**Governor Mike DeWine Signs H.B. 244 into Law**
Please Read Implications Below for '21-'22 School Year

July 15th, 2021

The purpose of this email is to inform you about Ohio Governor Mike DeWine's recent action to sign House Bill 244 into law. This bill does two things: First, the bill prohibits public school districts from requiring individuals to get vaccinations that are not fully approved by the FDA, including the COVID-19 vaccination. Second, the bill prohibits public schools from requiring unvaccinated individuals to engage in, or refrain from engaging in activities or precautions that differ from the activities or precautions of an individual who has received such a vaccine. The Governor's signing of House Bill 244 supersedes CDC recommendations regarding these specific topics.

CDC guidelines will be followed, however, in *mandating that all individuals will wear masks on school busses* effective for the beginning of the 2021-2022 School Year.

Despite the Governor's signing of House Bill 244 as noted above, the BBHCSO will strongly *recommend* that all individuals not vaccinated wear a mask for everyone's health, wellness, and safety.

Thank you for taking the time to read this information and for considering the appropriate precautions to prepare for the safe return to school in August. The District will continue posting information and keeping our school family apprised of updates as they become available.

I hope you are enjoying a healthy, fun, and active summer.

Joelle M. Magyar
Superintendent of Schools
