- Collaborate with UCP to provide education and training to University Hospitals-Parma Medical Center employees regarding supporting people with disabilities in the workplace as necessary
- Coordinate regular monthly meetings to discuss and evaluate the program progress with the following: instructor, job coach, parent, student, VR counselor to work toward competitive employment

And

Whereas the Parma City School District has invited the Brecksville Broadview Heights City School District (no more than one student) to participate in Project SEARCH to fill openings not currently filled by PCSD students on a direct contract at the cost of excess cost only

And

Whereas Excess Cost is defined as the cost of the Intervention specialists (Salary and Benefits) based on the number of students from each district.

And

- Whereas the Parma City School District and the Brecksville Broadview Heights City School District (BBHCSD) agree to the following stipulations:
- The BBHCSD student(s) would not be listed on a SF-14H form
- If a BBHCSD student requires additional special education services (related services), BBHCSD would be notified of this need prior to implementation and the BBHCSD would be billed directly for these costs
- That other costs (e.g. electricity, maintenance, teacher travel, etc.) would not be billed as excess costs

- If a BBHCSD student needed special transportation to participate in Project SEARCH, the cost and arrangement of the transportation would be a BBHCSD responsibility
- If a BBHCSD student needed a specific piece of equipment, BBHCSD would be notified and would bear the cost of the equipment
- Classroom equipment that is used in support of multiple students would be part of the cost of operating the program and would not be billed as excess cost

NOW, THEREFORE, BE IT RESOLVED, that the Parma City School District Board of Education enters into an agreement for the 2019-2020 school year with the Brecksville Broadview Heights City School District to participate in Project SEARCH.
