

OHIO HIGH SCHOOL ATHLETIC ASSOCIATION

Jerry Snodgrass, Executive Director

January 10, 2020

The Ohio High School Athletic Association's Constitution requires the Board of Education or similar governing board (in a non-public school/system) to annually adopt a resolution authorizing their schools that were members during the 2019-20 school year to continue membership for the 2020-21 school year. Once your Board of Education or similar governing body has passed this resolution for continued membership, the enclosed "Board of Education Resolution Card" needs to be completed and returned per the enclosed instructions.

Conditions for Membership:

Voluntary membership in the Ohio High School Athletic Association is also an agreement by all schools listed on the back of the card to conduct their athletic programs of OHSAA sponsored sports in accordance with the Constitution, Bylaws, and Regulations of the Ohio High School Athletic Association and the interpretations and decisions of the OHSAA staff. Participation in sponsored tournaments is voluntary and membership is also an agreement to abide by all tournament regulations when participating. This also means that member schools agree to their respective tournament assignment and accept that all decisions by contest officials – whether in regular season contests or tournament contests – are final. The Bylaws and Regulations are approved annually by the member schools and are made available to each member school through the annual publication of the OHSAA Handbook.

It is also important to note that member high schools that wish to have the privilege of continued full membership in the OHSAA must meet the following requirements:

- Must sponsor a minimum of two OHSAA Sanctioned interscholastic sports per sport season
- Compete in at least 50% of the maximum allowable regular season contests permitted in team sports
- Participate in all OHSAA post season tournaments in the minimum 2 sports sponsored by the school.

Scheduling Board Meeting

Continued membership in the OHSAA requires adoption of the resolution for the schools on the enclosed card by your Board of Education or similar governing body. The card must be received no later than **June 30, 2020** to ensure continued membership. Therefore, please add this item to the agenda of your next board meeting.

BACK OF CARD

Schools within your school district or system that were members in 2019-20 are printed on the back. **THIS RESOLUTION CARD IS FOR CONTINUED MEMBERSHIP OF THESE SCHOOLS ONLY.** Therefore, please review the list of schools on the back of the card. Because 7th & 8th grade sport programs may have different regulations and requirements, these schools are listed separately from your 9-12 grade school(s) even if they share the same building.

All schools on this card and their students must abide by all OHSAA rules and regulations. Students that do not attend your school(s) are not eligible to participate in your athletic programs unless the student meets one of the eligibility exceptions or is permitted in accordance with state law. Students in 6th grade and below may not participate with 7th and/or 8th grade sports programs. Students in 8th grade and below are not permitted to participate in high school sports programs. Review the list of schools carefully to ensure that the schools listed are abiding by all OHSAA regulations.

REMOVING A SCHOOL - If a listed school needs to discontinue OHSAA membership, for any reason, please mark through the name on the card and attach a letter, on school letterhead, signed by the superintendent or school principal explaining the reason for non-continued membership.

OPENING OF A NEW SCHOOL - If your school district will be opening a new school in 2020-21, please attach a letter, on school letterhead, signed by the superintendent or school principal, requesting membership for the new school.

CHANGE OF SCHOOL NAME - If the name of a listed school has changed, please attach a letter, on school letterhead, signed by the superintendent or school principal explaining the name change of the existing school. Be sure to include any change in the IRN numbers listed.
