

Bus Routing Study - Plan Comparison

Plan	Annual Operating Cost	Cost Delta vs Lowest Cost	Tiers	Buses	School Year	Bell Schedule Changes	Bell Schedule Start Times	Bell Schedule End Times	Notes
Interim Options For The Next Two Years (SY20-21, SY21-22)									
A	\$3,067,661	\$481,616	3-tier	40	SY19-20 SY20-21 SY21-22	NO	7:35 am HS 8:10 am MS 9:10 am K-4	7:35 am HS 8:10 am MS 9:10 am K-4	Current plan.
B	\$2,586,045	Lowest Cost	3-tier	34	SY20-21 SY21-22	YES	1st: K-4 2nd: HS 3rd: MS	1st: K-4 2nd: HS 3rd: MS	This plan modifies school bell schedules by assigning the elementary schools to start and dismiss first. HS follows and the MS is the third tier. The route time in the afternoon benefits from the shorter elementary educational day. The route time for the elementary tier is 60 minutes.
C	\$2,843,309	\$257,264	2-tier	37	SY20-21 SY21-22	YES	1st: HS / MS 2nd: K-4	1st: HS / MS 2nd: K-4	Retain the current starting order of the buildings but switch from 3-tier to 2-tier.
Options When Opening New Building (SY22-23)									
D	\$2,884,664	\$92,241	2-tier	39	SY22-23+	YES	1st: K-5 2nd: HS / MS	1st: K-5 2nd: HS / MS	Schedule elementary students on the first tier both in the morning and afternoon. Morning transportation – 45-minute route time. Afternoon transportation – 60-minute route time.
E	\$2,792,423	Lowest Cost	3-tier	36	SY22-23+	YES	1st: K-5 2nd: HS 3rd: MS	1st: K-5 2nd: HS 3rd: MS	The three-tier option provides bus capacity that allows flexibility for an increase in ridership without adding additional buses. HS dismissal bell times will be set 60 minutes later than the elementary.
F	\$2,980,928	\$188,505	2-tier	39	SY22-23+	YES	1st: HS / MS 2nd: K-5	1st: HS / MS 2nd: K-5
