

BRECKSVILLE-BROADVIEW HEIGHTS CITY SCHOOL DISTRICT
JOB DESCRIPTION

Title: **BOARD OF EDUCATION MEMBER** **Ref. File 1**

Reports to: State government and school district residents.

Job Objective: Exercises responsible civic leadership and commitment to the school district's mission.

Qualifications: Meets prerequisite legislative qualifications to be elected or appointed to the board of education.

- Essential Functions:**
- 1. Performs statutory and discretionary board duties. Establishes policies that support the development, delivery, and improvement of quality educational programs.**
 - Advances governance as the board's primary duty. Actively participates in board and committee meetings. Provides advanced notice when an absence cannot be avoided.
 - Develops a planning process that supports effective interactions and real-world problem-solving approaches for vested parties with divergent points of view.
 - Collaboratively employs a superintendent and treasurer to manage district operations.
 - Supports the district's chain of command. Assumes oversight responsibility for the results of duties delegated to the superintendent and treasurer.
 - Exercises board authority only during legally convened meetings. Abides by majority decisions.
 - Establishes, interprets, reviews, updates and authorizes board policies.
 - Contributes to the development of a comprehensive district-wide strategic plan.
 - Advocates for students. Supports access to inclusive educational opportunities for all students.
 - Adopts operating and capital budgets that enable the school district to implement board directives.
 - Monitors fiscal management to help ensure the judicious use of district resources.
 - Approves employment contract terms and compensation packages.
 - Implements assessment programs to measure the performance of the superintendent and treasurer before board action to renew or non-renew contracts.
 - 2. Diligently attends to job details. Pursues quality results. Performs all aspects of the job.**
 - Collaboratively develops effective solutions for work-related concerns.
 - Maintains respectful relationships with co-workers and supports a cohesive team effort.
 - Wears work attire appropriate for the position.
 - Respects privacy. Ensures the veracity and security of confidential information.
 - Sustains an acceptable attendance record. Consistently complies with established work schedules.
 - 3. Maintains open/effective communications. Serves as a reliable information resource.**
 - Encourages relationships that enhance public support for the district.
 - Refers administrative procedure and district policy questions to an appropriate administrator.
 - Supports equality, diversity, and inclusion. Uses tact and diplomacy to resolve differences fairly.
 - Works with the superintendent and treasurer to ensure district resources are used effectively.
 - 4. Pursues opportunities to enhance job knowledge and skill proficiency.**
 - Participates in board governance training and educational leadership conferences.
 - 5. Keeps current with emergency preparedness and response procedures.**
 - Complies with health and safety protocols to mitigate workplace risks.
 - Protects district property. Takes precautions to prevent the loss of equipment and supplies.
 - Takes action to address harassment or aggressive behavior. Complies with all legal statutes when dealing with discrimination, inappropriate behavior, or suspected child abuse/neglect.
 - 6. Performs other specific job-related duties as directed by the board president.**
 - Implements district strategies to advance organizational goals.

This summary document describes typical job functions and does not represent an exhaustive list of all possible work responsibilities.

Formulates policy recommendations. · Develops annual budget/appropriation measures aligned with district goals. · Administers district operations. Establishes broad partnerships that promote strong support for collaborative planning processes among vested parties with divergent points of view. · Provides administrative direction to ensure orderly program activities (e.g., building access, custodial, instructional resources, office support, parking, security, etc.). · Requisitions equipment, supplies, and services appropriate for the purposes/needs of the district. · Ensures district compliance with all accreditation, contractual, legal, and regulatory requirements. · Actively supervises and evaluates employees. Cultivates staff leadership skills. · Facilitates collaborative planning of administrative meetings. Directs special project committees. · Implements a comprehensive assessment system that enables staff to use timely tangible data to make informed decisions that support teaching and student learning improvements. · Advocates for students. Supports access to inclusive educational opportunities for all students. · Administers the student code of conduct. · Maintains effective document and records management systems. Prepares timely files. Monitors reporting deadlines. Complies with district records retention and disposal policies. · Analyzes key program performance indicators. Uses a data-driven planning process to optimize budget allocations aligned with strategic district goals. 2. Diligently attends to job details. Pursues quality results. Performs all aspects of the job. · Maintains respectful relationships with co-workers and supports a cohesive team effort. · Wears work attire appropriate for the position. · Respects privacy. Ensures the veracity and security of confidential information. · Sustains an acceptable attendance record. Consistently complies with established work schedules. 3. Maintains open/effective communications. Serves as a reliable information resource. · Encourages relationships that enhance public support for the district. · Helps the community understand district policy objectives and administrative procedures. · Supports equality, diversity, and inclusion. Uses tact and diplomacy to resolve differences fairly.	

4. Pursues opportunities to enhance job knowledge and skill proficiency.

- Keeps current with standards and practices associated with work duties.
- Updates skills as needed to use task-appropriate technology effectively.

5. Develops and implements a comprehensive emergency management plan.

- Protects district property. Takes precautions to prevent the loss of equipment and supplies.
- Takes action to address harassment or aggressive behavior. Complies with all legal statutes when dealing with discrimination, inappropriate behavior, or suspected child abuse/neglect.

6. Performs other specific job-related duties as directed by the board of education.

- Implements district strategies to advance organizational goals.

Performance Evaluation:

Employee performance is evaluated according to applicable law, board policies, contractual agreements, and district administrative procedures.

Working Conditions:

The district offers equal employment opportunity without regard to age, color, disability, genetic information, military status, national origin, race, religion, sex (including gender identity, pregnancy, and sexual orientation), or any other legally protected category.

The district maintains a drug and alcohol-free work environment to prevent the adverse impact of substance abuse on employee performance and, to protect the rights of co-workers and the public.

Safety is essential to job performance. All employees are required to comply with workplace health/safety regulations and district policies **when duties entail any of the following situations:**

Encounters with aggressive, angry, rude, or unpleasant individuals.

Exposure to air-borne particulates, chemicals, combustible materials, electrical hazards, loud noises, moving mechanical parts, odors, slippery/uneven surfaces, etc.

Exposure to blood-borne pathogens or contagious diseases.

Exposure to severe weather conditions or temperature extremes.

Movements that require balancing, bending, climbing, crouching, kneeling, or reaching.

Operating or riding in a vehicle. Working in or near vehicular traffic.

Performing tasks that require dexterity, multifaceted sequences, physical strength, or stamina.

Traveling to meetings and work assignments.

Working at heights, in confined spaces, or under diminished/variable lighting.

This job description document does not establish a contract or alter board-authorized employment agreements. Employee benefits, classifications, contract durations, skill sets, wage rates, and work schedules may vary by assignment. This summary document describes typical job functions and does not represent an exhaustive list of all possible work responsibilities.

Employee duties may change in response to collective bargaining agreements, funding variables, modified operating procedures, program/service adjustments, regulatory compliance, technological innovations, and unforeseen events.

- Available to work a non-traditional schedule and irregular hours when needed.
- Demonstrated leadership abilities and a willingness to take on challenging tasks.
- Embraces high-performance standards (e.g., engagement, proficiency, resilience, etc.).
- Maintains a record free of criminal violations that prohibit public school employment.
- **Contract may require:** Ohio Teacher Evaluation System (OTES 2.0) and Ohio School Counselor Evaluation System (OSCES) credentialed evaluator status.

Preferred Attributes: Active listening, creative problem solving, and good time management skills.

Physical Demand Level¹: Sedentary to light strength (occasionally lifting/carrying 11+ lbs.). Duties require communicating verbally, far/near visual acuity, fine/gross manipulation, reaching at or below shoulder height, standing/walking, and using a traditional keyboard.

¹ Based on U.S. Department of Labor documentation of physical demand characteristics.

Note: Legally acceptable alternative qualifications, additional assignment-specific skills, and other physical demands deemed appropriate by the board may be delineated at the time of appointment.

Essential Functions:

1. Manages effective school operations. Provides for a clean, orderly, responsive, safe, and supportive learning environment. Implements innovative programming.

