1.0 STUDENT ACTIVITY STATEMENT OF PURPOSE & BUDGET

- 1.1 A “Statement of Purpose and Budget” form (page 16 of ‘Forms’ section) must be completed by the Advisor when a new activity or sport is formed.
- 1.2 This form must be approved by the Building Principal and submitted to the District Treasurer, who will present to the Board of Education for approval.
- 1.3 No deposit shall be accepted nor expenditure paid from any activity fund for which a Student Activity Statement of Purpose and Budget statement has not been submitted and approved.
- 1.4 No commitment for fundraisers or expenditures may be made unless they are included in the approved Student Activity Statement of Purpose and Budget.
- 1.5 Anticipated Sources of Revenue from fundraising activities must be identified. Be sure to include any potential fundraising activities that are planned for the school year. Fundraising approval and requisition forms must be completed prior to any fundraising activity. If the fundraising activity is not listed as an “Anticipated Source of Revenue,” it will not be approved.
- 1.6 Permissible Expenditures should be listed relative to the group’s needs. If the expenditure is not itemized on the Statement of Purpose, the expenditure will not be approved.
- 1.7 A purchase order MUST be completed and signed by the District Treasurer prior to making any purchase.
- 1.8 Changes to the original Statement of Purpose can be made as needed by filing a ‘Purpose and Policy Statement for Student Activities’ (page 17 of ‘Forms’ section). This form should be completed and approved annually for each activity fund that remains in existence. The Treasurer’s office will assist with this item.

2.0 RESPONSIBILITIES OF THE STUDENT ACTIVITY ADVISOR

- 2.1 The Advisor shall be responsible for the proper completion of all forms pertaining to the student activity fund.
- 2.2 The Advisor shall be responsible for keeping accurate records of money collected and deposited, keeping an accurate inventory of merchandise offered for sale, and keeping an accurate record of purchase orders received.
- 2.3 The Advisor is responsible for supervising the collection and proper deposit of all monies for group activities. All money is to be collected and deposited in accordance with the BBH Board of Education policies. No money is to be kept in classrooms or offices. Monies must be deposited with the Treasurer's Office within one business day of collections.
- 2.4 The Advisor shall instruct the club officers of the proper procedures for depositing money and requesting expenditures.
- 2.5 The Advisor shall be responsible to ensure that serially-numbered tickets or a log of ticket sales for dances (when appropriate) are used at any event where admission is charged. A record of the beginning ticket number and ending ticket number shall be submitted to the District Treasurer, along with the deposit information, for the event.
- 2.6 The Advisor shall be responsible for any discrepancies in deposits and work with the student officers to ensure proper accounting in the future.
- 2.7 The Advisor shall use the activity fund account established by the District for all financial activity related to the group, club, activity, or sport. No other accounts are permitted! Booster Clubs handle Booster Clubs' funds and fundraisers, and School groups are not permitted to use Booster Club or other accounts to circumvent District procedures.
- 2.8 The Advisor is required to review the Final Form roster and take attendance anytime a club meeting or gathering occurs. Attendance will be turned into the building Administrative Assistant.

3.0 PURCHASING

- 3.1 NO PURCHASE SHALL BE MADE WITHOUT A FULLY EXECUTED PURCHASE ORDER SIGNED BY THE DISTRICT TREASURER.**
- 3.2 Requisition forms (for Purchase Orders) are available on the District and School website portals (page 18 of 'Forms' section).
- 3.3 Information required to be typed or neatly written on the requisition forms:
- Vendor name, complete address, telephone/fax numbers
 - Vendor number, if known
 - Shipping destination identified
 - Date P.O. is initiated
 - Quantity of order times the unit price
 - Description of items – be as specific as possible including catalog or parts number, color, size, etc.
 - Price per unit
 - Price extension (quantity times unit price)
 - Add 10% shipping/handling charges unless actual charges are known
 - Account code information
 - Special instructions – deadline dates, “DO NOT MAIL”, return to originator for phone or fax order. etc.
 - Telephone orders can only be placed AFTER the P.O. has been signed by the District Treasurer.
- 3.4 Required signatures on requisitions:
- Advisor
 - Building Principal (200 Funds)/Athletic Director (300 Funds)
 - District Treasurer
- 3.5 Treasurer's office will create purchase order from approved requisition and return a copy to the Advisor.
- 3.6 No student activity organization shall be obligated for purchases made by students, Advisors, or Administrators without a properly-executed purchase order.
- 3.7 Any person making a purchase without first obtaining a purchase order shall be personally liable to pay for any items purchased. The District or student activity fund shall not assume any responsibility for unauthorized purchases.
- 3.8 If an Advisor anticipates that he/she will make multiple purchases from a single vendor, he/she may obtain an “open purchase order” for a period of time not to exceed 90 days or the length of Ohio High School Athletic Association defined ‘season,’ whichever is longer.
- 3.9 All purchases from Student Activity Funds must comply with Board of Education Policy 6610, Student Activity Funds, requiring that the expenditure is related to achieving one or more of the stated purposes for which the student activity has been

organized and will serve a valid and proper public purpose. Charitable donations are permissible so long as these two criteria are met.

