Bee Your Best

Challenge Yourself

We embrace productive discomfort and develop a habit of learning. We set goals to build on our strengths and improve our skills. We understand that hard work is necessary to achieve our goals. We choose to step up and strive to do the right thing, even when it's difficult. We will persevere through our challenges.

Failure will be the catalyst to success.

Actively Engage

It is our responsibility to be active participants and contribute to the task at hand. We need to show up, get our mind right, and put effort in all we do. Each one of us needs to engage with purpose: ask questions and actively listen. Take time to understand. *Do the work.*

Own Your Choices

We choose our attitudes, our beliefs, and our behaviors. We own our mistakes and learn from them. Our choices influence our culture; we are intentional and purposeful in our decisions and responses. *Own it.*

Always Improving

Bee One Community

Respect Differences

We are strengthened by, and value, the diversity within our community. We actively embrace differences in solving problems, achieving goals, and navigating the future. Everyone deserves respect and validation for who they are, what they do, and for the life and path they choose. *All voices matter.*

Build Relationships

Our community flourishes and grows through individual and collective contributions. The relationships we build within the community foster kindness, mutual respect, and understanding. We interact with one another with compassion and sensitivity. *We care.*

Empower Others

Our community is only as strong as each individual. Everyone has a collective responsibility to influence, mentor, lead, and be examples for one another. We seize opportunities to facilitate and encourage individuals to grow. *Make a difference for someone else.*

Stronger Together

Bee the Future

Act with Purpose

Everyone has a purpose. Our intentional actions and behaviors positively impact ourselves and others. We develop and pursue our “why” through skillful and deliberate decisions. *Live your “why.”*

Pursue your Plan

We are persistent in creating and following our plan to achieve our goals. Through this we grow beyond our abilities, expand our boundaries and maximize our potential. *Never give up.*

Live Forever Proud

We are proud Bees. We value our heritage and celebrate the successes of our community. We understand the importance of the work we do every day and take pride in the impact of our contribution. *Make your mark.*

EQUAL EDUCATION OPPORTUNITY

STEPPING STONE PHILOSOPHY

We have a variety of methods and philosophies to maximize a student's potential by working on his/her weaknesses and building on his/her strengths. As we work within our educational setting, we want to ensure, to the greatest extent possible, the student's ability to succeed in the classroom setting.

Our related services in the preschool setting work collaboratively with the classroom teachers. This collaborative effort allows for student introduction, practice and carry-over into the classroom for the skills that are helpful to succeed in the classroom setting.

CURRICULA

Includes, but are not limited to: Handwriting Without Tears and The Creative Curriculum for preschool has been adopted by the Board of Education.

STUDENT RESPONSIBILITIES

The School's rules and procedures are designed to allow students to be educated in a safe and orderly environment. All students are expected to follow staff members' directions and to obey all school rules.

Students must arrive at school on time, prepared to learn and participate. In order to keep parents informed of their child's progress in school, parents will be provided information on a regular basis and whenever concerns arise. The School may use the email, mail or kid-mail when appropriate. Parents are encouraged to build a two-way link with their child's teachers and support staff by informing the staff of suggestions or concerns that may help their child better accomplish his/her educational goals.

FAMILY ENGAGEMENT

Parents are their child's first teacher, as such we invite parent involvement throughout the school year each year. The district encourages parents involvement in the following ways:

- Beginning of the year meetings/visitation
- Parent teacher conferences – two conferences during the school year
- Classroom helper
- Room parent
- Share your special skills or interests
- Storybook parent program
- Home-School activity packets
- PSO

The Brecksville Broadview Heights School District has a growing relationship with Red Oak Behavioral Health to provide needed services to all families within the district.

SECTION 1: GENERAL INFORMATION

ENROLLMENT AND REGISTRATION

The district uses an online program called Final Forms to assemble information regarding your student(s). The system will retain information as it is entered initially and only changes need to be made. Please note that students entering into kindergarten must begin the registration process again.

