Miscellaneous:

- Coach Mehalik will provide a final, updated, and more detailed itinerary on October 1st once everything is finalized.
- Players and families will meet with our nurse and follow all school approved steps for trips.
- Players and families will have a meeting in November and agree to all school and team rules for the trip.

This would be our 3rd trip at this same time period. In 2018, we went to Phoenix and in 2019, we went to San Diego. As a staff, we are familiar with all the protocols and accounting that needs to be done. We would meet with the administration to see if anything needs to be changed but otherwise our team and coaches have a good idea of how to handle taking the boys on this trip.
