BID EVALUATION REPORT & RECOMMENDATION

PROJECT: Brecksville-Broadview Heights City School District
High School
Shingle Roof Replacement Project

BID OPENING: June 26, 2023, 12:00 p.m.

A total of nine bids were received for the Brecksville-Broadview Heights City School District, High School, Shingle Roof Replacement Project. The bidding range was \$374,734.00 to \$540,000.00. The low bid of \$374,734.00 is within range of the estimated project construction budget of \$586,128.00 and was submitted by Freedom Roofing, Windows, and Siding, LLC.

My recommendation is to award a contract to Freedom Roofing, Windows, and Siding, LLC for Base Bid Item 1: High School, Shingle Roof Replacement (Construction 6/29/23-9/29/23) in the amount of \$374,734.00.

Freedom Roofing, Windows, and Siding, LLC

Item 1	High School Shingle Roof Replacement June 29, 2023-August 27, 2023	\$374,734.00
---------------	--	---------------------

TOTAL CONTRACT: \$374,734.00

I have interviewed Brady Donnell, Owner, Freedom Roofing, Windows, and Siding, LLC. I requested verification he has examined and carefully studied the Contract Documents and other related data identified in the Bidding Documents. I also discussed, and verified, he does not consider further examinations, investigations, explorations, test, studies, and data are necessary for the performance of the Work at the Contract Price, within the contract times, and in accordance with the other terms and conditions of the contract Documents.

Mr. Donnell confirmed there were no conflicts, errors, ambiguities, or discrepancies discovered in the Contract Documents. The Contract Documents are generally sufficient to indicate and convey understanding of all terms and conditions for performance and furnishing of the Work.

UNIT COST ITEMS:

The add/deduct unit costs for each bid item listed below provide flexibility during the construction phase of this project, to either direct the Contractor to perform additional work items with predetermined fixed costs that are captured in the competitive environment, or to complete less work than the base bid allowances and provide a cost credit.