Status Changes

Please update Final Forms if you have any of the following changes:

- Home phone number(s)/Cell Phone number(s)
- Home address
- Emergency contact's name, number (including area code)
- Work phone number, either or both parents and area code(s)
- Marital status
- Custody of children
- E-mail address

Withdraw Procedures

Anyone planning to move should notify the office as soon as his or her plans are definite. The student's new address and the name and address of the new school are needed. School records of the child will be mailed to the receiving school upon the written request of the parents or the new school.

STUDENT WELL BEING AND HEALTH SERVICES

Student safety is the responsibility of both students and staff. Staff members are familiar with emergency procedures such as evacuation procedures, fire and tornado drills, safety drills in the event of a terrorist or other violent attack, and accident reporting procedures. If a student is aware of any dangerous situation or accident, s/he must notify a staff person immediately.

State law requires that all students have an emergency medical authorization completed and signed by a parent or guardian on file completed through Final Forms. This should be completed through Final Forms.

Please complete the Health questionnaire information in Final Forms no later than the first day of school. Medical authorities and school educators urge that every child have a complete medical examination before entering school in order that health issues, if present, may be corrected and the child be physically ready to accept all the advantages that education has to offer.

Students with specific health care needs should deliver written notice about such needs, along with physician documentation, to the School office.

Clinic

Students feeling ill or requiring medical attention are to come to the main office with a pass from the classroom teacher/supervisor before proceeding to the clinic. For attendance purposes, students are not to report to the clinic between classes, except in extreme emergencies. Students admitted to the clinic may stay for only one period; then they must either go back to class or go home. The school secretaries or clinic health staff will make calls to parents of students who need to go home.

The Brecksville-Broadview Heights City School District does not anticipate, nor have scheduled any non-emergency, invasive physical examination or screening scheduled for the 2022-2023 District year for students. This does not include vision, hearing, and scoliosis screenings, which will be scheduled throughout the year. (BOE Policy 5310)

School Health

Ohio law requires that preschool students have the following documents on file

1. **Annual Physical Examination:** Provided to the school within 30 days of admission into the program. Exam performed within the past 13 months. The date of the exam must be on the form **Include:** height, weight, and dental status and referrals made Tuberculosis Assessment: Risk Survey Results or TB skin test results Lab/Blood Work: Blood lead and hemoglobin values if ordered by the provider
2. **Immunizations** Immunization record provided to the school prior to attendance/admission. Must be up-to-date for their age

4. **Oral Assessment** If your child's physician does not do a dental screening or refers your child to a dentist, please have the dentist complete the Oral Assessment form.
5. **Eye Specialist Evaluation** Students qualifying for preschool services due to special needs are required to have an evaluation by a vision professional (ORC 3323.19). This is a one-time evaluation, unless follow-up treatment is recommended. Provide an eye exam form if complete within 6 months of admission.

If you do not have health insurance coverage or need assistance in any way to obtain the services for the requirements listed above, please contact the School Nurse for assistance. Lisa Witzke, BSN, RN 440-740-4706.

Medications taken at school

All medications should be given to students at home when possible. Medications ordered three times a day should be given before school, after school, and bedtime. If it is necessary for a student to take medication during the school day, the following requirements **must be met** to insure our students' safety:

- Any medication must come to school in its original container with the child's name on it. Pharmacies may be asked to divide prescriptions into two bottles.
- Parents are to bring medications to the school office. Students may not carry medication on the bus.
- Complete written instructions must be given to the principal or his/her designee with the parent's written permission and signature. Forms are available in the office/clinic or on line at www.bbhcsc.org/health. There are separate forms for prescription and non-prescription medications. There are also forms for epipens and inhalers, which the students may carry with them once the forms are completed and on file in the clinic. Prescription forms should be taken to your child's physician and returned with the medication.
- Prescription medication must be accompanied by the physician's instructions, side effects that should be reported, along with their signature and phone number.
- The first dose of a new medication must not be administered at school in case of an allergic reaction.
- New requests for medication must be submitted at the beginning of each new school year or as medical needs arise. Both the physician and parent must complete new forms unless it is for non-prescription medications.

Parents must pick up unused medication. Medications will be disposed of 30 days after they are discontinued. These practices ensure that medication is given safely at school. Please call the office if you have any questions.

Injuries

Minor injuries, such as skinned knees, will be treated in the clinic, but anything requiring treatment other than first aid is not permitted to be administered by school personnel. Parents will be notified when there is doubt about the seriousness of an injury or when injuries are considered more than minor.

