- III. Auditorium is a Highly Visible and Utilized Part of this District
 - A. 750 MS students use the auditorium daily.
 - B. 119 events were held last school year. Half of those were hosted by outside groups including all other schools in the District plus non-school groups such as dance studios, Camp Invention, and other private business events.
 - C. In general, the Auditorium hosts 3rd grade holiday shows, 2nd grade spring musicals, Central School and MS school band, choir and orchestra concerts, DARE Graduation, the MS Spring Musical, Speech and Debate team and sometimes even wrestling practice!
 - D. Thus, it is utilized and visited by all District students, parents, grandparents and many members of our surrounding communities.
- IV. Identification of Needs & Estimated Costs
 - A. In discussions amongst ourselves, with former Middle School PSO Presidents, other interested parents and Mr. Rings it was determined that the Auditorium was in dire need of extensive renovations.
 - B. Working with Mr. Rings, we have identified the following necessary repairs and their associated costs:
 - 1. Replace Seats - \$90,000 (new fabric only) to \$198,000 (total replacement) – (seats are torn, stained, frames are broken, cracked, damaged)
 - 2. Replace Carpet – to be donated by Calvetta Bros.
 - 3. Paint - \$8,600 (if purchased at full retail cost)
 - 4. Purchase New Stage Curtain - \$23,000
 - 5. Refinish floor
 - 6. Refinish Stage front
 - 7. Upgrade and replace electrical panel original to 1970 – quote exceeds \$100,000

V. What We Have Done So Far

- A. Formation of MS Auditorium Committee and Separate Bank Account
- B. Gathered Quotes
- C. Met with all PSO Units regarding unit donations to the project
- D. Partnered with Kiwanis
- E. Held two concession sales
- F. Our efforts so far have resulted in approximately \$35,000 (monetary donations from MS, Central, Chippewa and Highland Drive PSO Units and proceeds from two concession sales)

VI. What We are Planning

- A. Apply for grants
- B. Seek sponsorships – naming rights from a larger corporation able to donate substantially - will reach out to local hospitals, banks, local corporations headquartered in or near Brecksville and Broadview Heights
- C. Seek monetary donations from local businesses and community members
- D. “Sell” auditorium seats – A donor plaque would be placed on the arm of the chair sponsored
- E. Other Districtwide fundraising efforts to be determined

VII. What We Need From the School Board

- A. Before we approach large donors, we want to have the authority/approval of the Board to offer naming rights to the Auditorium and/or individual parts thereof, *i.e.*, the lobby, the stage, the entrance. And/or possible tier system for naming rights based upon amount donated. Online research results show many school districts turning to naming rights “sales” for everything from stadiums and theaters to individual classrooms and other school buildings in order to raise money.
- B. We plan to recognize all donors on a plaque or artwork recognition in the auditorium lobby. Potentially to be designed by our H.S. Students.
