Memorandum of Understanding Between College Now Greater Cleveland

I. Background

The mission of College Now Greater Cleveland (COLLEGE NOW) is to increase college attainment through college and career access advising, financial aid counseling, and scholarship and retention services. For over 50 years, our goal has been to help students pursue educational opportunities that empower them to embark on rewarding careers and strengthen our community.

II. Purpose and Scope

The purpose of this Memorandum of Understanding (MOU) is to clearly define the roles and responsibilities of each party as it relates to: (1) an Advising Plan for advising «HIGH SCHOOL» students and their parents; (2) a plan for data exchange; (3) a plan to make «High School» personnel aware of College Now services; (4) a plan to provide space and resources for the on-site College Now advisor; (5) a plan to recommend «High School» seniors for scholarships from College Now, provided that funding is available; and (6) a plan to evaluate the COLLEGE NOW advisor and services provided.

This MOU is intended to provide a written acknowledgement of collaboration between the organizations.

III. Definitions

For the purposes of this MOU,

- «High School» student shall refer to a student who is in, unless «High School» informs COLLEGE NOW otherwise.
- RECOMMENDED STUDENT shall refer to a senior student who has met the COLLEGE NOW application deadlines for the scholarship application, Free Application for Federal Student Aid (FAFSA), graduation and minimum cumulative grade point average and ACT/SAT testing requirements, and who has turned in required paperwork to the COLLEGE NOW advisor by the deadline.
- ADVISING SERVICES are any services selected on the attached Menu of Advising Services that the «High School» contracts with COLLEGE NOW to provide as part of the Advising Plan.
- A DAY OF SERVICE equals 7 hours. A HALF DAY OF SERVICE equals 3.5 hours.
- DATA includes any student information such as demographic information, cumulative grade point averages, ACT/SAT scores, and expected year of graduation.

IV. College Now Responsibilities under this MOU

1. COLLEGE NOW Advisor will be available to speak with staff on issues of the college going process.
2. COLLEGE NOW will provide a trained college access Advisor for the amount of time requested by «High School» in no less than half day increments. Evening presentations count as half days.
3. COLLEGE NOW Advisor will provide advising, financial aid, and scholarship services as indicated on the attached Menu of Advising Services.
4. COLLEGE NOW will provide its Advisor with a cell phone, laptop computer and printer.
5. COLLEGE NOW will send a semi-annual evaluation to the designated «High School» counselor asking for feedback about COLLEGE NOW services. The feedback from these evaluations is used for customer service, training, professional development, and performance evaluation purposes.
6. COLLEGE NOW Advisor will recommend seniors for COLLEGE NOW scholarships, when funding is available.

7. As part of the data exchange, COLLEGE NOW will submit names of «HighSchool» students who were served by the COLLEGE NOW Advisor to the National Student Clearinghouse in order to obtain post-secondary persistence and graduation information. COLLEGE NOW is FERPA complaint (See explanation for details).
8. COLLEGE NOW will provide a year-end summary of services provided, students served, and scholarship awarded students (if applicable) to «HighSchool».

V. School Responsibilities under this MOU

1. «HighSchool» will provide working space and internet access.
2. «HighSchool» will provide access to a copy machine to be used only in the servicing of students' needs.
3. «HighSchool» will publicize COLLEGE NOW services at the school and make all reasonable attempts to ensure access to students.

VI. Data Requirements

«HighSchool» will, during or before the first week of school, provide an electronic student data roster of all classes to be served consisting of student name, address, date of birth, grade level and GPA. The student data template can be emailed to rosters@collegenowgc.org. (See FERPA explanation for details).

COLLEGE NOW advisors rely on accurate and timely rosters in order to maximize service opportunities to students. It is critical to our success that this information is received in advance of advisors arriving in schools to serve students. Data received after the first 3 weeks of school have passed could risk jeopardizing the efficiency and effectiveness of the advisor's work.

VII. Personnel Background Check

All COLLEGE NOW Advisors have undergone drug and background screenings.

COLLEGE NOW agrees to report to High School authorities any suspected child abuse or neglect as these terms are defined under Ohio Revised Code 2151.03 that jeopardizes the physical and/or emotional well-being of a student.

The District reserves the right to use counsel of its own choosing, at its own expense, with regard to any such claim for which indemnification and defense is sought. This indemnification obligation shall survive the term of this Agreement.
