Options Book Revisions 2022-23

AP Macro/Micro Economics. - 0042

Course Number: 0042

Course Length: year

Credits: 1.0 - NCAA Eligible & NHS Eligible

Open To: juniors, seniors

This course develops students' thinking and problem-solving skills through the application of economic principles and concepts to both microeconomic and macroeconomic topics and issues. The first semester focuses on microeconomic units such as the individual, the firm, and specific markets. The second semester builds on this understanding to consider the workings of a nation's macroeconomy. Graph construction and interpretation along with mathematical competency are necessary for student success. Purchase of two AP Activities workbooks, microeconomics and macroeconomics, is required. This course meets the economics requirement for graduation. Students will be required to take the AP Exam(s).

Prerequisite: Honors Algebra II/Trigonometry

MUSIC:
