Bee Your Best

Challenge Yourself

We embrace productive discomfort and develop a habit of learning. We set goals to build on our strengths and improve our skills. We understand that hard work is necessary to achieve our goals. We choose to step up and strive to do the right thing, even when it's difficult. We will persevere through our challenges.

Failure will be the catalyst to success.

Actively Engage

It is our responsibility to be active participants and contribute to the task at hand. We need to show up, get our mind right, and put effort in all we do. Each one of us needs to engage with purpose: ask questions and actively listen. Take time to understand. *Do the work.*

Own Your Choices

We choose our attitudes, our beliefs, and our behaviors. We own our mistakes and learn from them. Our choices influence our culture; we are intentional and purposeful in our decisions and responses. *Own it.*

Always Improving

Bee One Community

Respect Differences

We are strengthened by, and value, the diversity within our community. We actively embrace differences in solving problems, achieving goals, and navigating the future. Everyone deserves respect and validation for who they are, what they do, and for the life and path they choose. *All voices matter.*

Build Relationships

Our community flourishes and grows through individual and collective contributions. The relationships we build within the community foster kindness, mutual respect, and understanding. We interact with one another with compassion and sensitivity. *We care.*

Empower Others

Our community is only as strong as each individual. Everyone has a collective responsibility to influence, mentor, lead, and be examples for one another. We seize opportunities to facilitate and encourage individuals to grow. *Make a difference for someone else.*

Stronger Together

Bee the Future

Act with Purpose

Everyone has a purpose. Our intentional actions and behaviors positively impact ourselves and others. We develop and pursue our “why” through skillful and deliberate decisions. *Live your “why.”*

Pursue your Plan

We are persistent in creating and following our plan to achieve our goals. Through this we grow beyond our abilities, expand our boundaries and maximize our potential. *Never give up.*

Live Forever Proud

We are proud Bees. We value our heritage and celebrate the successes of our community. We understand the importance of the work we do every day and take pride in the impact of our contribution. *Make your mark.*

EQUAL EDUCATION OPPORTUNITY

The Brecksville-Broadview Heights City School District Board of Education affirms its commitment to provide an equal educational opportunity to each of its students. Any limitation with regard to participation in a school-sponsored activity will be based on criteria reasonably related to that specific activity.

Any person who believes that s/he has been discriminated against on the basis of his/her race, color, disability, religion, gender, or national origin while at school or a school activity should immediately contact the School District's Compliance Officer(s):

Cyndi Tomassetti
Director of Pupil Services

Children who ride the bus will wait in their classrooms until their bus is called. Typically, all buses depart school by 4:00 PM.

STUDENT RESPONSIBILITIES

The School's rules and procedures are designed to allow students to be educated in a safe and orderly environment. All students are expected to follow staff members' directions and to obey all school rules. Students must arrive at school on time, prepared to learn and participate.

HOME-SCHOOL COMMUNICATIONS

In order to keep parents informed of their child's progress in school, parents will be provided information on a regular basis and whenever concerns arise. The School may use the email, mail or kid-mail when appropriate. Parents are encouraged to build a two-way link with their child's teachers and support staff by informing the staff of suggestions or concerns that may help their child better accomplish his/her educational goals.

Parent Teacher Conferences: Parents of pupils in grades K-5 may be invited to school for a conference with the teacher at least once during the school year. Either the parent or the teacher may initiate conferences at any time

during the school year. The official school calendar provides two evenings that are set aside for parent-teacher conferences. We encourage communication between parents and teachers throughout the school year.

Assignment Books: Assignment books are used for daily communication, homework, classroom projects, upcoming events for grade 4 and 5 only.

Report Cards: Report cards will be posted electronically through ProgressBook within one week from the close of each marking period. Paper copies may be requested through the school office.

Meet and Greet Nights: Early in the school year parents are invited to our annual Meet and Greet Night. Parents are introduced to their children's classroom teachers, visit classrooms, and learn about our curriculum and procedures for the school year.

Open House: Parents and students are welcome to school to visit informally with teachers and to view materials and student work in the classrooms. The dates for the Open Houses are available for review through the school website.