- Provides leadership for the advancement of best practices and academic standards. Implements initiatives that support continuous improvement in student participation and achievement.
- Serves as an active member of the administrative team and adviser to the superintendent.
- Manages program compliance with accreditation, contractual, legal, and regulatory requirements.
- Actively supervises and evaluates assigned personnel. Cultivates staff leadership skills.
- Works with staff to develop standards-based curriculum guides and high-quality courses of study.
- Provides high-quality staff development programs to improve pupil management and instructional skills (e.g., coaching, communities of practice, consultation, mentoring, etc.).
- Facilitates collaborative planning for staff meetings. Directs special project committees.
- Provides administrative direction to ensure orderly program activities (e.g., building access, custodial, instructional resources, office support, parking, security, etc.).
- Prepares a master schedule (e.g., program calendar, room assignments, staffing, etc.).
- Supports diverse extracurricular program opportunities for all students.
- Manages the revision/distribution of student-parent and teacher handbooks.
- Oversees enrollment/withdrawal procedures and the management of student files.
- Helps students develop educational goals that are attainable, measurable, relevant, and specific.
- Guides staff in the use of assessment strategies to gauge student progress. Identifies performance gaps and trends. Helps prioritize core performance objectives. Helps staff identify specific techniques, interventions, and aligned resources best suited for each student.
- Advocates for students. Supports access to inclusive educational opportunities for all students.
- Uses positive behavioral interventions and supports to maintain discipline. Helps students acquire appropriate functional skills (e.g., communication, self-regulation, socialization, etc.).
- Maintains effective document and records management systems. Prepares timely files. Monitors reporting deadlines. Complies with district records retention and disposal policies.
- Manages mandated testing programs. Maintains test security. Helps analyze test results.
- Analyzes key program performance indicators to align budget proposals with strategic district goals.

2. Diligently attends to job details. Pursues quality results. Performs all aspects of the job.

- Maintains respectful relationships with co-workers and supports a cohesive team effort.
- Wears work attire appropriate for the position.
- Respects privacy. Ensures the veracity and security of confidential information.
- Sustains an acceptable attendance record. Consistently complies with established work schedules.

3. Maintains open/effective communications. Serves as a reliable information resource.

- Encourages relationships that enhance public support for the district.
- Helps the community understand district policy objectives and administrative procedures.
- Supports equality, diversity, and inclusion. Uses tact and diplomacy to resolve differences fairly.

4. Pursues opportunities to enhance job knowledge and skill proficiency.

- Keeps current with standards and practices associated with work duties.
- Updates skills as needed to use task-appropriate technology effectively.

5. Keeps current with emergency preparedness and response procedures.

- Complies with health and safety protocols to mitigate workplace risks.
- Protects district property. Takes precautions to prevent the loss of equipment and supplies.
- Takes action to address harassment or aggressive behavior. Complies with all legal statutes when dealing with discrimination, inappropriate behavior, or suspected child abuse/neglect.

6. Performs other specific job-related duties as directed.

- Implements district strategies to advance organizational goals.

Performance Evaluation:

Employee performance is evaluated according to applicable law, board policies, contractual agreements, and district administrative procedures.

Working Conditions:

The district offers equal employment opportunity without regard to age, color, disability, genetic information, military status, national origin, race, religion, sex (including gender identity, pregnancy, and sexual orientation), or any other legally protected category.

The district maintains a drug and alcohol-free work environment to prevent the adverse impact of substance abuse on employee performance and, to protect the rights of co-workers and the public.

Safety is essential to job performance. All employees are required to comply with workplace health/safety regulations and district policies **when duties entail any of the following situations:**

Encounters with aggressive, angry, rude, or unpleasant individuals.

Exposure to air-borne particulates, chemicals, combustible materials, electrical hazards, loud noises, moving mechanical parts, odors, slippery/uneven surfaces, etc.

Exposure to blood-borne pathogens or contagious diseases.

Exposure to severe weather conditions or temperature extremes.

Movements that require balancing, bending, climbing, crouching, kneeling, or reaching.

Operating or riding in a vehicle. Working in or near vehicular traffic.

Performing tasks that require complex sequencing, dexterity, strength, stamina, etc.

Traveling to meetings and work assignments.

Working at heights, in confined spaces, or under diminished/variable lighting.

This job description document does not establish a contract or alter board-authorized employment agreements. Employee benefits, classifications, contract durations, skill sets, wage rates, and work schedules may vary by assignment. This summary document describes typical job functions and does not represent an exhaustive list of all possible work responsibilities.

Employee duties may change in response to collective bargaining agreements, funding variables, modified operating procedures, program/service adjustments, regulatory compliance, technological innovations, and unforeseen events.

BRECKSVILLE-BROADVIEW HEIGHTS CITY SCHOOL DISTRICT

BRECKSVILLE-BROADVIEW HEIGHTS CITY SCHOOL DISTRICT
JOB DESCRIPTION

Title:	TECHNOLOGY HARDWARE/NETWORK ADMINISTRATOR	File 111
Reports to:	Assigned administrator/supervisor	
Job Objective:	Manages computer networks, data, and telecommunication systems.	
Minimum Qualifications:	· Bachelor's degree or equivalent training and relevant work experience in a technology-related field that meets district and Ohio Department of Education requirements. Comprehensive knowledge of technology applications and best practices in a K-12 academic environment. · Ability to develop and implement clear pathways to successfully achieve program objectives. · Ability to troubleshoot and maintain state-of-the-art technology equipment. · Acts according to the Licensure Code of Professional Conduct for Ohio Educators. · Demonstrated leadership abilities and a willingness to take on challenging tasks. · Embraces high-performance standards (e.g., engagement, proficiency, resilience, etc.). · Maintains a record free of criminal violations that prohibit public school employment. Preferred Attributes: Active listening, creative problem solving, and good time management skills. Physical Demand Level¹: Light to medium strength (frequently lifting/carrying 11 to 25 lbs.). Duties require communicating verbally, crouching, far/near visual acuity, fine/gross manipulation, reaching at or below shoulder height, standing, stooping, standing, and using a traditional keyboard. ¹ Based on U.S. Department of Labor documentation of physical demand characteristics. Note: Legally acceptable alternative qualifications, additional assignment-specific skills, and other physical demands deemed appropriate by the board may be delineated at the time of appointment.	
Essential Functions:	1. Manages technology hardware and day-to-day network operations. Plans, installs, optimizes, and supports computer systems that include local area networks (LANs), wide area networks (WANs), network segments, intranets, data communication systems, and telecommunication services. · Serves as an active member of the administrative team and adviser to the superintendent. Helps prepare the technology component of the district's comprehensive strategic plan. · Manages program compliance with accreditation, contractual, legal, and regulatory requirements. · Actively supervises and evaluates assigned personnel. Cultivates staff leadership skills. · Participates in district technology resource audits. Helps maintain an inventory database. · Requisitions supplies. Investigates products, services, and costs (e.g., on-time delivery, order fulfillment accuracy, quality standards, technical support, etc.). Negotiates volume discounts/long-term contracts. Maintains procurement records. · Explores cloud-based and out-sources service contracts. Recommends advantageous contracts. · Uses technical and physical skills in capacity planning, hardware/software support, inspection, installation, configuring, compatibility testing, operation, repair, security, system backup, traffic monitoring, upgrading, and user-training for computer and networks/data systems. · Designs and upgrades wired/wireless networks. Oversees the installation/maintenance of network connections (e.g., servers, hubs, routers, voice/data switches, video feeds, wiring, etc.). · Maintains an effective configuration management system. Sets up local/wide area networks, terminal services, Wi-Fi networks, and file servers (e.g., users, space allocations, backups, etc.). · Prepares support documentation (e.g., date installed, equipment serial numbers, location, maintenance agreements, service records, upgrades, warranties, wiring schematics, etc.). · Plans and implements disaster recovery and business continuity procedures. · Develops guidelines that promote the safe and responsible use of technology resources. Troubleshoots and resolves basic software, hardware, and connectivity problems. · Helps end-users improve proficiency with technology resources. · Provides application-specific support (e.g., databases, file retrieval/recovery, mailing lists, password modifications, spreadsheets, system backup procedures, word processing, etc.). · Upholds user policies/privileges. Disables accounts/associated files as needed to ensure security. · Maintains effective document and records management systems. Prepares timely files. Monitors reporting deadlines. Complies with district records retention and disposal policies. · Analyzes key program performance indicators to align budget proposals with strategic district goals.	

