"where fine education is a heritage"

Board Presentation

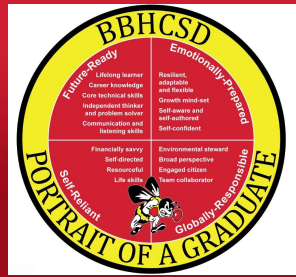

Online & In-Person Learning
Wednesday, October 28, 2020

Agenda

- **Outcomes**
- **Overview of BBHCSD Learning Models for Online & In-Person**
- **Discussion**

Outcomes

- **Learning**

- Strive to meet the *learning needs* of all students in all learning models
- Support the *social-emotional needs* of all students in all learning models
- Consistent *pacing* in content and standards taught

Overview of Learning Models

Two Learning Models in BBHCSD

Online Learning Model

- Students learning from home five days a week
- Grades PK-8 are taught by BBHCSD teachers
- Grades 9-12 use a third party curriculum (APEX) which is overseen and managed by BBHCSD teachers and staff

Hybrid Learning Model

- Students learn both in-person (two days) and from home (three days)
- PK-4 students have one assigned teacher
- 5-8 students follow a schedule with multiple teachers five days
- 9-12 students follow their daily schedule in-person with asynchronous learning from home (three days)

What is important in both learning models?

- *All* students learn the content
- *All* students receive feedback on learning
- *All* students are engaged, active and participatory
- *All* students and adults are mindful screen time
- *All* students enjoy learning

Friday 10-30

Attendance
Whole Class Zoom at 9:30

Attendance
Login to Zoom for daily attendance check in **OR** complete the form in Google Classroom if you are not able to attend the Zoom

Attendance
Login to Zoom for daily attendance check in **OR** complete the form in Google Classroom if you are not able to attend the Zoom

Reading
-Read 20 minutes

Reading
-Read 20 minutes
-Complete the Google Form after you read (on Google Classroom)

Reading
-Read the Scholastic News article "Beavers on the Go" (directions for how to access the article are on Google Classroom)
-Complete the Beavers Know How Google Form after you read the Scholastic News article (on Google Classroom)

Writing
-Watch the [Freshwater Habitats Brainpop video](#)
Username: hilsch
Password: brainpop
-Complete the [journal prompt](#)

Writing
-Watch the [Forest Brainpop video](#)
Username: hilsch
Password: brainpop
-Complete the [journal prompt](#)

-Read 20 minutes

Science
-Complete the land and water sort (on Google Classroom)

Science
-Read habitat book pages slide 2-3 (on Google Classroom)
-Complete the vocabulary Google Form (on Google Classroom)

Science
-Read habitat book slide 4-7 (on Google Classroom)
-Complete the different habitats Google Form (on Google Classroom)

Math
-Choose one of the [Halloween math games](#) to play

Math
-Choose one of the [Halloween math games](#) to play

Math
-Choose one of the [Halloween math games](#) to play

iReady
-Complete 15 minutes of Reading lessons
-Complete 15 minutes of Math lessons

iReady
-Complete 15 minutes of Reading lessons
-Complete 15 minutes of Math lessons

iReady
-Complete 15 minutes of Reading lessons
-Complete 15 minutes of Math lessons

Specials
-Complete assignment for one specials class (Media, Art, Music)

Specials
-Complete assignment for one specials class (Media, Art, Music)

Specials
-Complete assignment for one specials class (Media, Art, Music)

"where fine education is a heritage"

Examples of Learning Activities for Online Students in Concurrent Learning Model

Synchronous Learning (at the same time as classmates)

- Live Streaming or Zooming (could be for part of or the whole period) with the teacher and classmates
- Class configuration may include
 - Whole group direct instruction
 - Small group learning activities with classmates
 - Individual breakout rooms

Asynchronous Learning (during the assigned period, but learning independently)

- The teacher will provide an instructional video to watch
- An activity will be provided following the instructional video
- The teacher will offer an opportunity to connect virtually to get help or ask questions.

Concurrent Learning Model Continued...

Expectations for Online Students in the Concurrent Learning Model

- Students follow schedule and visit Google Classroom daily
- Complete daily assigned classwork, homework, readings, etc.
- Students communicate all concerns, questions, and needs to their teachers
- Actively participate in concurrent learning activities (Zoom sessions, Zoom group work, etc.)

Potential Quarantine Situations

When students are quarantined, the team at each school will work collaboratively with students and their families to ensure that they will continue to be on pace with the content and standards being learned (e.g., earning credit in high school).

Middle School & High School -- if students are well enough -- they will follow daily schedules from home.

Elementary students -- if well enough -- will complete lessons from home with teachers and staff checking in. May join an online class if numbers permit.

Update with the Superintendent

Thank You!