School Website: The Brecksville-Broadview Heights School District has a website that outlines district events. Each building page is updated on a regular basis. The website address is: www.bbhcsd.org

PSO Information: is available online via the school web page or on the school's PSO Facebook page. Our PSO is very active and valued in the learning community. The goals of this organization are to promote the welfare of children and youth in the home, school, church and community, to bring about a closer relationship between the school and home, further cooperation between all so that children can learn more effectively, and to secure adequate laws for the care and protection of all children. The PSO sponsors many programs along with other forms of child-related activities requiring cooperation among staff, parents, and students. The PSO seeks your support, volunteerism, and active participation in all their events, activities, and involvement programs. If you wish to receive PSO communications and updates, please sign up through Final Forms.

STUDENT WELL BEING

Student safety is the responsibility of both students and staff. Staff members are familiar with emergency procedures such as evacuation procedures, fire and tornado drills, safety drills in the event of a terrorist or other violent attack, and accident reporting procedures. If a student is aware of any dangerous situation or accident, s/he must notify a staff person immediately.

State law requires that all students have an emergency medical authorization completed and signed by a parent or guardian on file. This should be completed through Final Forms.

SECTION 1: GENERAL INFORMATION

ENROLLMENT AND REGISTRATION

In general, State law requires students to enroll in the school district in which their parent or legal guardian resides.

New students under the age of 18 must be enrolled by their parent or legal guardian. When enrolling, parents must provide copies of the following:

- A. a birth certificate or similar document
- B. court papers allocating parental rights and responsibilities, or custody (if appropriate)

- C. proof of residency
- D. proof of immunizations

Under certain circumstances, temporary enrollment may be permitted. In such cases, parents will be notified about documentation required to establish permanent enrollment.

Homeless students who meet the Federal definition of homeless may enroll and will be under the District Liaison Homeless Children with regard to enrollment procedures.

In addition, if a new student resides in the District with a grandparent and is the subject of a: (1) power of attorney designating the grandparent as the attorney-in-fact; or (2) a caretaker authorization affidavit executed by the grandparent that provides the grandparent with authority over the care, physical custody, and control of the child, including the ability to enroll the child in school, consent in all school related matters, and discuss with the District the child's educational progress, the student's grandparent may enroll the child in school on a tuition-free basis. However, in addition to the above-referenced documents that are typically required for enrollment, the grandparent must provide the District with a duly executed and notarized copy of a power of attorney or caretaker authorization affidavit.

The district uses an on-line program called Final Forms to assemble information regarding your student(s). Information such as emergency contact, sign-off for the Family Handbook, emergency medical authorization, photo release/email release, etc must be completed. The system will retain the information as it is entered initially and only changes need to be entered, if so needed, as time progresses.

STATUS CHANGES

Please notify the school office of the following changes:

- Home phone number(s)/Cell Phone number(s)
- Home address
- Emergency contact's name, number (including area code)
- Work phone number, either or both parents and area code(s)
- Marital status
- Custody of children
- E-mail address

Residency: An Affidavit of Residency is required to be filled out to register a child into the district. Residence verification must be brought and shown to the REGISTRAR at the time of registration as follows:

OWNERS of dwellings- any **2 ORIGINAL** items listed:

- Tax Bill Insurance Policy on Dwelling
- Paycheck Stub with Address
- Home Mortgage Coupon
- Purchase Construction Contract
- Utility Bill

TENANTS of a building need to bring a copy of your current Lease Agreement PLUS one of the above forms **OR** If you reside with a resident of Brecksville-Broadview Heights, the owner or tenant of the property must complete the Affidavit of Residency and provide 2 proofs of residency-OR- a signed lease agreement.

Each year a number of parents enroll their children in our district before they have actually moved within our boundaries. These children may attend our schools tuition-free for 90 days. After that, tuition is charged each month for each child. Students beginning the fourth quarter and then moving out of the district may complete the school year without being charged tuition. Families in either of the situations above should contact the school office for clarification.

Students who meet the Federal definition of "in foster care", including those who are awaiting foster care placement, will be provided a free appropriate public education (FAPE) in the same manner as all other students of the District. For additional information see Policy 5111.03.

Kindergarten Registration: A child entering kindergarten in September must be five years of age on or before September 30 of the year he/she enters school. A parent or guardian must register the child. (See "Enrollment Procedures.")

Withdrawals: Anyone planning to move should notify the office as soon as his or her plans are definite. The student's new address and the name and address of the new school are needed. School records of the child will be mailed to the receiving school upon the written request of the parents or the new school.

