**Congratulations to New Individuals in New Roles
Mask Wearing Optional for '21-'22 School Year**

July 1st, 2021

Dear Brecksville-Broadview Heights City Schools Community,

The BBHCSD would like to congratulate the following individuals in new roles for the upcoming 2021-2022 school year:

- Kevin Jakub, High School Principal
- Kelly Izzo, Assistant High School Principal
- Colleen Toth will begin planning, organizing and preparing for the Principal's role at the new PreK-5 school
- Eva O'Mara, Highland Drive Elementary Principal, hired for the final transition year at the building
- Tina McCauley, Chippewa Elementary School Principal

We are excited for the future, appreciative of the service these individuals will provide to the District, and we greatly look forward to our continued excellent work together. Congratulations to you all! New faces in the classroom will be seen throughout the District, and we welcome those individuals as well.

We express a heartfelt 'goodbye' to Beverly Chambers and Susan Welch, whom we wish well in their respective retirements, and greatly thank for their service to the BBHCSD. We also wish Steve Ast all the best in his new role as a Central Office administrator in the Lakewood City Schools.

In matters of planning for the '21-'22 school year, the BBHCSD relies upon guidance from the federal and state government and other public health officials to inform our decisions. Accordingly, with no current health orders to enforce, or safety restrictions from these entities, the BBHCSD will make mask-wearing *optional* for the 2021-2022 school year. The District encourages families to make their own respective judgment based upon their needs and circumstances. In addition, the federal government has not made the coronavirus vaccination a requirement for students to return to school for the 2021-2022 school year. Please remain on the lookout for new updates that we will share with our school family as they become available.

Finally, keep an eye out for the District's annual "New Bee" sign placement and excitement, around the beginning of August, a fun way to welcome our newcomers to the BBHCSD.

Enjoy your 4th of July holiday, and please stay safe!

Sincerely,

Joelle M. Magyar
Superintendent of Schools
