

Congratulations, Jacob Yee: New Eagle Scout!

Becoming an Eagle Scout is a long journey that takes tremendous dedication and perseverance. Jacob is the 3rd member of his family to achieve the rank of Eagle Scout, following in the footsteps of his older brothers, Joshua and Micah. Jacob earned the rank of Eagle Scout by accomplishing several complex tasks. Jacob has earned 51 merit badges. He has attended seven summer and four winter camps and has been honored as a year-round camper three times (2017, 2018, and 2021). Jacob has camped over 150 nights in his scouting career. Jacob has also earned the honor of Boot Club 50 miler and Boot Club 300 miler as he has hiked 356 miles. Jacob earned the World Conservation award in 2021 and the Second Silver Eagle Palm Award.

In addition to being a troop leader, Jacob has also won the community service award six times with 205.8 hours of community service. For Jacob's Eagle Scout Project he chose a construction project at the Asian Evergreen Apartments in downtown Cleveland. Jacob's project consisted of constructing outdoor furniture for the elderly residents of the apartment complex. Jacob organized a group of scouts and volunteers to construct four benches and a picnic table for the residents. The project took a total of 144 hours to complete.

We are proud to recognize Jacob Yee as Eagle Scout #158 of Troop 701.