HEALTH SERVICES

Please complete the Health questionnaire information in Final Forms no later than the first day of school. Medical authorities and school educators urge that every child have a complete medical examination before entering school in order that health issues, if present, may be corrected and the child be physically ready to accept all the advantages that education has to offer.

Students with specific health care needs should deliver written notice about such needs, along with physician documentation, to the School office.

Clinic: Students feeling ill or requiring medical attention are to come to the main office with a pass from the classroom teacher/supervisor before proceeding to the clinic. For attendance purposes, students are not to report to the clinic between classes, except in extreme emergencies. Students admitted to the clinic may stay for only one period; then they must either go back to class or go home. The school secretaries or clinic health staff will make calls to parents of students who need to go home.

The Brecksville-Broadview Heights City School District does not anticipate, nor have scheduled any non-emergency, invasive physical examination or screening scheduled for the 2022-2023 District year for students. This does not include vision, hearing, and scoliosis screenings, which will be scheduled throughout the year. (BOE Policy 5310)

Medications Taken at School: All medications should be given to students at home when possible. Medications ordered three times a day should be given before school, after school, and bedtime. If it is necessary for a student to take medication during the school day, the following requirements **must be met** to insure our students' safety:

- Any medication must come to school in its original container with the child's name on it. Pharmacies may be asked to divide prescriptions into two bottles.
- Parents are to bring medications to the school office. Students may not carry medication on the bus.
- Complete written instructions must be given to the principal or his/her designee with the parent's written permission and signature. Forms are available in the office/clinic or on line at www.bbhcsc.org/health. There are separate forms for prescription and non-prescription medications. There are also forms for epipens and inhalers, which the students may carry with them once the forms are completed and on file in the clinic. Prescription forms should be taken to your child's physician and returned with the medication.
- Prescription medication must be accompanied by the physician's instructions, side effects that should be reported, along with their signature and phone number.
- The first dose of a new medication must not be administered at school in case of an allergic reaction.
- New requests for medication must be submitted at the beginning of each new school year or as medical needs arise. Both the physician and parent must complete new forms unless it is for non-prescription medications.

Parents must pick up unused medication. Medications will be disposed of 30 days after they are discontinued. These practices ensure that medication is given safely at school. Please call the office if you have any questions.

Injuries: Minor injuries, such as skinned knees, will be treated in the clinic, but anything requiring treatment other than first aid is not permitted to be administered by school personnel. Parents will be notified when there is doubt about the seriousness of an injury or when injuries are considered more than minor.

Head and Face Injuries:

- If a student receives ANY bump etc. to the head or face area he/she/needs to come to the clinic to be assessed, no matter how small.
- If NO signs/symptoms of concussion are present (dizziness/general headache/ nausea/ confusion/ incoordination/dilated pupils etc.), students may have ice and return to class.
- If there ARE signs/symptoms of concussion present (dizziness/general headache/ nausea/ confusion/ incoordination/dilated pupils etc.), keep the student at least 15 minutes with ice. If concerns/symptoms do not go away, ask parents to take the student to see a primary care doctor (does not necessarily need to go to the emergency room).
- Parents will be notified of a head/face injury.
- Students going back to class will have:
 - Note to the teacher regarding the head injury including the time the student left the clinic and time to come back to be re-checked in one hour.
 - Head injury note to go home.

Illness and Fevers: A child who complains of nausea, headaches or poor health will have his/her temperature taken in the clinic. If the child has a fever, the parent will be called to take the child home. If there is not an apparent temperature, the child will rest in the clinic for a while to see if his/her condition improves. If it does not, the parent will be called to take the child home. Students sent home with fevers must be **"fever free" for 24 hours** before returning to school. Students who are vomiting or those with diarrhea must also stay home for at least 24 hours for the health and protection of all students and staff.

Immunizations: Immunization records must be provided to school within fourteen school days after the student's school start date. e State Health Department requires that all students have evidence of having been administered the following immunizations:

- DPT (diphtheria, pertussis, tetanus) - Kindergarteners- 5 doses if the 4th dose was given before the 4th birthday. Grades One through Twelve- 3-4 doses (for 7yrs and older a 4th dose is not required if the 3d dose is Td.
- Polio- Kindergarteners-4 doses if the 3d dose was given before the 4th birthday. Grades One through Twelve- 3 doses.
- MMR (measles, mumps, rubella)-2 doses- the first dose given on or after the first birthday. The second shot must be given at least 28 days after the first dose.
- Hepatitis B- all 3 shots Grades K-6. Grades 6-12-not required.