2. Diligently attends to job details. Pursues quality results. Performs all aspects of the job.

- Maintains respectful relationships with co-workers and supports a cohesive team effort.
- Wears work attire appropriate for the position.
- Respects privacy. Ensures the veracity and security of confidential information.
- Sustains an acceptable attendance record. Consistently complies with established work schedules.

3. Maintains open/effective communications. Serves as a reliable information resource.

- Encourages relationships that enhance public support for the district.
- Helps the community understand district policy objectives and administrative procedures.
- Supports equality, diversity, and inclusion. Uses tact and diplomacy to resolve differences fairly.

4. Pursues opportunities to enhance job knowledge and skill proficiency.

- Keeps current with standards and practices associated with work duties.
- Updates skills as needed to use task-appropriate technology effectively.

5. Keeps current with emergency preparedness and response procedures.

- Complies with health and safety protocols to mitigate workplace risks.
- Protects district property. Takes precautions to prevent the loss of equipment and supplies.
- Takes action to address harassment or aggressive behavior. Complies with all legal statutes when dealing with discrimination, inappropriate behavior, or suspected child abuse/neglect.

6. Performs other specific job-related duties as directed.

- Implements district strategies to advance organizational goals.

The district offers equal employment opportunity without regard to age, color, disability, genetic information, military status, national origin, race, religion, sex (including gender identity, pregnancy, and sexual orientation), or any other legally protected category.

The district maintains a drug and alcohol-free work environment to prevent the adverse impact of substance abuse on employee performance and, to protect the rights of co-workers and the public.

Safety is essential to job performance. All employees are required to comply with workplace health/safety regulations and district policies **when duties entail any of the following situations:**

Encounters with aggressive, angry, rude, or unpleasant individuals.

Exposure to air-borne particulates, chemicals, combustible materials, electrical hazards, loud noises, moving mechanical parts, odors, slippery/uneven surfaces, etc.

Exposure to blood-borne pathogens or contagious diseases.

Exposure to severe weather conditions or temperature extremes.

Movements that require balancing, bending, climbing, crouching, kneeling, or reaching.

Operating or riding in a vehicle. Working in or near vehicular traffic.

Performing tasks that require complex sequencing, dexterity, strength, stamina, etc.

Traveling to meetings and work assignments.

Working at heights, in confined spaces, or under diminished/variable lighting.

This job description document does not establish a contract or alter board-authorized employment agreements. Employee benefits, classifications, contract durations, skill sets, wage rates, and work schedules may vary by assignment. This summary document describes typical job functions and does not represent an exhaustive list of all possible work responsibilities.

Employee duties may change in response to collective bargaining agreements, funding variables, modified operating procedures, program/service adjustments, regulatory compliance, technological innovations, and unforeseen events.

BRECKSVILLE-BROADVIEW HEIGHTS CITY SCHOOL DISTRICT
JOB DESCRIPTION

Title: **ADMINISTRATIVE ASSISTANT TO THE SUPERINTENDENT**

File 204

Reports to: Superintendent

Job Objective: Serves as a confidential secretary to the superintendent.

Minimum · High school diploma or GED. A business administration certificate is desirable.

- Protects district property. Takes precautions to prevent the loss of equipment and supplies.
- Takes action to address harassment or aggressive behavior. Complies with all legal statutes when dealing with discrimination, inappropriate behavior, or suspected child abuse/neglect.

6. Performs other specific job-related duties as directed.

- Helps implement district strategies to advance organizational goals.

Performance Evaluation:

Employee performance is evaluated according to applicable law, board policies, contractual agreements, and district administrative procedures.

Working Conditions:

The district offers equal employment opportunity without regard to age, color, disability, genetic information, military status, national origin, race, religion, sex (including gender identity, pregnancy, and sexual orientation), or any other legally protected category.

The district maintains a drug and alcohol-free work environment to prevent the adverse impact of substance abuse on employee performance and, to protect the rights of co-workers and the public.

Safety is essential to job performance. All employees are required to comply with workplace health/safety regulations and district policies **when duties entail any of the following situations:**

Encounters with aggressive, angry, rude, or unpleasant individuals.

Exposure to air-borne particulates, chemicals, combustible materials, electrical hazards, loud noises, moving mechanical parts, odors, slippery/uneven surfaces, etc.

Exposure to blood-borne pathogens or contagious diseases.

Exposure to severe weather conditions or temperature extremes.

Movements that require balancing, bending, climbing, crouching, kneeling, or reaching.

Operating or riding in a vehicle. Working in or near vehicular traffic.

Performing tasks that require complex sequencing, dexterity, strength, stamina, etc.

Traveling to meetings and work assignments.

Working at heights, in confined spaces, or under diminished/variable lighting.

This job description document does not establish a contract or alter board-authorized employment agreements. Employee benefits, classifications, contract durations, skill sets, wage rates, and work schedules may vary by assignment. This summary document describes typical job functions and does not represent an exhaustive list of all possible work responsibilities.

Employee duties may change in response to collective bargaining agreements, funding variables, modified operating procedures, program/service adjustments, regulatory compliance, technological innovations, and unforeseen events.

BRECKSVILLE-BROADVIEW HEIGHTS CITY SCHOOL DISTRICT
JOB DESCRIPTION

Title: **GIFTED PROGRAM COORDINATOR**

File 301

Reports to: Assigned administrator/supervisor

Job Objective: Serves as the instructional leader of the Gifted Program.

Minimum Qualifications:

- Holds/maintains required Ohio Department of Education credentials.
- Ability to develop and implement clear pathways to successfully achieve program objectives.
- Acts according to the Licensure Code of Professional Conduct for Ohio Educators.
- Comprehensive knowledge of identification criteria, characteristics, and educational needs of gifted students. Displays highly developed test interpretation skills.
- Demonstrated leadership abilities and a willingness to take on challenging tasks.
- Embraces high-performance standards (e.g., engagement, proficiency, resilience, etc.).
- Maintains a record free of criminal violations that prohibit public school employment.

Preferred Attributes: Active listening, creative problem solving, and good time management skills.

 - Guides staff in the use of assessment strategies to gauge student progress. Identifies performance gaps and trends. Helps prioritize core performance objectives. Helps staff identify specific techniques, interventions, and aligned resources best suited for each student.
 - Advocates for students. Supports access to inclusive educational opportunities for all students.
 - Uses positive behavioral interventions and supports to maintain discipline. Helps students acquire appropriate functional skills (e.g., communication, self-regulation, socialization, etc.).
 - Maintains effective document and records management systems. Prepares timely files. Monitors reporting deadlines. Complies with district records retention and disposal policies.
 - Helps manage mandated testing programs. Maintains test security. Helps analyze test results.
- 2. Diligently attends to job details. Pursues quality results. Performs all aspects of the job.**
 - Maintains respectful relationships with co-workers and supports a cohesive team effort.
 - Wears work attire appropriate for the position.
 - Respects privacy. Ensures the veracity and security of confidential information.
 - Sustains an acceptable attendance record. Consistently complies with established work schedules.
- 3. Maintains open/effective communications. Serves as a reliable information resource.**
 - Encourages relationships that enhance public support for the district.
 - Refers administrative procedure and district policy questions to an appropriate administrator.
 - Supports equality, diversity, and inclusion. Uses tact and diplomacy to resolve differences fairly.
- 4. Pursues opportunities to enhance job knowledge and skill proficiency.**
 - Keeps current with standards and practices associated with work duties.
 - Updates skills as needed to use task-appropriate technology effectively.

5. Keeps current with emergency preparedness and response procedures.

- Complies with health and safety protocols to mitigate workplace risks.
- Protects district property. Takes precautions to prevent the loss of equipment and supplies.
- Takes action to address harassment or aggressive behavior. Complies with all legal statutes when dealing with discrimination, inappropriate behavior, or suspected child abuse/neglect.

6. Performs other specific job-related duties as directed.

- Helps implement district strategies to advance organizational goals.

