RE:

IT IS HEREBY CERTIFIED that the School District  
has sufficient funds to meet the contract, obligation, payment, or expenditure  
for the above, and has in effect for the remainder of the fiscal year and the  
succeeding fiscal year the authorization to levy taxes which, when combined  
with the estimated revenue from all other sources available to the district at  
the time of certification, are sufficient to provide operating revenues  
necessary to enable the district to maintain all personnel, programs, and  
services essential to the provision of an adequate educational program on all  
the days set forth in its adopted school calendar for the current fiscal year  
and for a number of days in the succeeding fiscal year equal to the number days  
instruction was held or is scheduled for the current fiscal year, except that  
if the above expenditure is for a contract, this certification shall cover the  
term of the contract or the current fiscal year plus the two immediately  
succeeding fiscal years, whichever period of years is greater.