According to Section 3701.13 and 3313.671 of the Ohio Revised Code, it will be necessary to exclude from school all pupils who have not been adequately immunized by the 15th day of school entrance.

Vision and hearing: Vision and hearing screening is done for all students in Kindergarten, first grade, third grade, and fifth grade. Parents will be notified if any follow up is necessary.

Bloodborne Pathogens: Our school follows the Occupational Safety and Health Administration regulation 20 CFR 1919.1030: Occupational Exposure to Blood Borne Pathogens. The following precautions will be followed,

as the state guidelines expect, for students and staff. When coming into contact with a situation that involves bleeding (bloody nose, cuts, loose teeth, etc.), we will be using gloves, which are provided for all staff. Any tooth that has fallen out will be sent home in a plastic bag with a similar label on it. You may be asked to bring in fresh clothing for your child.

ACADEMIC AND MENTAL HEALTH SERVICES AND SUPPORTS

The Director of Teaching, Learning and Collaboration and the Director of Pupil Services have responsibilities for many areas of a child's academic growth and well-being. There are various specialties and specialists at the elementary school level to accommodate your child.

- School Counselor
- Reading Intervention Program – “Reading Intervention Specialist” in reading
- Educational Assistants – Assist within the classroom for children with special needs
- Specific Learning Disabilities (SLD)/Resource Room/Inclusion – Resource Teacher or Special Education Teacher, work with students in the resource room and/or in the general education classroom
- Psychological Services – School Psychologist
- Speech and Language Services – Speech and Language Pathologist (SLP)
- “Response to Intervention” Team

Students with Disabilities: The American's with Disabilities Act (A.D.A.) and Section 504 of the Rehabilitation Act (Section 504) prohibit discrimination against persons with a disability in any program receiving Federal financial assistance. This protection applies not just to students, but to all individuals who have access to the District's programs and facilities.

The laws define a person with a disability as anyone who:

- A. Has a mental or physical impairment that substantially limits one or more major life activities;
- B. Has a record of such an impairment; or
- C. Is regarded as having such an impairment.

The District has specific responsibilities under these two laws, which include identifying, reviewing and, if the child is determined to be eligible, affording access to appropriate educational accommodation.

Additionally, in accordance with State and Federal mandates, the District seeks out, assesses and appropriately services students with disabilities. Staff members use a comprehensive child study process to systematically screen, assess and, if appropriate, place students in special education and related services. Students are entitled to a free appropriate public education in the "least restrictive environment."

A student can access special education and related services through the proper evaluation procedures. Parent involvement in this procedure is important and required by Federal (IDEIA), A.D.A. Section 504) and State law. Contact Cyndi Tomassetti at 440.740.4017 to inquire about evaluation procedures, programs, and services.

Gifted: In third and fourth grade, students identified as gifted either superior cognitive or subject specific will receive “pull-out” services in Math and/or Reading. This will occur several times per week. The enrichment during the “pull out” sessions will be with a gifted intervention teacher. This model will allow us to provide students with opportunities to be challenged, enriched, and serviced in multiple areas of identification.

In fifth grade, students who are identified as gifted in reading, will receive enriched ELA through a “pull out” model during the daily reading workshop block. Fifth grade gifted math is an accelerated model. Students will be placed in an accelerated math class focusing on sixth grade math standards.

You can obtain further information about the District's Gifted Identification and Delivery of Service Plan on the district's website: www.bbhcscsd.org

Response to Intervention

A building-based team is available which provides assistance to teachers and learners. The team varies in composition depending upon the issue that is presented. The meetings focus on a student's talents, strengths and needs. The process the team uses is based on the Response to Intervention model.

School Counseling: There are three full time school counselors at Brecksville - Broadview Heights Elementary School. The responsibilities of the counselors are detailed in a district-wide, K-12 Guidance Plan. The counselors will work with individual students, small groups of students with similar needs, and provide whole class instruction. In addition, the counselors will work with parents, teachers, and other staff toward the benefit of all students and the school.