Performance Evaluation:

Employee performance is evaluated according to applicable law, board policies, contractual agreements, and district administrative procedures.

Working Conditions:

The district offers equal employment opportunity without regard to age, color, disability, genetic information, military status, national origin, race, religion, sex (including gender identity, pregnancy, and sexual orientation), or any other legally protected category.

The district maintains a drug and alcohol-free work environment to prevent the adverse impact of substance abuse on employee performance and, to protect the rights of co-workers and the public.

Safety is essential to job performance. All employees are required to comply with workplace health/safety regulations and district policies **when duties entail any of the following situations:**

Encounters with aggressive, angry, rude, or unpleasant individuals.

Exposure to air-borne particulates, chemicals, combustible materials, electrical hazards, loud noises, moving mechanical parts, odors, slippery/uneven surfaces, etc.

Exposure to blood-borne pathogens or contagious diseases.

Exposure to severe weather conditions or temperature extremes.

Movements that require balancing, bending, climbing, crouching, kneeling, or reaching.

Operating or riding in a vehicle. Working in or near vehicular traffic.

Performing tasks that require complex sequencing, dexterity, strength, stamina, etc.

Traveling to meetings and work assignments.

Working at heights, in confined spaces, or under diminished/variable lighting.

This job description document does not establish a contract or alter board-authorized employment agreements. Employee benefits, classifications, contract durations, skill sets, wage rates, and work schedules may vary by assignment. This summary document describes typical job functions and does not represent an exhaustive list of all possible work responsibilities.

Employee duties may change in response to collective bargaining agreements, funding variables, modified operating procedures, program/service adjustments, regulatory compliance, technological innovations, and unforeseen events.

BRECKSVILLE-BROADVIEW HEIGHTS CITY SCHOOL DISTRICT
JOB DESCRIPTION

Title: **ELEMENTARY SCHOOL COUNSELOR**

File 307

Reports to: Assigned administrator/supervisor

Job Objective: Plans and implements a comprehensive developmental school counseling program.

Minimum Qualifications:

- Holds/maintains required Ohio Department of Education credentials.
- Acts according to the Licensure Code of Professional Conduct for Ohio Educators.
- Embraces high-performance standards (e.g., engagement, proficiency, resilience, etc.).
- Maintains a record free of criminal violations that prohibit public school employment.

Preferred Attributes: Active listening, creative problem solving, and good time management skills.

Physical Demand Level¹: Sedentary strength (seldom lifting/carrying more than 11 lbs.). Duties require communicating verbally, far/near visual acuity, fine/gross manipulation, reaching at or below shoulder height, standing/walking, and using a traditional keyboard.

¹ Based on U.S. Department of Labor documentation of physical demand characteristics.

Note: Legally acceptable alternative qualifications, additional assignment-specific skills, and other physical demands deemed appropriate by the board may be delineated at the time of appointment.

Essential Functions:

- 1. Provides student counseling services that enhance decision-making skills that support academic and social/emotional growth. Facilitates transitional planning activities.**
 - Supports student competence/confidence as learners and social-emotional skill development.
 - Implements structured student core ethical values education.
 - Helps students understand the interrelationships between citizenship, school, work, and family life.
 - Monitors students struggling with academic, behavioral, and/or social-emotional concerns.
 - Serves as a member of the district crisis management response team.
 - Provides individual and small group short-term goal-focused counseling.
 - Helps develop strategies to improve at-risk student attendance and active participation.
 - Participates in a differentiated referral system (i.e., informal intervention process) that allows staff/parents to request a consultation and/or student evaluation. Prepares 504 plans.
 - Helps families and staff understand how intervention services support the educational program.
 - Helps students develop educational goals that are attainable, measurable, relevant, and specific.
 - Participates in team meetings. Uses comprehensive assessments to obtain objective student data. Plans services relevant to needs. Supports student access to inclusive educational opportunities.
 - Uses positive behavioral interventions and supports to maintain discipline. Helps students acquire appropriate functional skills (e.g., communication, self-regulation, socialization, etc.).
 - Encourages student creativity, critical thinking, cultural awareness, democratic values, empathy, ethical behavior, and self-reliance.
 - Periodically reviews medical alerts or emergency authorization forms when applicable (i.e. field trips, supplemental program activities, etc.).
 - Maintains effective document and records management systems. Prepares timely files. Monitors reporting deadlines. Complies with district records retention and disposal policies.
 - Helps manage mandated testing programs. Maintains test security. Helps analyze test results.
- 2. Diligently attends to job details. Pursues quality results. Performs all aspects of the job.**

- Maintains a record free of criminal violations that prohibit public school employment.

Preferred Attributes: Active listening, creative problem solving, and good time management skills.

Physical Demand Level¹: Sedentary strength (seldom lifting/carrying more than 11 lbs.). Duties require communicating verbally, far/near visual acuity, fine/gross manipulation, reaching at or below shoulder height, standing/walking, and using a traditional keyboard.

¹ Based on U.S. Department of Labor documentation of physical demand characteristics.

Note: Legally acceptable alternative qualifications, additional assignment-specific skills, and other physical demands deemed appropriate by the board may be delineated at the time of appointment.

Essential Functions:

- 1. Coordinates the implementation of special education programs. Acts as a catalyst to help staff use best practices in lesson design and classroom delivery.**
 - Keeps current with educational research, state standards/guideline, and school improvement priorities (e.g., curriculum alignment, data-driven continuous improvement plans, effective school management, evidence-based teaching/learning practices, positive school environments, etc.).
 - Fosters an ethos of mutual respect, teamwork, and accountability at all system levels.
 - Helps develop a unified curricular vision for the instructional program. Helps staff understand program format, components, and instructional delivery methods/strategies.
 - Provides high-quality staff development programs to improve pupil management and instructional skills (e.g., coaching, communities of practice, consultation, mentoring, etc.).
 - Uses longitudinal analysis of test results to identify emerging student needs, relationships between interventions, achievements, and time forecasts for students to master expected skills.
 - Helps students develop educational goals that are attainable, measurable, relevant, and specific.
 - Guides staff in the use of assessment strategies to gauge student progress. Identifies performance gaps and trends. Helps prioritize core performance objectives. Helps staff identify specific techniques, interventions, and aligned resources best suited for each student.
 - Advocates for students. Supports access to inclusive educational opportunities for all students.
 - Uses positive behavioral interventions and supports to maintain discipline. Helps students acquire appropriate functional skills (e.g., communication, self-regulation, socialization, etc.).
 - Periodically reviews medical alerts or emergency authorization forms when applicable (i.e. field trips, supplemental program activities, etc.).
 - Maintains effective document and records management systems. Prepares timely files. Monitors reporting deadlines. Complies with district records retention and disposal policies.
 - Helps manage mandated testing programs. Maintains test security. Helps analyze test results.
- 2. Diligently attends to job details. Pursues quality results. Performs all aspects of the job.**
 - Maintains respectful relationships with co-workers and supports a cohesive team effort.
 - Wears work attire appropriate for the position.
 - Respects privacy. Ensures the veracity and security of confidential information.
 - Sustains an acceptable attendance record. Consistently complies with established work schedules.
- 3. Maintains open/effective communications. Serves as a reliable information resource.**
 - Encourages relationships that enhance public support for the district.
 - Helps the community understand district policy objectives and administrative procedures.
 - Supports equality, diversity, and inclusion. Uses tact and diplomacy to resolve differences fairly.

4. Pursues opportunities to enhance job knowledge and skill proficiency.

- Keeps current with standards and practices associated with work duties.
- Updates skills as needed to use task-appropriate technology effectively.

5. Keeps current with emergency preparedness and response procedures.

- Complies with health and safety protocols to mitigate workplace risks.
- Protects district property. Takes precautions to prevent the loss of equipment and supplies.
- Takes action to address harassment or aggressive behavior. Complies with all legal statutes when dealing with discrimination, inappropriate behavior, or suspected child abuse/neglect.

6. Performs other specific job-related duties as directed.

- Implements district strategies to advance organizational goals.

Performance Evaluation:

Employee performance is evaluated according to applicable law, board policies, contractual agreements, and district administrative procedures.

