

The Brecksville-Broadview Heights City School District will be opening a new Kindergarten-5th Grade school in Fall of 2022. The school building will be located on Oakes Road where it intersects with Glenwood Trail (Google map here: <https://goo.gl/maps/VigV2vCeFuHKPqW4A>). If your children will be attending school at the new building we want to learn your thoughts about children walking and biking to school. If you have multiple children who will attend school at the new building, please complete this survey once for each child.

Your responses will be kept confidential and neither your name nor your child's name will be associated with any results.