Red Oak Behavioral Health: Resources available to parents to discuss student growth and development through referrals to Red Oak. Red Oak Behavioral Health is a non-profit mental health agency serving the greater Akron community since 1963. BEEKEEPERS PROGRAM

BeeKeepers is a school age child care program that is owned and operated by the Brecksville-Broadview Heights City School District licensed by the Ohio Department of Education. It is designed to ensure a safe, healthy, enjoyable environment for the children while incorporating enrichment activities and the comfort of familiar surroundings. The program is paid for by the families who use the services and is of no cost to the taxpayer. Kindergartners are able to participate in the morning/afternoon program adjacent to their school days. The K-5 BeeKeepers programs use a thematic approach providing activities including indoor and outdoor play, puzzles and games, arts and crafts, and quiet areas for homework, enrichment worksheets, and reading. If the programs are not full, space is available for drop-ins. Reservations and payments must be made in advance. BeeKeepers Coordinator, Lorna Daniels (440-740-4140) BeeKeepers Fax (440-740-4104)

STUDENT FEES AND FINES

Classroom Instructional Fees for Kindergarten through grade 5 will be \$45.
Technology Fee for Kindergarten through grade 5 will be \$30.
Tuition for All Day Kindergarten will be \$2800

Charges may also be imposed for loss, damage or destruction of school apparatus, equipment, musical instruments, library materials, textbooks and for damage to school buildings or property. Students using school property and equipment can be fined for excessive wear and abuse of the property and equipment.

Fees may be waived in situations where there is financial hardship.

CAFETERIA

The Brecksville-Broadview Heights Schools Food Service Department uses a Point of Sale Program. This will allow families to pay for meals in advance. Identification is complete when students enter their confidential five-digit pin number on a keypad located at each cashier's station and their picture comes up on a screen. Students must memorize their confidential pin numbers so they can enter their code to purchase lunches or milk.

Deposits: You may send in deposits in an envelope marked "CAFETERIA." Online payments can be made as well. Students will give future payments to the cashier as they go through the lunch line. Any money not spent by the end of the year will "roll over" and be available for your child's use the following school year, as long as your child remains in our district. Amounts greater than \$10.00 will be refunded to students who leave the district. Should you need access to your child's account to verify his/her purchases, you may request a report by calling the Food Service office at 440-740-4760 or 440-740-4761.

Borrowing: It is the responsibility of the parents to provide lunch for their children while at school. In the Food Service Department an elementary student may borrow three (3) meals in succession or have borrowed up to -\$10.00 prior to being served an alternate meal. An alternative meal consists of a cheese or peanut butter and jelly sandwich, fruit, and milk. As soon as accounts go negative, Food Service Solutions, the District Food Service software accounting system will generate an email to parents' primary email address on file. This notification will allow time for parents to resolve student accounts. Households will then receive a courtesy call when balances reach above -10.00. Parents may also sign up for low account balance notices through www.myschoolaccount.com.

The overall cleanliness of the cafeteria and of individual tables is the responsibility of those who use the facility. Students are expected to dispose of their waste in the appropriate receptacles, and make sure their tables are clean.

With this in mind, the following should be observed:

- Once you choose a seat, you must stay there for that lunch period.
- Students should walk at all times
- Students should push in chairs when leaving the table.
- Please keep the noise to an appropriate level.
- Students must have permission to leave the cafeteria

PLAYGROUND AND RECESS

Recess on the playground allows time for students to expend some energy, exercise their bodies, and get fresh air and sunshine. Safety is of utmost importance. Thoughtfulness, courtesy, and common sense, along with constant supervision from the playground aides and parent volunteers prevent needless accidents. Specific playground rules are posted and reviewed with students by the classroom teachers on the first day and week of school and periodically as needed. Students who choose not to follow playground rules will have "time outs," lose playground privileges or recess, and may receive a citation.

Each child should be sent to school with the thought that outdoor activity is part of the daily program. Students are expected to participate in outdoor recess unless excused by a physician with a written note from the parent. If children need to stay in more than two days, then a note or fax from the child's doctor is required. It is imperative that warm clothing such as gloves, hats, and boots be worn during cold weather months. When the weather is inclement, recess will be held inside. Students are assembled and involved in quiet activities under the supervision of an aide and parent volunteer.

INDOOR SLIDE

As part of our continued efforts to provide a positive environment at BBHES, students will have the opportunity to ride down the indoor slide. Students will be permitted to use the slide under supervision.

STUDENT VALUABLES

Students should not bring items of value to school. Items such as jewelry, expensive clothing, electronic equipment, and the like, are tempting targets for theft and extortion. The School is not liable for any loss or damage to personal valuables. In addition, students should not bring toys from home to school. Please check your child's backpack regularly for these items.

