a certificate of insurance that details coverage.

Global Travel Protection Plan

Designed specifically with EF travelers in mind, teachers may add this comprehensive and affordable protection plan to their tours.

EF's Peace of Mind Program

We understand that plans can change due to unforeseen circumstances. EF provides an exclusive Peace of Mind program to account for such situations. This program is automatically included for all travelers and can be enacted at the group level for any reason, including terrorism or other world events. Your Group Leader may choose from the following options:

45 days or more prior to departure

- Change the travel dates of your group's current tour
- Work with EF to modify your group's current tour or find a new tour
- Cancel your tour and all travelers will receive a transferrable travel voucher

44 days or less prior to departure

If any location(s) included in the group's tour itinerary is designated as a Travel Advisory Level 3 or 4 by the U.S. Department of State, your Group Leader may still choose any option from the section above.

Background Checks

EF requires that all adults pass a criminal background check before traveling on our student tours. This requirement aligns with the process and expectations of many school districts for adults who volunteer in schools or chaperone school activities. EF works with a leading professional provider to conduct the background check through a secure process designed to identify only those specific individuals who could present a risk to student travelers while on tour.

We'll handle the details

As your educational travel partner, we work with teachers, students and parents to ensure a seamless experience—before, during and after tour. In other words, we're with you every step of the way.

BEFORE TOUR

Support team and resources

Dedicated Tour Consultants guide teachers through the planning process, while Local Representatives from your area work face-to-face to provide support. We give teachers their own personal tour website with helpful tools to share tour information, manage deadlines and more. In addition to online resources, we also provide an array of printed materials for teacher, students and parents.

International Training Tours

Ensuring teachers are fully prepared to lead an EF tour is our commitment to your school community. Through our blended learning model, all first-time EF Group Leaders receive complimentary international training. Conducted by EF personnel and experienced EF Group Leaders, the program includes online, classroom and experiential learning components. In the event a Group Leader cannot attend one of these complimentary tours, we offer live webinars to prepare them and answer questions before they travel.

Traveler account management

Our knowledgeable and friendly Customer Service Representatives help travelers and their parents with all billing transactions, protection plans and tour activity questions. We also offer flexible and convenient payment options that allow parents to choose when—and how—they want to pay.

This all-inclusive global experience makes it easy for teachers and students to explore the world. From flights and hotels to most meals and experiential activities, we take care of every detail so travelers can focus on the experience.
