**Revised Plan and Summer Opportunities Update**

June 18th, 2021

Dear Brecksville-Broadview Heights City Schools Community,

While summer break has begun in full swing, the leadership of the BBHCSd remains hard at work preparing for summer learning opportunities and for next school year.

The Brecksville-Broadview Heights City Schools has recently posted a [revised COVID-19 Safety Plan](#) for the anticipated use of summer school and building operations during the next several months. Please know that these plans change at the discretion of the Ohio Governor and other public health guidance, and will be updated once again, prior to the start of the 2021-2022 School Year. The plans are fluid documents, and will also be subject to change throughout the 2021-2022 School Year as well. [Click this link to review the most recent plan, as it relates to current guidance and safety protocols at the present time.](#) Thank you.

Finally, those individuals participating in the coming intervention opportunities are advised to remain on the lookout for forthcoming information in the near future. The BBHCSd will continue sharing relevant updates as needed with our families and students.

Enjoy the seasonal weather and have a safe summer!

Sincerely,

Joelle M. Magyar
Superintendent of Schools
