Summary: The OHSAA Bylaws and Sports Regulations have been reviewed by the coaches, specifically BYLAW 9 — CONTESTS REQUIRING SPECIAL ATTENTION, to help ensure this trip meets all OHSAA rules, regulations, and requirements (Out of state travel form attached).

Our spring trip will be modeled somewhat after the girls softball and boys basketball trips, with some modifications based on feedback from parents. The girls lacrosse spring trip will take place over the BBHCSD spring break, Saturday, March 25, 2023 - Saturday, April 1, 2023. Our plan is to travel to the Myrtle Beach area of South Carolina via charter bus, with both our JV and Varsity teams. During our stay in the area, we plan on conducting conditioning with the team, practicing, and playing two regular season games. No school will be missed and the trip will be paid for through fundraising efforts, donations, and family contributions. Families are invited to attend, but will be responsible for their own transportation, lodging, meals, etc.

Estimated Costs

Charter Bus: \$14,000

Charter Bus Driver Cost and Parking Fees: \$1,050

Team Lodging: \$7,114

Meals: \$4,000

Practice Locations: \$500

Total: \$26,750

Team meals: Most, if not all meals, will be team meals made at the players house.

Families/parents will volunteer for a meal, and will be responsible for cooking and serving that meal.

Budget: We will use **\$27,000** for the total budgetary cost for the trip, or \$900 per player. 30 players contributing \$300 = \$9,000. $\$27,000 - \$9,000 = \$18,000$ for the fundraising target. With 30 players, that will be a \$600 fundraising target per player.

Fundraising: Fundraising committee kicking off the week of August 1, 2022.

Miscellaneous:

- Coach Robatin will provide a final, updated, and more detailed itinerary by December 1, 2022 as details are finalized.
- School district and team protocols and rules: All school district and team protocols and rules will be in effect during the trip and will be reviewed with players and parents prior to the trip.
- Players and families will have a meeting in November and agree to all school district and team protocols and rules for the trip.

This will be our first trip, however, we have discussed team trips with our boys basketball program, our girls softball program, and the Jackson's girls lacrosse program to become familiar with planning, protocols, and best practices, and to be better prepared.
