**Memorandum of Understanding Between
College Now Greater Cleveland
and
Brecksville-Broadview Hts High School
2022-2023 School Year**

I. Background

The mission of College Now Greater Cleveland (COLLEGE NOW) is to increase college attainment through college and career access advising, financial aid counseling, and scholarship and retention services. For over 50 years, our goal has been to help students pursue educational opportunities that empower them to embark on rewarding careers and strengthen our community.

II. Purpose and Scope

The purpose of this Memorandum of Understanding (MOU) is to clearly define the roles and responsibilities of each party as it relates to: (1) an Advising Plan for advising Brecksville-Broadview Hts High School students and their parents; (2) a plan for data exchange; (3) a plan to make Brecksville-Broadview Hts High School personnel aware of COLLEGE NOW services; (4) a plan to provide space and resources for the on-site COLLEGE NOW advisor; (5) a plan to recommend Brecksville-Broadview Hts High School seniors for scholarships from COLLEGE NOW, provided that funding is available; and (6) a plan to evaluate the COLLEGE NOW advisor and services provided. This MOU is intended to provide a written acknowledgement of collaboration between the organizations.

III. Definitions

For the purposes of this MOU,

1. STUDENT shall refer to a student who is enrolled in Brecksville-Broadview Hts High School, unless Brecksville-Broadview Hts High School informs COLLEGE NOW otherwise.
2. ADVISING SERVICES are any services selected on the attached Menu of Advising Services that Brecksville-Broadview Hts High School contracts with COLLEGE NOW to provide as part of the Advising Plan.
3. A DAY OF SERVICE equals 7 hours. A HALF DAY OF SERVICE equals 3.5 hours.
4. DATA includes any student information such as demographic information, cumulative grade point averages, ACT/SAT scores, and expected year of graduation.

IV. COLLEGE NOW Responsibilities under this MOU

1. COLLEGE NOW Advisor will be available to speak with staff on issues of the college going process.
2. COLLEGE NOW will provide a trained college access Advisor for the amount of time requested by Brecksville-Broadview Hts High School in no less than half day increments. Evening presentations count as half days.
3. COLLEGE NOW Advisor will provide three principal services: advising, financial aid, and scholarship services, as well as, or as specifically stipulated by the additional services indicated by Brecksville-Broadview Hts High School on the attached Menu of Advising Services, or in subsequent conversations with COLLEGE NOW.
4. COLLEGE NOW will provide its Advisor with a cell phone number, laptop computer, and printer.
5. COLLEGE NOW will send a semi-annual evaluation to the designated Brecksville-Broadview Hts High School counselor asking for feedback about COLLEGE NOW services. The feedback from these evaluations is used for customer service, training, professional development, and performance evaluation purposes.
6. COLLEGE NOW Advisor will recommend seniors for COLLEGE NOW scholarships, when funding is available.
7. As part of the data exchange, referred to Paragraph VI and the "Data Exchange Addendum" to this MOU, COLLEGE NOW will submit names of Brecksville-Broadview Hts High School students who were served by the COLLEGE NOW Advisor to the National Student Clearinghouse in order to obtain post-secondary enrollment information. COLLEGE NOW is FERPA complaint (see explanation for details).
8. COLLEGE NOW will provide a year-end summary of services provided, students served, and COLLEGE NOW scholarship(s) awarded students (if applicable) to Brecksville-Broadview Hts High School.

V. School Responsibilities under this MOU

1. Brecksville-Broadview Hts High School provide working space and internet access.

2. Brecksville-Broadview Hts High School will provide access to a copy machine to be used only in the servicing of students' needs.
3. Brecksville-Broadview Hts High School will publicize COLLEGE NOW services at the school and make all reasonable attempts to ensure access to students.

VI. Data Requirements

Brecksville-Broadview Hts High School will, by the first week your advisor begins serving your school, and again by January 31st, provide an electronic student data roster of 12th grade students consisting of student name, address, date of birth, grade level, GPA, and ACT/SAT scores. The student data template can be emailed to rosters@collegenowgc.org (see FERPA explanation for details).

Fields bolded in College Now's data request template are required; without them, we are unable to import and track student information in our data system. Remaining fields are of particular importance for serving students based on their individual postsecondary needs as well as program eligibility. In addition, contact information (phone, email and address) allows advisors to best serve students in a remote environment. Not including bolded required student information at a minimum (middle schools exempted for GPA & test score information) may result in a premium rate for services.

COLLEGE NOW Advisors rely on accurate and timely rosters to maximize service opportunities to students. It is critical to our success that this information is received in advance of Advisors arriving in schools to serve students. **Data received after the deadlines noted above may jeopardize the efficiency and effectiveness of the Advisor's work.** The "Data Exchange Addendum" is required and is made a part of this MOU.

