3120.05 - **EMPLOYMENT OF PERSONNEL IN SUMMER SCHOOL**

The Board of Education recognizes that the success of the summer school programs depends in large measure upon the employment of qualified and competent personnel.

The Board shall fix the compensation and set the term of employment for each person employed in the subject programs established for this District. The Board will employ only those candidates recommended by the Superintendent.

A candidate's intentional misstatement of fact material to his/her qualifications for employment or the determination of his/her salary will be considered by the Board to constitute grounds for dismissal.

No candidate for employment shall receive recommendation for such employment without having proffered visual evidence of proper licensing, if needed or that application for such licensing if in process. In accordance with Policy 3120, no professional staff member employed in a position for which licensure is required may be paid until evidence of such licensure has been received by the Superintendent and transmitted to the Treasurer.

All personnel under final consideration of employment for District summer school and adult education programs must complete a DMA form with no positive indications that material assistance has been provided to a terrorist organization before working in the District (see Policy 8120).

Personnel also must pass a background check performed by the Bureau of Criminal Identification and Investigation and the Federal Bureau of Investigation (see Policy 3121).

Adult Education Instructors who do not have unsupervised access to children may forego the FBI criminal records checks if, within the previous five (5) years period, they have continuously resided in Ohio.
