Ms. Magyar, and School Board Members,

Emily Garlock and I are respectfully submitting this proposal regarding a performance tour trip for the high school choir and orchestra programs for the 2022-2023 school year. All students in the Choir and Orchestra programs who are enrolled in the class will be eligible for this trip. The destination will be **Washington DC, Philadelphia, and Pittsburgh**. We would leave Friday Morning on **March 24th, 2023** and **return on Monday night on March 27th 2023**. The cost is around \$700-\$1200 per student (depending on room type) and there will be fundraising opportunities to offset the cost of the trip.

Accommodations & Meals

- Accommodations in a three-star hotel in the greater Washington, D.C. area – 1 night
- Accommodations in a three-star hotel in the greater Philadelphia area – 2 nights
- FOOD: 3 Breakfasts, lunches, and dinners (Hard Rock Cafe or similar, Dave & Buster's or similar, Pietro's Pizzeria or similar)

Performances: two public performances

- Separate Choir and Orchestra performance in Washington DC.
- Combined performance in Philadelphia
- Clinic in Pittsburgh

Sightseeing & Activities

- National Archives (based on availability), Illumination tour with step-on guide (one per coach), US Capitol Tour (based on availability and acceptance), National Constitution Center, Philadelphia Walking Tour, Philadelphia Museum of Art photo opportunity, Attend a concert or musical (based on a \$50 ticket value), Duquesne Incline Observation Deck

The objectives of this trip are:

- Performance Opportunity: Each participating student will experience the wonderful opportunity of performing in a unique environment. This would include performing in different states and for completely different audiences. There is also a clinic opportunity with a local university.
- Students will Washington DC, which some of the younger students did not get to visit due to the pandemic. Students will also get a small taste of traveling on tour for concerts.
- We chose to go over Spring Break so this trip would not take students out of class.

Please let us know if there is anything else needed from us, and we thank you very much for this opportunity.

Sincerely,

Steven Cocchiola

Emily Garlock