LOST AND FOUND

All items of clothing or belongings should be clearly marked with your child's name. Lost articles are returned to the lost and found bin. Money and valuables are turned in to the teacher or supervisor when the article is found. Parents should check the lost and found periodically for their children's belongings to identify missing clothing

or items. No money or valuables should be stored in the lockers or desks. The school cannot be responsible for money or other valuables that have been lost or misplaced.

PARTIES

Four classroom parties are planned during the school year; Halloween, December holiday, Valentine's Day, and end of the year party. Room parents will request a nominal fee to cover the cost of refreshments and activities. Please inform classroom teachers of any food allergies your children have to avoid reactions to party snacks and foods.

Birthdays

Birthdays can be a special time for children, especially when they can celebrate their special day at school with classmates, teachers, and staff. Because these treats are often messy, may contain allergens (peanuts, tree nuts, gluten, dairy, etc.) and are not nutritious. We are requesting that only non-food items be shared for birthday treats with classmates such as pencils, stickers, etc. Children with summer birthdays may participate, too. Contact the classroom teacher to arrange a date for the birthday celebration. We ask that you not send invitations to parties at your home through the classroom unless you are inviting the entire class OR all of the boys OR all of the girls in the class.

SAFETY AND SECURITY

SAFETY DRILLS: The School complies with all fire safety laws and will conduct fire drills in accordance with State law. The School conducts tornado drills during the tornado season following procedures prescribed by the State. Teachers will provide specific instructions on how to proceed in the case of fire or tornado and will oversee the safe, prompt, and orderly evacuation of the building in such cases. Safety drills will be conducted once per month during the school year. Teachers will provide specific instruction on the appropriate procedures to follow in situations where students must be secured in their building rather than evacuated.

LOCKDOWN: The school practices monthly safety drills. Each class will participate in the drills following the identified procedures. Each of these drills has a specific alarm and/or PA script that is sounded to alert teachers and students of the appropriate course of action. "LOCK DOWN" It is hoped that school buildings in the district will never need to "lock down." However, if they do, plans have been developed to do so. A "lock down" in our schools is a response to an emergency situation dictated by local, regional, or federal authorities whereby no one, including students, staff or parents, will be permitted to enter or exit the school until the emergency "lock down" is canceled by authorities. In such an emergency, the patience and calmness of all adults will be necessary for the successful handling of the emergency and the well-being of all students.

SHELTER-IN-PLACE: Our shelter-in-place procedure is an emergency response to protect students and staff members from an outdoor hazardous environment. It will be used when needed to keep children safe until their parents can safely reach them at school. Parents of students requiring life-sustaining medications are asked to provide the school with a supply of appropriate medications.

SCHOOL EVACUATION: Elementary School's Safety and Security Committee has developed an evacuation plan for our school in the event that such an exercise would be necessary. Our children would have two proposed routes to evacuate along depending on the circumstances. One route would take them where school buses would pick them up for transport home. The other area is an indoor site for our evacuation. The personnel in charge during such an evacuation have access to a telephone whereby appropriate authorities could be called and parents notified.

STOPIT REPORTING HOTLINE - 1-440-381-8983

The district has a service in which parents, students, and other community members can anonymously report anything that causes them concern regarding the safety or security of the students or schools. All should feel free to discuss concerns at any time with principals. However, if you'd feel more comfortable reporting a concern anonymously, please do not hesitate. A good rule of thumb: If it pops in your mind that maybe you should call the hotline with some information—then you should! This service is to keep all our kids' safe and secure at all times.

VISITORS

Visitors are always welcome in our school. They must register upon entering the building, through Lobbyguard, and receive a visitor's badge. The badge must be worn at all times while in the building. It should be signed out through Lobbyguard at the end of the visit.

There is a district policy for visiting classrooms. The visit may be up to 30 minutes in one classroom. The teachers at each grade level alternate classroom visits. Bringing toddlers to classroom visitations is not permitted. Please call the office if you would like to make arrangements or need additional information.

SECTION II: STUDENT CONDUCT

ATTENDANCE

The educational program offered by this District is predicated upon the presence of the student and requires continuity of instruction and classroom participation. Attendance shall be required of all students enrolled in the schools during the days and hours that the school is in session.