Working Conditions:

The district offers equal employment opportunity without regard to age, color, disability, genetic information, military status, national origin, race, religion, sex (including gender identity, pregnancy, and sexual orientation), or any other legally protected category.

The district maintains a drug and alcohol-free work environment to prevent the adverse impact of substance abuse on employee performance and, to protect the rights of co-workers and the public.

Safety is essential to job performance. All employees are required to comply with workplace health/safety regulations and district policies **when duties entail any of the following situations:**

Encounters with aggressive, angry, rude, or unpleasant individuals.

Exposure to air-borne particulates, chemicals, combustible materials, electrical hazards, loud noises, moving mechanical parts, odors, slippery/uneven surfaces, etc.

Exposure to blood-borne pathogens or contagious diseases.

Exposure to severe weather conditions or temperature extremes.

Movements that require balancing, bending, climbing, crouching, kneeling, or reaching.

Operating or riding in a vehicle. Working in or near vehicular traffic.

Performing tasks that require complex sequencing, dexterity, strength, stamina, etc.

Traveling to meetings and work assignments.

Working at heights, in confined spaces, or under diminished/variable lighting.

This job description document does not establish a contract or alter board-authorized employment agreements. Employee benefits, classifications, contract durations, skill sets, wage rates, and work schedules may vary by assignment. This summary document describes typical job functions and does not represent an exhaustive list of all possible work responsibilities.

Employee duties may change in response to collective bargaining agreements, funding variables, modified operating procedures, program/service adjustments, regulatory compliance, technological innovations, and unforeseen events.

BRECKSVILLE-BROADVIEW HEIGHTS CITY SCHOOL DISTRICT
JOB DESCRIPTION

Title: **SPEECH-LANGUAGE PATHOLOGIST**

File 313

Reports to: Assigned administrator/supervisor

Job Objective: Provides services aligned with IEP goals to help students benefit from the educational program.

Minimum Qualifications:

- Holds/maintains a valid Ohio Speech and Hearing Professionals Board license and an Ohio Department Education Pupil Services license as a school speech-language pathologist.
- Acts according to the Professional Code of Ethics, Scope of Practices for Speech-Language Pathologists in Schools, and the Licensure Code of Professional Conduct for Ohio Educators.
- Embraces high-performance standards (e.g., engagement, proficiency, resilience, etc.).
- Maintains a record free of criminal violations that prohibit public school employment.

Preferred Attributes: Active listening, creative problem solving, and good time management skills.

Physical Demand Level¹: Sedentary to medium strength (occasionally lifting/carrying 26+ lbs.). Duties require communicating verbally, far/near visual acuity, fine/gross manipulation, reaching at or below shoulder height, standing/walking, stooping, and using a traditional keyboard.

¹ Based on U.S. Department of Labor documentation of physical demand characteristics.

Note: Legally acceptable alternative qualifications, additional assignment-specific skills, and other physical demands deemed appropriate by the board may be delineated at the time of appointment.

Essential Functions:

1. Designs and provides educationally relevant speech-language therapy services. Uses evidence-based practice to guide therapeutic interventions.

- Performs screening activities (e.g., designated grades, Child Find, new students, etc.).
- Performs follow-up activities with students who have not passed earlier screening procedures.
- Conducts evaluations for non-public school programs.
- Serves as a case manager for identified speech-only students. Prepares reports and related documents (e.g., prior written notice, district forms, EMIS coding sheet, etc.). Synthesizes input from all sources. Communicates evaluation results clearly and effectively both orally and in writing.
- Interprets data, observations and norm/criterion-referenced test results to qualify students for speech-language services relevant to needs. Effectively manages the speech-language caseload (i.e., therapy schedules, parent/team meetings progress reports, etc.).
- Prepares and transmits legally compliant special education documents by required deadlines.
- Helps families and staff understand how the Individualized Educational Plan (IEP) and Specially Designed Instruction (SDIs) support educational goals and objectives.
- Uses a variety of evidence-based treatment techniques to address speech-language disorders (e.g., expressive/receptive language, voice, articulation, fluency, interactive communication, auditory and/or visual processing, pragmatics, etc.).
- Makes teachers aware of the unique speech-language needs of students. Helps staff incorporate therapy goals into classroom activities.
- Documents therapy progress. Monitors intervention efficacy. Implements modifications as needed.
- Helps students develop educational goals that are attainable, measurable, relevant, and specific.
- Participates in team meetings. Uses comprehensive assessments to obtain objective student data. Plans services relevant to needs. Supports student access to inclusive educational opportunities.
- Uses positive behavioral interventions and supports to maintain discipline. Helps students acquire appropriate functional skills (e.g., communication, self-regulation, socialization, etc.).
- Periodically reviews medical alerts or emergency authorization forms when applicable (i.e. field trips, supplemental program activities, etc.).
- Processes paperwork for services covered under the Medicaid School Program (MSP).
- Maintains effective document and records management systems. Prepares timely files. Monitors reporting deadlines. Complies with district records retention and disposal policies.

2. Diligently attends to job details. Pursues quality results. Performs all aspects of the job.

- Maintains respectful relationships with co-workers and supports a cohesive team effort.
- Wears work attire appropriate for the position.
- Respects privacy. Ensures the veracity and security of confidential information.
- Sustains an acceptable attendance record. Consistently complies with established work schedules.

3. Maintains open/effective communications. Serves as a reliable information resource.

- Encourages relationships that enhance public support for the district.
- Refers administrative procedure and district policy questions to an appropriate administrator.
- Supports equality, diversity, and inclusion. Uses tact and diplomacy to resolve differences fairly.

4. Pursues opportunities to enhance job knowledge and skill proficiency.

- Keeps current with standards and practices associated with work duties.
- Updates skills as needed to use task-appropriate technology effectively.

5. Keeps current with emergency preparedness and response procedures.

- Complies with health and safety protocols to mitigate workplace risks.
- Protects district property. Takes precautions to prevent the loss of equipment and supplies.
- Takes action to address harassment or aggressive behavior. Complies with all legal statutes when dealing with discrimination, inappropriate behavior, or suspected child abuse/neglect.

6. Performs other specific job-related duties as directed.

- Helps implement district strategies to advance organizational goals.

BRECKSVILLE-BROADVIEW HEIGHTS CITY SCHOOL DISTRICT
JOB DESCRIPTION

Title: **ELL OR TESOL TEACHER**

File 318

Reports to: Assigned administrator/supervisor

Job Objective: Serves as the instructional leader of the English Language Learner Program (ELL) or Teaching English to Speakers of Other Languages (TESOL) Program.

Minimum Qualifications:

- Holds/maintains required Ohio Department of Education credentials.
- Ability to develop and implement clear pathways to successfully achieve program objectives.
- Acts according to the Licensure Code of Professional Conduct for Ohio Educators.
- Demonstrated leadership abilities and a willingness to take on challenging tasks.
- Embraces high-performance standards (e.g., engagement, proficiency, resilience, etc.).
- Maintains a record free of criminal violations that prohibit public school employment.

Preferred Attributes: Active listening, creative problem solving, and good time management skills.

Physical Demand Level¹: Sedentary strength (seldom lifting/carrying more than 11 lbs.). Duties require communicating verbally, far/near visual acuity, fine/gross manipulation, reaching at or below shoulder height, standing/walking, and using a traditional keyboard.

¹ Based on U.S. Department of Labor documentation of physical demand characteristics.

Note: Legally acceptable alternative qualifications, additional assignment-specific skills, and other physical demands deemed appropriate by the board may be delineated at the time of appointment.