- 3.10 A purchase shall not be approved if it accrues to the personal benefit of a member of the staff or a member of the student group. Monies are not to be disbursed to a school class or group for any activity or event that will occur after the students have graduated. All monies accumulated in the account of a specific class or activity will, upon the discontinuance of the activity, be disposed of in accordance with the recommendation approved by the Superintendent.
- 3.11 When making purchases from funds generated by student fundraising activities, Advisors must be mindful that the purchases made from said proceeds need to benefit the students, present and future, involved in the activity.
- 3.12 Sales tax cannot be paid, or reimbursed, unless it is an unavoidable expense. This could occur with out-of-state hotels that do not honor Ohio tax-exempt status, or with a legitimate emergency purchase wherein it is impossible to obtain a purchase order and/or District tax-exempt form in advance. An Ohio Tax exempt form can be requested from the Treasurer's office.
- 3.13 Hotel pricing should be obtained in advance so that payment coordination to avoid sales taxes can occur with the Treasurer's office. Payment by a district check or credit card is typically required by the vendor.
- 3.14 Payments to camp workers and clinicians are permissible after appropriate approvals occur. For District employees working these events, hiring approval through Human Resources and the Board of Education must occur, with payment made through payroll, and appropriate fringe benefit charges assessed to the activity fund account. For non-employee camp workers and clinicians who meet the Internal Revenue Service definition of 'Independent Contractor,' payment via purchase order and approved invoice is permissible. If this definition is not met for non-employee clinicians and camp workers, hiring approval through Human Resources and the Board of Education must occur, with payment made through payroll, and appropriate fringe benefit charges assessed to the activity fund account. For BBHCSD students working these events, a credit to the pay-to-participate fee is the preferred option, although payment of a nominal amount via purchase order and approved invoice is permissible. Questions regarding hiring and/or payment of these individuals should occur well in advance of the event to allow sufficient time to obtain necessary approvals for background checks, approvals, etc., as required.
- 3.15 Team Spirit wear or club purchases must be handled through the established activity fund accounts per standard purchasing procedures. This applies to both voluntary and required purchases of team or club members. Multiple prices should be obtained to insure best prices for members. Only District-approved logos are permitted on apparel sold through the Schools.

4.0 DEPOSITS

- 4.1 Funds must be organized and deposited DAILY with the Treasurer's Office.
- 4.2 Required paperwork to be included with the deposit:
 - a. Completed 'Deposit Slip Form" (page 19 of 'Forms' section)
 - b. Currency (bills facing in the same direction)
 - c. Coins wrapped and loose coins in a marked envelope
- 4.3 All money should be accurately counted by the student officer in the presence of their Advisor (if applicable) and ultimately verified by the Student Activity Advisor.
- 4.4 All monies collected shall be deposited within one (1) business day in accordance with Board of Education policy.
- 4.5 Student Activity Advisor shall retain copies of all depository forms for seven (7) years.
- 4.6 Deposits are posted regularly by the Treasurer's office, and a receipt is returned to the Advisor for verification of each deposit submitted.

5.0 FUNDRAISING ACTIVITIES

- 5.1 The Advisor must initiate a 'Request for Approval of Fundraising Event' form (page 20 of 'Forms' section) PRIOR TO each proposed activity (including camps, clinics, etc.) for approval by the Principal (200 Funds) or Athletic Director (300 Funds). Once the fundraiser is completed, the Advisor is required to reconcile net profits (gross sales less cost of merchandise.) This is required by the State Auditor's Office.
- a. Complete the top portion of the form and submit it to the Principal or Athletic Director for approval PRIOR TO the activity. The Principal or Athletic Director will forward copies of approved forms to the Treasurer's office at the time of approval.
 - b. Merchandise or services must be ordered by processing a requisition form and submitting it to the Principal or Athletic Director for approval, and then forwarding it to the Treasurer's Office for processing PRIOR TO any purchase. NO EXCEPTIONS. No purchase is considered a legal expenditure of public funds without a fully-executed purchase order signed by the District Treasurer.
 - c. Profit/Loss section of form must be completed by the Advisor after all income is deposited and payments of all invoices are made.
 - d. A copy of the form should be retained by the Advisor, and the profit/loss will be posted on the Fundraiser database for audit.
- 5.2 Unsold merchandise must be accounted for at the end of the activity by submitting a list of the inventory, along with the approved fundraiser form profit/loss statement, to the Treasurer's Office. Any missing or damaged merchandise must be reported on this form.
- 5.3 The profit/loss statement on the approved fundraiser form must be submitted for all camps, clinics, etc. A list of registrant names, amount paid, date paid, and payment type must be provided, along with expenditures related to the activity.
- 5.4 Advisors need to consider multiple vendors for fundraisers to insure the activity is receiving the most profit, best pricing, etc.

- 6.2 Admission Charges for Events:
- a. Pre-numbered tickets must be used for all events requiring paid admissions.
 - b. A detailed, numbered ticket tally sheet must be used to monitor the ticket numbers, name of person purchasing the ticket (for student-only events such as prom, dances, etc.) and the amount of money collected.
 - c. Ticket tally sheets must be attached to depository reports when submitted to the Treasurer's office.
- 6.3 Payment Requirements:
- a. Anticipate the need for a check to be issued. Allow a minimum of three (3) school days to process the necessary paperwork.
 - b. In an EXTREME EMERGENCY, a check can be issued within one (1) school day. However, all necessary, approved documentation must be delivered to the Treasurer's office before a check will be issued.
 - c. Vendor's invoice must be received and dated prior to the purchase order date in order to make payment.
 - d. Approval to pay an invoice must be provided to the Treasurer's office by the Advisor, and payment will be processed in the next check run after receipt of the invoice and Advisor approval.