In accordance with the statute, the Superintendent shall require, from the parent of each student of compulsory school age, a (written) statement of the cause for such absence. Brecksville-Broadview Heights City Schools reserves the right to verify such statements and to investigate the cause of each single absence or prolonged absence. The Ohio law and Board Policy consider the following factors to be reasonable excuses for time missed at school:

- Personal illness (a written) physician's statement verifying the illness may be required).
- Illness in the family necessitating the presence of the child
- Quarantine of the home
- Death in the family
- Necessary work at home due to absence or incapacity of parent(s)/guardian(s)
- Observation or celebration of a bona fide religious holiday
- Out of state travel (up to a maximum of 4 days per school year) to participate in a district approved enrichment or extracurricular activity. Any classroom assignment missed due to the absences shall be completed by the student.

A student will be considered to have excessive absences when they have missed, with or without an excuse:

- 38 or more hours in a month
- 65 or more hours in a school year.

Parents will be notified prior to these hours being reached and within 7 days after the date of reaching one of the above indicated measures. Under Ohio Statute, ODE will also be notified of a child's excessive absences.

A student will be considered to be habitually truant when he/she has missed any of the hours listed below without a legitimate excuse:

- 30 or more consecutive hours (5 days)
- 42 or more hours in a school month (7 days)
- 72 or more hours in a school year (12 days)

Parents will be notified prior to these hours being reached and within seven days after the date of reaching one of the above indicated measures. Under Ohio Statute, ODE will also be notified of a child's attendance when it meets the definition of habitually truant.

In addition, your child (in collaboration with the school and parent) may be placed on an attendance intervention plan to further address these concerns. Should the plan be ineffective, charges may be filed in juvenile court to further assist in a child's attendance at school.

Absence Procedures - If your child is absent, you must notify the school (440.740.4100) by 8:45 AM. You may leave a voicemail message at any time or send an email to bbhesattendancea@bbhcsd.org if your child will be absent for the day. If you fail to do so, we will attempt to contact you at your home or office to verify the absence. Guidelines regarding Board adopted policy states that absences will be excused for illness, death in the family, religious holidays and medical appointments. Any other absences will appear on the report card as an unexcused absence. When a student is absent from school because of a doctor appointment, an appointment slip from the doctor can be turned into the main office when your child returns to school.

Late Arrival Procedures: Students who are late to school must check in at the reception area prior to going to the classroom. Parents will be contacted regarding any concerns with excessive tardiness to school.

Early Dismissal Procedures: "Early Dismissal" involves a student leaving school (absent from school) before the end of the school day. For purposes of attendance record keeping, all instances of tardiness and early dismissal will be reflected under the "Tardiness" designation on the report card. A student with any early dismissal or tardy will not receive perfect attendance.

Planned Absence: On rare occasions, parents may find it necessary to remove children from school for a family trip. Although such trips are sometimes necessary, the school does not sanction them. If your child must be absent from school, please notify your child's teacher a week in advance. A planned absence form will be sent home. Complete the form and return it to the office. Specific classroom work and homework will not be sent home prior to a planned absence. However, general guidelines regarding what would be covered during the student's absence can be provided by the teacher. Upon your return, please meet with your child's teacher to determine the assignments that will need to be completed and when each assignment will be due.

BBHCSD STUDENT DRESS CODE/STUDENT ATTIRE

Student dress and grooming should be such that it does not detract from the educational process or have a detrimental effect on the governance and discipline of the school; therefore, students are expected to meet reasonable standards in their dress and grooming.

SEARCH AND SEIZURE

At the beginning of the school year, students will be informed that their lockers, desk, persons, and personal belongings, including, but not limited to, purse, athletic bags, and articles of clothing in the locker, are subject to search at any time and without warning. Searches will be based upon reasonable suspicion. In determining whether there is reasonable suspicion, the following factors will be taken into consideration but not limited to: the age, history and school record of the students, the prevalence and seriousness of the problems, the need to avoid delay; and the reliability of the information on which suspicion is based.

PROHIBITED ITEMS

To provide a safe environment free from disruptions to the educational process, students are encouraged not to bring the following items to school: cell phones, cameras, and other non-educational items such as laser pointers, toys and other unnecessary items. BBHES can not be held responsible for lost or stolen items. These items will be confiscated if being used and appropriate consequences will be given. If confiscated twice, parent/guardian will be asked to pick the item(s) up from school.