Essential Functions:

- 1. Coordinates services that help participants learn or improve English language skills.**
 - Provides leadership for the advancement of best practices and academic standards. Implements initiatives that support continuous improvement in student participation and achievement.
 - Works with staff to develop standards-based curriculum guides and high-quality courses of study.
 - Facilitates the cultural and academic assimilation of English language students. Schedules family meetings to improve communications, resolve problems, and facilitate transition activities.
 - Develops lesson plans consistent with state learning standards and district curriculum goals.
 - Helps students develop educational goals that are attainable, measurable, relevant, and specific.
 - Aligns teaching strategies with the learning styles of students. Implements evidence-based instructional strategies that produce quantifiable benefits within well-defined time frames.
 - Participates in team meetings. Uses comprehensive assessments to obtain objective student data. Plans services relevant to needs. Supports student access to inclusive educational opportunities.
 - Prepares Language Development Plans. Implements developmentally and cognitively appropriate instruction e.g., English Immersion, ESL (Pull-Out/Push-In), Sheltered Immersion (Content-Based English Instruction), Dual-Language Program, Transitional Bilingualism, etc.
 - Uses positive behavioral interventions and supports to maintain discipline. Helps students acquire appropriate functional skills (e.g., communication, self-regulation, socialization, etc.).
 - Manages student records and compliance paperwork (including students in mainstreamed instruction during trial periods).
 - Administers the authorized English Language Acquisition Test to determine if participants have achieved the required proficiency level to exit the program.
 - Periodically reviews medical alerts or emergency authorization forms when applicable (i.e. field trips, supplemental program activities, etc.).
 - Maintains effective document and records management systems. Prepares timely files. Monitors reporting deadlines. Complies with district records retention and disposal policies.
 - Helps manage mandated testing programs. Maintains test security. Helps analyze test results.
- 2. Diligently attends to job details. Pursues quality results. Performs all aspects of the job.**
 - Maintains respectful relationships with co-workers and supports a cohesive team effort.
 - Wears work attire appropriate for the position.
 - Respects privacy. Ensures the veracity and security of confidential information.
 - Sustains an acceptable attendance record. Consistently complies with established work schedules.
- 3. Maintains open/effective communications. Serves as a reliable information resource.**
 - Encourages relationships that enhance public support for the district.
 - Helps the community understand district policy objectives and administrative procedures.

- Supports equality, diversity, and inclusion. Uses tact and diplomacy to resolve differences fairly.

4. Pursues opportunities to enhance job knowledge and skill proficiency.

- Keeps current with standards and practices associated with work duties.
- Updates skills as needed to use task-appropriate technology effectively.

5. Keeps current with emergency preparedness and response procedures.

- Complies with health and safety protocols to mitigate workplace risks.
- Protects district property. Takes precautions to prevent the loss of equipment and supplies.
- Takes action to address harassment or aggressive behavior. Complies with all legal statutes when dealing with discrimination, inappropriate behavior, or suspected child abuse/neglect.

6. Performs other specific job-related duties as directed.

- Implements district strategies to advance organizational goals.

Performance Evaluation:

Employee performance is evaluated according to applicable law, board policies, contractual agreements, and district administrative procedures.

Working Conditions:

The district offers equal employment opportunity without regard to age, color, disability, genetic information, military status, national origin, race, religion, sex (including gender identity, pregnancy, and sexual orientation), or any other legally protected category.

The district maintains a drug and alcohol-free work environment to prevent the adverse impact of substance abuse on employee performance and, to protect the rights of co-workers and the public.

Safety is essential to job performance. All employees are required to comply with workplace health/safety regulations and district policies **when duties entail any of the following situations:**

Encounters with aggressive, angry, rude, or unpleasant individuals.

Exposure to air-borne particulates, chemicals, combustible materials, electrical hazards, loud noises, moving mechanical parts, odors, slippery/uneven surfaces, etc.

Exposure to blood-borne pathogens or contagious diseases.

Exposure to severe weather conditions or temperature extremes.

Movements that require balancing, bending, climbing, crouching, kneeling, or reaching.

Operating or riding in a vehicle. Working in or near vehicular traffic.

Performing tasks that require complex sequencing, dexterity, strength, stamina, etc.

Traveling to meetings and work assignments.

Working at heights, in confined spaces, or under diminished/variable lighting.

This job description document does not establish a contract or alter board-authorized employment agreements. Employee benefits, classifications, contract durations, skill sets, wage rates, and work schedules may vary by assignment. This summary document describes typical job functions and does not represent an exhaustive list of all possible work responsibilities.

Employee duties may change in response to collective bargaining agreements, funding variables, modified operating procedures, program/service adjustments, regulatory compliance, technological innovations, and unforeseen events.

- Helps implement district strategies to advance organizational goals.

Performance Evaluation:

Employee performance is evaluated according to applicable law, board policies, contractual agreements, and district administrative procedures.

Working Conditions:

The district offers equal employment opportunity without regard to age, color, disability, genetic information, military status, national origin, race, religion, sex (including gender identity, pregnancy, and sexual orientation), or any other legally protected category.

The district maintains a drug and alcohol-free work environment to prevent the adverse impact of substance abuse on employee performance and, to protect the rights of co-workers and the public.

Safety is essential to job performance. All employees are required to comply with workplace health/safety regulations and district policies **when duties entail any of the following situations:**

Encounters with aggressive, angry, rude, or unpleasant individuals.

Exposure to air-borne particulates, chemicals, combustible materials, electrical hazards, loud noises, moving mechanical parts, odors, slippery/uneven surfaces, etc.

Exposure to blood-borne pathogens or contagious diseases.

Exposure to severe weather conditions or temperature extremes.

Movements that require balancing, bending, climbing, crouching, kneeling, or reaching.

Operating or riding in a vehicle. Working in or near vehicular traffic.

Performing tasks that require complex sequencing, dexterity, strength, stamina, etc.

Traveling to meetings and work assignments.

Working at heights, in confined spaces, or under diminished/variable lighting.

This job description document does not establish a contract or alter board-authorized employment agreements. Employee benefits, classifications, contract durations, skill sets, wage rates, and work schedules may vary by assignment. This summary document describes typical job functions and does not represent an exhaustive list of all possible work responsibilities.

Employee duties may change in response to collective bargaining agreements, funding variables, modified operating procedures, program/service adjustments, regulatory compliance, technological innovations, and unforeseen events.

BRECKSVILLE-BROADVIEW HEIGHTS CITY SCHOOL DISTRICT
JOB DESCRIPTION

Title: **MUSIC TEACHER (VOCAL)**

File 324

Reports to: Assigned administrator/supervisor

Job Objective: Directs the choir program.

Minimum Qualifications:

- Performing arts production skills verified by training and relevant work experience.
- Available to work a non-traditional schedule and irregular hours when needed.
- Embraces high-performance standards (e.g., engagement, proficiency, resilience, etc.).
- Maintains a record free of criminal violations that prohibit public school employment.

Preferred Attributes: Active listening, creative problem solving, and good time management skills.

Physical Demand Level¹: Light to medium strength (frequently lifting/carrying 11 to 25 lbs.). Duties require communicating verbally, far/near visual acuity, fine/gross manipulation, reaching at or below shoulder height, standing/walking, stooping, and using a traditional keyboard.

¹ Based on U.S. Department of Labor documentation of physical demand characteristics.

Note: Legally acceptable alternative qualifications, additional assignment-specific skills, and other physical demands deemed appropriate by the board may be delineated at the time of appointment.

Essential Functions: **1. Develops, delivers, and advances program activities. Provides opportunities for students to enhance skills, build positive peer relationships, and develop leadership qualities.**

- Prepares program goals, budget, and implementation plan for administrative approval.
- Selects a challenging performance program that is age-appropriate and attainable for students.
- Prepares a performance calendar. Assembles a production team. Organizes pre-production activities (e.g., choreography, costumes, lighting, music, props, sets, scripts, sound systems, etc.).
- Encourages student participation. Monitors the accuracy of internal-external communications.
- Conducts professionally administered tryouts to select program participants.
- Prepares/restores shared program sites. Maintains orderly work/storage areas.
- Executes a well-designed program plan. Ensures participants receive appropriate instruction, support, and opportunities to participate. Provides proactive supervision for all program activities.
- Ensures program activities are self-sustaining except when authorized by the administration.
- Provides opportunities for program participants to critique activities and suggest enhancements.
- Periodically reviews medical alerts or emergency authorization forms when applicable (i.e. field trips, supplemental program activities, etc.).
- Maintains effective document and records management systems. Prepares timely files. Monitors reporting deadlines. Complies with district records retention and disposal policies.
- Preserves reference materials for future programs (e.g., advertising, correspondence, participant information, photos, publicity, scheduling, staffing, videotapes, volunteer activities, etc.).

