Communications Update

Superintendent's Email Correspondence

- This particular method of direct communications is highly effective due to the high level of frequency and unprecedented reach, or saturation.
 - During the 2018-2019 School Year, approximately 33 emails were sent to 3,900+/- recipients, nearly one email per week during the school year.
 - The average open rate was: **58%!**
 - Constant Contact, in its own stated documentation, cites that **21%** Open Rate is a “*average open rate*” for public education campaigns.
 - Thus far during the 2019-2020 School Year, approximately 22 emails have been sent to nearly 3,900 recipients.
 - The average open rate this school year has been: **57%!**
- **This is off-the-charts compared to other Districts:
- District #1- 34% open rate
 - District #2- 35% open rate
 - District #3- no emails being sent at all

Communications Update
