ADDED: 5.5

Page 8 - S/U Option

Edit first sentence: The “S/U” option is the opportunity ~~given to a junior or senior~~ for students to select 1 unit of credit or less in non-required subjects for credit each year in which the grade will be either “Satisfactory” or “Unsatisfactory”. “Satisfactory (S) will require a “C” or higher for credit; this translates into an average of at least 73%. An average below 73% will result in an “Unsatisfactory (U). This option is not available for honors or advanced placement courses. “S/U” option cannot be used for courses required for graduation.

Added: for students & “S/U” option cannot be used for courses required for graduation.

Page 9 – Air Assessment & End of Course Exams

EDITS: AIR ASSESSMENT & END-OF-COURSE EXAMS

The state of Ohio uses the AIR assessment system to measure student growth aligned to the New Learning Standards for English Language Arts, Mathematics, Science, and Social Studies. The Ohio Department of Education has mandated end of course exams in ~~7~~ 6 areas: Algebra I, Geometry, ~~English 1~~, English 2, Biology, American History, and American Government. Students studying Advanced Placement (AP), or taking dual enrollment courses in American history or American government may take assessments aligned to those courses in lieu of end-of-course exams to avoid double testing. With few exceptions, students must ~~accumulate a minimum of 18 points from scores~~ demonstrate competency on their Algebra1 and English 2 end-of-course exams plus earn two (2) seals as defined criteria by the State of Ohio to become eligible for a diploma.

Added: “demonstrate competency on their Algebra1 and English 2 end-of-course exams and earn two (2) seals as defined criteria by the State of Ohio to become eligible for a diploma.”

Removed: Students must also meet one of the following three:

- ~~1. Earn a cumulative passing score on seven end-of-course exams. The scores will be set by the State Board of Education.~~
- ~~2. Earn a “remediation free” score on a nationally recognized college admission exam such as ACT or SAT. The State of Ohio will pay one time for all 11th grade to take the exam free of charge.~~
- ~~3. Earn a State Board of Education approved, industry recognized credential or a state issued license for practice in a career and achieve a score that demonstrates workforce readiness and employability on a job skills assessment.~~

Page 10 – General Absence Procedures

Add Sentence at end of statement: “Parents must contact the attendance office when a student is leaving school for illness or appointments.”

Page 11 – Added Definition Tardiness/Late to Class/School and Consequences

EDITS: A tardy is defined as arrival to school or class after the tardy bell has rung ~~up till the first 10 minutes of the 1st period (to school)~~ within the first FIVE (5) minutes. It is strongly suggested that a student be in his/her seat prior to the bell sounding to avoid any misunderstandings.

~~A “late” shall be issued for school attendance when arrival to school is after the first 20 minutes of first period.~~ Absences are reported in minutes, therefore being “late” can accumulate toward the student’s daily attendance and for each class period.

Students must have a hall pass from their last class when late to their next class if a tardy is to be avoided. If a student is tardy, he/she should report immediately to his/her assigned class where the teacher will record the tardy and respond appropriately to the violation. Any classroom tardy beyond ~~ten (10)~~ FIVE (5) minutes will be considered a “class cut” and referred to the assistant principal’s office.

Student parking and ~~Hive~~ privileges may be revoked after the 5th occurrence. This process will reset every semester quarter.

Added: “within the first FIVE (5) minutes”, “Absences are reported in minutes, therefore being “late” can accumulate toward the student’s daily attendance and for each class period.”, “FIVE (5) minutes will be considered a “class cut” and referred to the assistant principal’s office.” & **This process will reset every quarter.**

Juniors in good standing who are active in the extracurricular program or who are employed and can produce a current work permit and proof of work schedule immediately after school may be issued a parking permit if space is available. A limited number of sophomores will be granted parking privileges based on similar standards.~~

3rd Paragraph From: Students who drive to school without proper authorization will not be permitted to park on school grounds, will face disciplinary action, and may have their vehicle subject to towing. Page 18 – Electronic Devices, ETC

EDITS: Because radios, MP3/IPOD/CD players, electronic games, laser pointers, and other such devices have proven to be disruptive to the educational process, ~~students are not permitted to have them in the hallways between classes.~~ Use in classrooms, study hall, or the cafeteria, may be permitted per teacher/supervisor discretion. Because of the inherent danger of illicit use of laser pointers, confiscated items will be returned only to parents and students may be subject to disciplinary consequences. **All electronic devices such as pagers, cellular phones, etc. are to be kept out of sight and “silenced” as to not disrupt instruction. These items may be confiscated by any staff member if found disruptive and returned to the parent—or for 18-year olds, to the student--only after parent contact has been made with an administrator.** Discipline consequences will be issued for the disruption.