Head and Face Injury

- If a student receives ANY bump etc. to the head or face area he/she/needs to come to the clinic to be assessed, no matter how small.
- If NO signs/symptoms of concussion are present (dizziness/general headache/ nausea/ confusion/ incoordination/dilated pupils etc.), students may have ice and return to class.
- If there ARE signs/symptoms of concussion present (dizziness/general headache/ nausea/ confusion/ incoordination/dilated pupils etc.), keep the student at least 15 minutes with ice. If concerns/symptoms

do not go away, ask parents to take the student to see a primary care doctor (does not necessarily need to go to the emergency room).

- Parents will be notified of a head/face injury.
- Students going back to class will have:
 - Note to the teacher regarding the head injury including the time the student left the clinic and time to come back to be re-checked in one hour.
 - Head injury note to go home.

Illness and Fevers

A child who complains of nausea, headaches or poor health will have his/her temperature taken in the clinic. If the child has a fever, the parent will be called to take the child home. If there is not an apparent temperature, the child will rest in the clinic for a while to see if his/her condition improves. If it does not, the parent will be called to take the child home. Students sent home with fevers must be **"fever free" for 24 hours** before returning to school. Students who are vomiting or those with diarrhea must also stay home for at least 24 hours for the health and protection of all students and staff.

STUDENT FEES AND FINES

Stepping Stone Preschool Supply Fee will be \$30

Stepping Stone Preschool Peer Model Fee will be \$1500 (\$375 Quarterly)

Charges may also be imposed for loss, damage or destruction of school apparatus, equipment, musical instruments, library materials, textbooks and for damage to school buildings or property. Students using school property and equipment can be fined for excessive wear and abuse of the property and equipment.

Fees may be waived in situations where there is financial hardship.

STUDENT VALUABLES

Students should not bring items of value to school. Items such as jewelry, expensive clothing, electronic equipment, and the like, are tempting targets for theft and extortion. The School is not liable for any loss or damage to personal valuables. In addition, students should not bring toys from home to school.

PARTIES

Classroom parties are planned during the school year; Halloween, December holiday, Valentine's Day, and end of the year party. Room parents will request a nominal fee to cover the cost of refreshments and activities. Please inform classroom teachers of any food allergies your children have to avoid reactions to party snacks and foods.

Birthdays

Birthdays can be a special time for children, especially when they can celebrate their special day at school with classmates, teachers, and staff. Because these treats are often messy, may contain allergens (peanuts, tree nuts, gluten, dairy, etc.) and are not nutritious. We are requesting that only non-food items be shared for birthday treats with classmates. Children with summer birthdays may participate, too. Contact the classroom teacher to arrange a date for the birthday celebration. We ask that you not send invitations to parties at your home through the classroom unless you are inviting the entire class OR all of the boys OR all of the girls in the class.

THERAPY DOG

Notify your child's teacher if your child has a fear of dogs or an allergy to them. This information is also collected in Final Forms. Please update this information as needed.

FIRE, TORNADO, AND SAFETY DRILLS

The School complies with all fire safety laws and will conduct fire drills in accordance with State law. The School conducts tornado drills during the tornado season following procedures prescribed by the State. Teachers will provide specific instructions on how to proceed in the case of fire or tornado and will oversee the safe, prompt, and orderly evacuation of the building in such cases.

Safety drills will be conducted once per month during the school year. Teachers will provide specific instruction on the appropriate procedures to follow in situations where students must be secured in their building rather than evacuated. These situations can include a terrorist threat, a person in possession of a deadly weapon on school property, or other acts of violence.

VISITORS

Visitors, particularly parents, are welcome at the Preschool. Visitors must check in at the LobbyGuard Kiosk prior to entering the preschool building. Any visitor found in the building without signing in shall be reported to the Principal. If a person wishes to confer with a member of the staff, s/he should call for an appointment prior to coming to the School in order to schedule a mutually convenient meeting time. Students may not bring visitors to school without prior written permission from the Principal.

Based on those discussions, you'll develop a transition plan and prepare for the change in programs when your child turns 3.
