Hi Mark -

Joelle was able to obtain some updated pricing with Martin Public Seating for auditorium project. I think your update is about the success of that group in terms of fundraising which is fine, but Joelle and I want to make sure we don't overpromise on the project given the prices we received.

For Seating alone the price is 231,000 and then there is over 120,000 in additional work specified.

We do not have this on the PI budget for this summer and so I think it's best to have our PI meeting to lay out the next 2 years before we make any announcements. Which I don't think you were planning on, but just wanted to update you on where we are financially prior to the board meeting. I think there is possibly even more work above this as the only quote she found was with one vendor so far.

Let me know if you have any questions.

Thanks!

Craig.
