Student count is obtained from the following sources in order of precedence/availability or using whatever count is highest:

- *SIS System Student Counts Provided by SIS Vendor*
- *StudentInformation - Analytics Hub - Student Count Report District Detail*
- *PowerSchool - Start Page > System Administrator > System Settings > Server Statistics - Active Students on Server*
- *Cleveland Diocese Student Counts*
- *Active Library Patron Counts According to INFOhio*
- *ODE - Home > Data > Frequently Requested Data > Enrollment Data*
- *ODE - Home > Finance & Funding > School Payment Reports > State Funding For Schools > Non-Public Schools*

Discontinuing a Service: For any of the services (support, software, subscriptions, et al) listed above, should the school/district wish to discontinue a service, notice must be provided in writing 90 days prior to the renewal date for that service. If no notice is received, it will be assumed that the service should renew for the following school year.

If the signed exhibit is not returned by the date listed below, and if no other notice has been received from the school/district, it will be assumed that all marked services above should continue for the 2023-2024 school year.

Please return this Exhibit A by **May 19, 2023** via email to: connect-services@ohconnect.org.