NETWORK ACCEPTABLE USE AND SAFETY POLICY

The Board of Education provides educational technology so students can acquire the skills and knowledge to learn effectively and live productively in a digital world. The Board of Education provides students with access to the Internet for limited educational purposes and utilizes online services to enhance the instruction delivered to its students. Board policies posted on the district website outline the use of the District's technology resources as well as students' personal communication devices when connected to the District's network or using services provided by the District. All students and parents are responsible for reading and understanding these policies. 39. Violation of Local, State or Federal Laws: Any act that would be a criminal offense when committed by an adult property (as defined by Section 2901.01 of the Ohio Revised Code) is prohibited and may subject the offender to expulsion for up to one (1) year. Violation of criminal laws will also result in referral from criminal prosecution to juvenile court.

DISCRIMINATION/HARASSMENT

The Board views harassment as a form of discrimination. Harassment is defined as intimidation by threats of or actual physical violence; the creation, by whatever means, of a climate of hostility or intimidation; or the use of language, conduct or symbols in such a manner as to be commonly understood to convey hatred, contempt or prejudice or to have the effect of insulting or stigmatizing an individual.

Employees or students who engage in discrimination/harassment of another employee or student shall be subject to disciplinary action. Permission, consent or assumption of risk by an individual subjected to discrimination/harassment does not lessen the prohibition contained in this policy.

The Board's policy on nondiscrimination will extend to students, staff, job applicants, the general public and individuals with whom it does business and will apply to race, color, or national origin, citizenship status, religion, sex, economic status, age, handicap and other human differences.

BULLYING

The Board of Education prohibits acts of harassment, intimidation, or bullying. The School District is committed to providing a safe, positive, and productive environment for all of its students. All members of the school community should be treated with dignity and respect. Bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe environment. Harassment, intimidation, or bullying of students or personnel by students, school personnel, or school volunteers is prohibited, whether in the classroom, on school property, on school buses or vehicles, at school-sponsored events, or in cyber-space. Demonstration of appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment or bullying is expected of students, administrators, faculty, staff and volunteers.

Any student or student's parent/guardian who believes s/he has been or is the victim of harassment, intimidation, or bullying should immediately report the situation to the building principal, assistant principal, or the Superintendent. The student may also report concerns to teachers and other school staff who will be responsible for notifying the appropriate administrator or Board official.

SECTION III: TRANSPORTATION

PICKING -UP DURING THE SCHOOL DAY

If a student arrives late to school or needs to be picked up during the school day, a note must be sent into school. The note must include:

1. The first and last name of the student.
2. The day and time of the absence.
3. The name of the adult designated to pick up your child if you are making that arrangement.

Enter the main entrance of the school to pick up your child during the school day. Students will not be released to adults from the classroom. All students leaving the building during school hours must be signed out and provide identification to the staff at the main entrance. If you designate another adult to pick up your child, it is essential that your note includes the name of the adult responsible. Students will not be released to unauthorized adults.

All students must have a dismissal plan on file in the office. If your child's dismissal plan changes, the office and teacher must be notified in writing or changed in the PikMyKid App. If someone other than the authorized individuals must pick up your child, the school office staff and classroom teacher must be notified in writing before 2:45 pm.

Please do not call at the end of the day except for emergencies. This is an extremely busy time of the day and messages are not always received in time to intercept a child. Plan ahead so family plans and appointments can be accommodated.

Parents dropping off their children in the morning between 8:45 AM and 9:00 AM are asked to pull around to the designated drop off area and allow students to exit on the passenger side. Parents should remain in the car at all times. Staff will be available to assist at arrival and dismissal. The speed limit in the school zone and on school property is 20 mph when the caution light is flashing. Parent cooperation is extremely important.

Students are assigned to buses by the Transportation Department according to where they live, and are expected to ride only on their assigned buses. If extraordinary circumstances require a change in a bus assignment, arrangements should be made with the Transportation Department at 740-4050.

Students should be on time at the designated school bus stops and should wait until the bus comes to a complete stop before attempting to enter. While on the bus, students should follow the posted bus rules and directions of the driver at all times. Any misconduct on the bus can cause the driver to be distracted and jeopardize the safety of the students on the bus as well as other vehicles on the road. Items, in total, brought on the bus should not be any larger than what can be placed on the lap or under the seat. (This includes projects, instruments, etc.)
