BID REVIEW: (procedures, considerations and observations)

Review and evaluate carefully all bids submitted and if there are any questions pertaining to any bids please call the vendor contact person. A summary document has been prepared by the Ohio Schools Council to serve as reference purposes only. Please refer to the vendor's original bid to verify information contained in the summary document.

Review and evaluate bid spreadsheets and compare all costs, options, etc.

Review and complete each vendor bid form submitted by filling in school districts' desired options, and total all costs.

Review and evaluate school district trade-in spreadsheet and deduct trade-ins from school district selected options and total cost.

Combine low selected option totals and deduct trade-ins.

Each participating school district will evaluate and select the best and lowest qualified bidder that meets the school districts specifications, requirements and qualifications.

The school district may waive any requirement in specifications as per instructions to bidders and may accept or reject any or all bids.

All bids are firm for sixty (60) days from date of receipt of bids to December 31, 2021. However, traditionally prices are held until the next bid opening in May 2022.

If a participating school district is expecting non-public or disability bus funding from the State Department of Education for the purchase of buses, do not order or contract to purchase said bus or buses until after **written approval is received from the State Department of Education** as per new bus purchase rules, forms, and procedures for FY-22; Assistant Director, Pupil Transportation Section Division of School Finance.

If and when your school district proceeds to purchase school bus chassis and bodies, **please send a COPY of your purchase order, complete with selected options purchased, total number of units purchased and trade-in values to the Ohio Schools Council office for tabulation.**

The Ohio Schools Council and the School Bus Cooperative Purchasing Committee wish you and your Board of Education much success in selecting and receiving the best school bus units for your school district.

OHIO SCHOOLS COUNCIL
SUMMARY OF BID FINDINGS
2021-22 SCHOOL BUS PURCHASING PROGRAM
Date of Bid Opening – November 1, 2021

PLEASE REVIEW AND TAKE INTO CONSIDERATION THE FOLLOWING WHEN CALCULATING YOUR BIDS:

There is a column listed on your bid called “Price if Same for All Sizes”. If this column is populated, please use that price for all sizes. Verify all information on the vendor’s bid. The Summary is provided for your convenience, only, and should not be deemed the original bid.

- Vendors may have inserted a quantity in a cell. Look for these before calculating your total purchase price.
- Each Vendor’s quote will have their specific brand, model number, requirements, exclusions, etc., in the description column.
- Watch carefully for items that are priced each when ordering more than one (i.e. L-track for track seating is priced per wheelchair position).
- Order ASAP as prices are only held firm for sixty (60) days until Friday, December 31, 2021.
- After you have sent a PO to the vendor for ordering, please send a copy to Kelly Rocco at Ohio Schools Council, krocco@osconline.org.

Please read through your bids carefully and work directly with your vendor when placing your order to be sure EVERYTHING you want on your bus(es) is ordered. Do not assume an option will be included from the manufacturer.