2. Diligently attends to job details. Pursues quality results. Performs all aspects of the job.

- Maintains respectful relationships with co-workers and supports a cohesive team effort.
- Wears work attire appropriate for the position.
- Respects privacy. Ensures the veracity and security of confidential information.
- Sustains an acceptable attendance record. Consistently complies with established work schedules.

3. Maintains open/effective communications. Serves as a reliable information resource.

- Encourages relationships that enhance public support for the district.
- Refers administrative procedure and district policy questions to an appropriate administrator.
- Supports equality, diversity, and inclusion. Uses tact and diplomacy to resolve differences fairly.

4. Pursues opportunities to enhance job knowledge and skill proficiency.

- Keeps current with standards and practices associated with work duties.
- Updates skills as needed to use task-appropriate technology effectively.

5. Keeps current with emergency preparedness and response procedures.

- Complies with health and safety protocols to mitigate workplace risks.
- Protects district property. Takes precautions to prevent the loss of equipment and supplies.

- Takes action to address harassment or aggressive behavior. Complies with all legal statutes when dealing with discrimination, inappropriate behavior, or suspected child abuse/neglect.

6. Performs other specific job-related duties as directed.

- Helps implement district strategies to advance organizational goals.

Encounters with aggressive, angry, rude, or unpleasant individuals.

Exposure to air-borne particulates, chemicals, combustible materials, electrical hazards, loud noises, moving mechanical parts, odors, slippery/uneven surfaces, etc.

Exposure to blood-borne pathogens or contagious diseases.

Exposure to severe weather conditions or temperature extremes.

Movements that require balancing, bending, climbing, crouching, kneeling, or reaching.

Operating or riding in a vehicle. Working in or near vehicular traffic.

Performing tasks that require complex sequencing, dexterity, strength, stamina, etc.

Traveling to meetings and work assignments.

Working at heights, in confined spaces, or under diminished/variable lighting.

This job description document does not establish a contract or alter board-authorized employment agreements. Employee benefits, classifications, contract durations, skill sets, wage rates, and work schedules may vary by assignment. This summary document describes typical job functions and does not represent an exhaustive list of all possible work responsibilities.

Employee duties may change in response to collective bargaining agreements, funding variables, modified operating procedures, program/service adjustments, regulatory compliance, technological innovations, and unforeseen events.

BRECKSVILLE-BROADVIEW HEIGHTS CITY SCHOOL DISTRICT
JOB DESCRIPTION

Title: **HEALTH CARE COORDINATOR**

File 501

Reports to: Director of Pupil Services

Job Objective: Plans/implements a comprehensive school health service program. **Note:** Student and staff treatment is limited to the evaluation of symptoms and administering emergency first aid.

Minimum Qualifications:

- Holds/maintains valid Ohio Board of Nursing and Ohio Department of Education Pupil Services licenses as a school nurse.
- Acts according to the Licensure Code of Professional Conduct for Ohio Educators.
- Comprehensive knowledge of Ohio Schools Medicaid Program covered services.
- Embraces high-performance standards (e.g., engagement, proficiency, resilience, etc.).
- Maintains a record free of criminal violations that prohibit public school employment.

Preferred Attributes: Active listening, creative problem solving, and good time management skills.

Physical Demand Level¹: Light to medium strength (frequently lifting/carrying 11 to 25 lbs.). Duties require communicating verbally, far/near visual acuity, fine/gross manipulation, reaching at or below shoulder height, standing/walking, stooping, and using a traditional keyboard.

¹ Based on U.S. Department of Labor documentation of physical demand characteristics.

Note: Legally acceptable alternative qualifications, additional assignment-specific skills, and other physical demands deemed appropriate by the board may be delineated at the time of appointment.

Essential Functions:

1. Implements school health services that focus on prevention and early intervention. Provides health education, counseling, and student advocacy in partnership with community resources. Supports a sense of well-being and capacity for academic success.

- Prepares the school clinic. Requisitions supplies as needed to maintain dependable service.
- Ensures required state minimum student health screening activities are completed. Documents the immunization status of all students. Identifies visual, hearing, and other student health concerns.
- Helps identify students struggling with academic, behavioral, and/or social-emotional concerns (e.g., abuse, anxiety, aggression, depression, impulsivity, inattention, neglect, peer relationships, poverty, pregnancy, self-esteem, substance abuse, truancy, etc.).
- Assists sick and injured students. Administers first aid. Investigates and documents injuries.
- Seeks advice from a physician to make an exclusion or school readmission recommendation.
- Assists with district safety and blood-borne pathogen compliance activities.
- Assesses student health conditions. Collaborates with doctors to develop student healthcare plans.
- Implements procedures to ensure that medicines are administered and stored safely.
- Helps students monitor and manage acute/chronic medical conditions as needed.
- Informs staff about student medical conditions and emergency action plans. Coordinates in-service training for staff providing care for students with special medical needs.
- Participates in team meetings. Uses comprehensive assessments to obtain objective student data. Plans services relevant to needs. Supports student access to inclusive educational opportunities.
- Uses positive behavioral interventions and supports to maintain discipline. Helps students acquire appropriate functional skills (e.g., communication, self-regulation, socialization, etc.).
- Periodically reviews medical alerts or emergency authorization forms when applicable (i.e. field trips, supplemental program activities, etc.).
- Processes paperwork for services covered under the Medicaid School Program (MSP).
- Maintains effective document and records management systems. Prepares timely files. Monitors reporting deadlines. Complies with district records retention and disposal policies.

2. Diligently attends to job details. Pursues quality results. Performs all aspects of the job.

- Maintains respectful relationships with co-workers and supports a cohesive team effort.
- Wears work attire appropriate for the position.
- Respects privacy. Ensures the veracity and security of confidential information.
- Sustains an acceptable attendance record. Consistently complies with established work schedules.

3. Maintains open/effective communications. Serves as a reliable information resource.

- Encourages relationships that enhance public support for the district.
- Refers administrative procedure and district policy questions to an appropriate administrator.

- Supports equality, diversity, and inclusion. Uses tact and diplomacy to resolve differences fairly.

4. Pursues opportunities to enhance job knowledge and skill proficiency.

- Keeps current with standards and practices associated with work duties.
- Updates skills as needed to use task-appropriate technology effectively.

5. Keeps current with emergency preparedness and response procedures.

- Complies with health and safety protocols to mitigate workplace risks.
- Protects district property. Takes precautions to prevent the loss of equipment and supplies.
- Takes action to address harassment or aggressive behavior. Complies with all legal statutes when dealing with discrimination, inappropriate behavior, or suspected child abuse/neglect.

6. Performs other specific job-related duties as directed.

- Helps implement district strategies to advance organizational goals.

Performance Evaluation:

Employee performance is evaluated according to applicable law, board policies, contractual agreements, and district administrative procedures.

Working Conditions:

The district offers equal employment opportunity without regard to age, color, disability, genetic information, military status, national origin, race, religion, sex (including gender identity, pregnancy, and sexual orientation), or any other legally protected category.

The district maintains a drug and alcohol-free work environment to prevent the adverse impact of substance abuse on employee performance and, to protect the rights of co-workers and the public.

BRECKSVILLE-BROADVIEW HEIGHTS CITY SCHOOL DISTRICT
JOB DESCRIPTION

Title: **SUPERVISOR OF BUILDING & GROUNDS**

File 601

Reports to: Assigned administrator/supervisor

Job Objective: Supervises building and grounds services to maintain facilities to code, enhance function, improve interior/exterior aesthetics and plan new construction.

Minimum Qualifications:

- High school diploma or GED. Job-specific skills verified by training and relevant work experience.
- Building operator certification (BOC). Specialized equipment operator certification may be required.
- Holds/maintains a valid Ohio driver's license. Qualifies to be covered by the district's vehicle insurance policy. Demonstrates a steadfast commitment to defensive driving practices.
- A Commercial Drivers License (CDL) may be required as a condition of employment.
- Available to work a non-traditional schedule and irregular hours when needed.
- Basic computer proficiency or commitment to promptly acquire job-related technology skills.
- Demonstrated leadership abilities and a willingness to take on challenging tasks.
- Embraces high-performance standards (e.g., engagement, proficiency, resilience, etc.).
- Maintains a record free of criminal violations that prohibit public school employment.

