

ANNUAL APPROPRIATIONS MEASURE CERTIFICATE  
Brecksville-Broadview Heights  
2022

IT IS HEREBY CERTIFIED by the undersigned that the Brecksville-Broadview Heights has in effect the authorization to levy taxes which, when combined with the estimated revenue from all other sources available to the District at the time of this certification, are sufficient to provide the operating revenues necessary to enable the District to maintain all personnel and programs for all the days set forth in its adopted school calendar for the fiscal year in which the attached appropriation measure is effective (or, if the Board of Education of the District has not adopted a school calendar for the school year beginning on the first day of the fiscal year in which this Certificate is required, the number of days on which instruction was held in the preceding fiscal year), not considering the renewal or replacement of an existing levy as the authority to levy taxes that are subject to appropriation in the current fiscal year unless the renewal or replacement levy has been approved by the electors of the School District and is subject to appropriation in the current fiscal year.

This Certificate is given in compliance with Section 5705.412 of the Revised Code.

IT IS ALSO HERBY CERTIFIED that the amount of the annual appropriations measure attached hereto, together with all other appropriations measures in effect for the current fiscal year (ending July 1, 2021), is \$93,796,440.87; that such aggregate amount does not exceed the amount authorized by the most recent Official Certificate of Estimated Resources or Amended Certificate issued by the most recent county budget commission pursuant to Section 5705.36, O.R.C.
