Chad

Jim, pricing did change a bit. Build and arrival to Valley is approximately 14 weeks from Job #1 which is Janaury 21, 2021.

And we must remember the Pandemic. All builds are subject to change without notice due to changes in the market due to the Pandemic.

I will call to follow up but please feel free to call anytime with any questions, (216)524-2400.

Jenny Loveland

Regards,

Jenny Loveland