Preferred Attributes: Active listening, creative problem solving, and good time management skills.

Physical Demand Level¹ Heavy strength (frequently lifting/carrying 50+ lbs.). Duties require communicating verbally, crouching, far/near visual acuity, fine/gross manipulation, operating a motor vehicle, reaching at or below shoulder height and overhead, standing/walking, stooping, using a ladder or work platform, and working with hand/power tools.

¹ Based on U.S. Department of Labor documentation of physical demand characteristics.

Note: Legally acceptable alternative qualifications, additional assignment-specific skills, and other physical demands deemed appropriate by the board may be delineated at the time of appointment.

Essential Functions:

1. Supervises operations to maintain clean, safe, and accessible buildings and grounds.

- Serves as an active member of the administrative team and adviser to the superintendent.
- Actively supervises and evaluates assigned personnel. Cultivates staff leadership skills.
- Instructs assigned staff in equipment, materials, and methods for proficient job performance.
- Performs building safety assessments. Distributes materials to emergency response providers (e.g., blueprints, chemical storage locations, electric/gas/water line shutoffs, emergency doors, fire suppression equipment, first aid supplies, staff directory, room numbering diagrams, etc.).
- Ensures clear routes are maintained for emergency egress. Ensures security systems are operating properly (e.g., audio/visual alarms, emergency lights, exit signs, locks, panic bars, etc.).
- Maintains Material Safety Data Sheet (MSDS) information for all chemicals used/stored in district facilities. Trains staff in health, and safety regulations/procedures (e.g., cleaning up blood, body fluids/tissue, chemical spills, hazardous materials, mold, etc.).
- Inspects buildings, equipment, and grounds. Develops an action plan to resolve problems.
- Uses technical and physical skills to perform a wide range of maintenance tasks (e.g., building codes, electrical, equipment failures, local ordinances, plumbing, structural integrity, etc.).
- Monitors work provided by outside vendors to ensure compliance with district specifications.
- Manages facility planning, building/site renovations, and new construction projects.
- Directs the care of landscaped areas/athletic fields. Manages snow removal operations.
- Provides a safe/orderly environment for district events. Oversees traffic/crowd control activities.
- Assists with special event preparation and cleanup activities as directed.
- Requisitions supplies. Investigates products, services, and costs (e.g., on-time delivery, order fulfillment accuracy, quality standards, technical support, etc.). Negotiates volume discounts/long-term contracts. Maintains procurement records.
- Maintains effective document and records management systems. Prepares timely files. Monitors reporting deadlines. Complies with district records retention and disposal policies.
- Analyzes key program performance indicators to align budget proposals with strategic district goals.

Performance Evaluation:

Employee performance is evaluated according to applicable law, board policies, contractual agreements, and district administrative procedures.

Working Conditions:

The district offers equal employment opportunity without regard to age, color, disability, genetic information, military status, national origin, race, religion, sex (including gender identity, pregnancy, and sexual orientation), or any other legally protected category.

The district maintains a drug and alcohol-free work environment to prevent the adverse impact of substance abuse on employee performance and, to protect the rights of co-workers and the public.

Safety is essential to job performance. All employees are required to comply with workplace health/safety regulations and district policies **when duties entail any of the following situations:**

Encounters with aggressive, angry, rude, or unpleasant individuals.

Exposure to air-borne particulates, chemicals, combustible materials, electrical hazards, loud noises, moving mechanical parts, odors, slippery/uneven surfaces, etc.

Exposure to blood-borne pathogens or contagious diseases.

Exposure to severe weather conditions or temperature extremes.

Movements that require balancing, bending, climbing, crouching, kneeling, or reaching.

Operating or riding in a vehicle. Working in or near vehicular traffic.

Performing tasks that require complex sequencing, dexterity, strength, stamina, etc.

Traveling to meetings and work assignments.

Working at heights, in confined spaces, or under diminished/variable lighting.

This job description document does not establish a contract or alter board-authorized employment agreements. Employee benefits, classifications, contract durations, skill sets, wage rates, and work schedules may vary by assignment. This summary document describes typical job functions and does not represent an exhaustive list of all possible work responsibilities.

Employee duties may change in response to collective bargaining agreements, funding variables, modified operating procedures, program/service adjustments, regulatory compliance, technological innovations, and unforeseen events.

BRECKSVILLE-BROADVIEW HEIGHTS CITY SCHOOL DISTRICT
JOB DESCRIPTION

Title:	SUPERVISOR OF SCHOOL NUTRITION SERVICES	File 801
Reports to:	Superintendent	
Job Objective:	Manages food service operations that comply with all nutrition, health, and safety regulations.	
Minimum Qualifications:	· Meets all education/training requirements described in the USDA Professional Standards Rule for School Nutrition Employees. State registered/licensed dietitian (RD, LD) or a bachelor's degree with School Nutrition Specialist (SNS) certification is advantageous. ServSafe® Certification is required. · Available to work a non-traditional schedule and irregular hours when needed. · Demonstrated leadership abilities and a willingness to take on challenging tasks. · Embraces high-performance standards (e.g., engagement, proficiency, resilience, etc.). · Maintains a record free of criminal violations that prohibit public school employment. Preferred Attributes: Active listening, creative problem solving, and good time management skills. Physical Demand Level¹: Medium strength (frequently lifting/carrying 11 to 25 lbs.). Duties require communicating verbally, far/near visual acuity, fine/gross manipulation, reaching at or below shoulder height and overhead, standing, stooping, and using a traditional keyboard. ¹ Based on U.S. Department of Labor documentation of physical demand characteristics. Note: Legally acceptable alternative qualifications, additional assignment-specific skills, and other physical demands deemed appropriate by the board may be delineated at the time of appointment.	
Essential Functions:	1. Supervises food service operations. Upholds all federal school nutrition standards. · Serves as an active member of the administrative team and adviser to the superintendent. · Actively supervises and evaluates assigned personnel. Cultivates staff leadership skills. · Monitors food service employee compliance with all continuing education requirements. · Publicizes food service program information. Regularly updates social media/website content. · Processes applications for the free and reduced-price lunch program. · Complies with USDA child nutrition guidelines. Provides appealing consumer-orientated food options. Monitors customer satisfaction. Attends to the needs of students with dietary restrictions. · Uses standardized recipes to maintain quality control. Monitors production sheets. · Ensures compliance with all health and food safety regulations (e.g., hazard analysis critical control point principles, portion size, sanitation procedures, temperature controls, etc.). · Manages the set up of the serving line and attractive presentation of food. · Oversees the sanitization of equipment and the storage, or disposal of leftover food. · Manages daily accounting activities (i.e., receipts, meals served, bank deposits, etc.). · Prepares revenue/expense projections and audit documentation as requested. · Requisitions supplies. Investigates products, services, and costs (e.g., on-time delivery, order fulfillment accuracy, quality standards, technical support, etc.). Negotiates volume discounts/long-term contracts. Maintains procurement records. · Receives food/supplies. Follows approved food safety procedures. Verifies quantities. Reports shortages/spoiled products. Organizes, stores, dates and rotates stock. · Maintains effective document and records management systems. Prepares timely files. Monitors reporting deadlines. Complies with district records retention and disposal policies. · Analyzes key program performance indicators to align budget proposals with strategic district goals. 2. Diligently attends to job details. Pursues quality results. Performs all aspects of the job. · Maintains respectful relationships with co-workers and supports a cohesive team effort. · Wears work attire appropriate for the position. · Respects privacy. Ensures the veracity and security of confidential information. · Sustains an acceptable attendance record. Consistently complies with established work schedules. 3. Maintains open/effective communications. Serves as a reliable information resource. · Encourages relationships that enhance public support for the district. · Helps the community understand district policy objectives and administrative procedures. · Supports equality, diversity, and inclusion. Uses tact and diplomacy to resolve differences fairly.	

4. Pursues opportunities to enhance job knowledge and skill proficiency.

- Keeps current with standards and practices associated with work duties.
- Updates skills as needed to use task-appropriate technology effectively.