VII. Advising Plan

COLLEGE NOW will provide the services indicated by Brecksville-Broadview Hts High School on the Advising Plan Appendix, which is required and is made a part of this MOU. Brecksville-Broadview Hts High School Selection may warrant a conversation about adjusting the specific services requested to accommodate the number of service days requested, or about increasing the number of COLLEGE NOW service days requested in order to accommodate the selection of services.

VIII. Personnel Background Check

All COLLEGE NOW Advisors have undergone drug and background screenings.

IX. Reporting Responsibilities

COLLEGE NOW agrees to report to Brecksville-Broadview Hts High School authorities any suspected child abuse or neglect as these terms are defined under Ohio Revised Code 2151.03 that jeopardizes the physical and/or emotional well-being of a student.

X. Indemnification and Hold Harmless

COLLEGE NOW agrees to indemnify, defend, and hold harmless Brecksville-Broadview Hts High School, all of its members, officers, employees, and agents from and against any and all liability (whether real or asserted) claims, demands expenses, costs (including legal fees), and causes of action of any nature whatsoever for personal and bodily injury or death of persons or damage or destruction of property which may result from and arise out of the negligence or intentional misconduct of COLLEGE NOW, its employees, officers, agents, subcontractors, or interns screened, selected and/or trained by Contractor, in the performance of this Agreement. The District reserves the right to use counsel of its own choosing, at its own expense, with regard to any such claim for which indemnification and defense is sought. This indemnification obligation shall survive the term of this Agreement.

XI. Independent Contractor

COLLEGE NOW and Brecksville-Broadview Hts High School acknowledge and agree that COLLEGE NOW is an independent contractor and has no authority to bind Brecksville-Broadview Hts High School or otherwise act as a representative of Brecksville-Broadview Hts High School. COLLEGE NOW shall retain the right to exercise full control and supervision over its employees, compensation, and discharge, and agrees to be solely responsible for all matters relating to its employees, including, but not limited to, compliance with social security, withholding, workers' compensation, and all other regulations governing such employment matters.

XII. Confidentiality/Ownership

COLLEGE NOW agrees that all financial, statistical, proprietary, or student information provided by Brecksville-Broadview Hts High School or any information that COLLEGE NOW may acquire, directly or indirectly which relates to Brecksville-Broadview Hts High School will be kept confidential and not used by or released to any third party or parties without the prior written consent of Brecksville-Broadview Hts High School. DATA EXCHANGE APPENDIX 2022-2023 School Year

College Now Greater Cleveland and Brecksville-Broadview Hts High School

COLLEGE NOW and FERPA

Part of the COLLEGE NOW advisor's job is to track the services provided to the students within a school. As you may imagine, this is a large part of the job and can require a fair amount of time. It is necessary however, for several reasons:

- College Now is a non-profit organization and we rely on grant and donor funding for a large part of our budget and the ability to offer our services at a subsidized rate. As a result, we need to report to our funders aggregate (not student-level) data about our advising work.
- College Now continually works to improve services, achieve outcomes, and maximize effort at the lowest cost using collected data from our services.
- College Now subscribes to the National Student Clearinghouse (NSC) to obtain persistence and graduation rates for the students we work with. To receive accurate data from NSC, we must have accurate student data.
- The ability to reduce data entry time increases our ability to serve more students and families.
- At the end of the year, College Now will provide a report to you about our advising work in your school. We want that report to provide a complete picture of all the work we have done with your students. Data allows us to provide a more comprehensive college and career readiness analysis.
- College Now Advisors rely on accurate and timely rosters to maximize service opportunities to students. It is critical to our success that this information is received in advance of Advisors arriving in schools to serve students. Data received after September 1st and/or January 31st may jeopardize the efficiency and effectiveness of the Advisor's work.

What Is FERPA?

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students." Full text of FERPA is located here: <http://www2.ed.gov/policy/gen/guid/fpco/ferpa/index.html>.

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. **However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):**
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - **Appropriate parties in connection with financial aid to a student;**
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;

- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Per the MOU we are requesting an electronic student data set that conforms to our template sent via email. **Per the legislative text above, College Now is a qualifying organization to receive, transmit, and securely handle your student-level data.** If you have any questions, please contact College Now's Senior Director of Data Services, Cynthia Boncella at cboncella@collegenowgc.org. Thank you.

COLLEGE NOW Data Requirements (as outlined in Article VI of the MOU)

Brecksville-Broadview Hts High School will, by the first week your advisor begins serving your school, and again by January 31st, provide an electronic student data roster of 12th grade students consisting of student names, addresses, dates of birth, grade levels, GPAs, and ACT/SAT test scores. The student data roster can be emailed to rosters@collegenowgc.org (see FERPA explanation for details).
