WHEREAS, pursuant to Ohio Revised Code Section (“RC”) 3327.02, the Board, after having considered multiple factors, is authorized to determine impracticability of transportation for certain students eligible for transportation to and from school under RC 3327.01;

WHEREAS, upon such impracticability determination, the Board is authorized to offer payment in lieu of transportation to such students;

WHEREAS, the following factors as identified in RC 3327.02 have been considered:

1. The time and distance required to provide the transportation
2. The number of pupils to be transported
3. The cost of providing transportation in terms of equipment, maintenance, personnel, and administration
4. Whether similar or equivalent service is provided to other pupils eligible for transportation
5. Whether and to what extent the additional service unavoidably disrupts current transportation schedules
6. Whether other reimbursable types of transportation are available; and

WHEREAS, the students identified herein have been determined to be residents of this District, eligible for transportation services; and

WHEREAS, after a careful evaluation of all available options and factors, the Board has determined that it is impractical to provide transportation for these students to their selected school and as a result wishes to offer payment in lieu of transportation to such students.

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of the Brecksville-Broadview Heights City School District:
