BBH Board Members, Superintendent Magyar and Mr. Coad,

We are excited to move forward with renovating the Middle School Auditorium! Thank you for your continued support for this project. Over the last several weeks, we have met with various contractors to update costs and discuss options for completing renovations next spring/summer 2023. This is where we stand:

Items Still To Be Completed By PSO -

Painting - \$50,000
Carpet - \$10,000 (plus in-kind donation from Calvetta Bros (value tbd))
Stage Curtain - \$15,000
Carpentry - \$5,000 (to refinish/replace rails)
Sound System - \$25,000
Sound Panels - \$3,000
Donor Wall - \$1,000
Overage - \$11,000 (to cover unexpected costs)

Total - \$120,000

Items Still to Be Completed by District

Seats and Repair Concrete Floor - \$350,000

Martin Quote #1 - Installation of New Seats - \$230,000

Martin Quote #2 - Removal of Existing Seats and Repairs to Concrete Floor including "filling in" the tracks from the retractable wall (no longer works) as well as the addition of led lights on floor aisles - \$120,000

Please note that some of the work included in this quote can be bid out to another vendor to see if cheaper; we can also explore demo of seats ourselves and we have not yet attempted to bargain with Martin over specific items.

Items Completed by PSO/District

Lighting - \$50,000

PSO - \$13,000

Schools Foundation Grant - \$9,000 (obtained by PSO)

District - \$28,000

Please let us know if you have any questions and thank you!

BBH Board Members and Superintendent Magyar,

We wanted to touch base on the Middle School auditorium project ahead of next week's permanent improvement committee meeting. In Mr. Coad's absence, we wanted to let you know that we are available to answer any questions regarding the project, costs, bids that have been received etc.. At least one of us, if not all of us, were present at all meetings with contractors. We don't want anything to get lost in communication or in Mr. Coad's absence since he was there on behalf of the District. We also have a sample full size chair that Martin constructed down at the Middle School. It looks great!! Todd has offered to bring it down to the Board office if you would like to see it. Let him know (he is copied on here too) if you would like him to do so.

Please let us know if you need anything. We are looking forward to moving this Project forward.

Thank you!
Denise and Kerry
