Ohio Department of Education & OHSAA Coach Certification Notes & Facts

July 19th, 2023

Notes & Facts

- All PAID and VOLUNTEER Coaches are required to obtain a Pupil Activity Permit through the Ohio Department of Education to work with, supervise or coach student-athletes in Ohio.
- ALL Paid and Volunteer Coaches are bound by all regulations of the OHSA.

There are two options to complete all the certifications required to apply for your Pupil Activity Permit:

1. Multiple Source Process (Current Practice)

- a. NFHS Fundamentals of Coaching Certification (one time, \$45.00)
- b. CPR Certification (every 2 yrs, \$37.00)
- c. First aid or sports injury prevention training (every 2 yrs, \$65.00)
- d. Ohio Department of Health concussion training course (every 3 years, Free)
- e. Sudden Cardiac Arrest Training (yearly, Free)
- f. Fingerprints FBI & BCI (every 5 years with continuous employment/volunteerism, \$60.00)
- g. Apply for Pupil Activity Permit (option of 3, 4 or 5 yr, \$45.00 for 3 year permit)

2. One Source Process

- a. Visit www.coachestoolchest.com and subscribe (yearly, \$45.00)
- b. Complete course and successfully pass test.
- c. Fingerprints FBI & BCI (every 5 years with continuous employment/volunteerism, \$60.00)
- d. Apply for Pupil Activity Permit (option of 3, 4 or 5 yr, \$45.00 for 3 year permit)

FAQ's

What is Coaches' Tool Chest (CTC)?

- CTC is a web based certification program fully approved in the State of Ohio by the Ohio Department of Health (ODH) and the Ohio Department of Education (ODE) to provide athletic coaches with one location to complete all athletic coaching certification requirements <https://coachestoolchest.com/about-us/>.

What is the cost of CTC?

- \$45/year

Who would be paying for CTC?

- Proposing the district would cover this cost for all BBHCSD athletic coaches and volunteers who are required to have a PAP.

Why would we use CTC?

- CTC provides a number of benefits but there are two major things it accomplishes for us in regards to coaches certifications:
 - One place our coaches need to go each year to get their certificates (no more “NFHS learn for this, and ODE LMS for that”).
 - No more tracking of staggered expiration dates for the athletic department (everyone expires on June 30th each year).

Will we require this certification?

- Yes, all BBHCSD athletic coaches will be required to complete this certification by the dates listed below (note, coaches applying for their initial PAP's must complete to have their PAP approved):
 - Fall -
 - Winter -
 - Spring -

FAQ's

Do coaches still need to get fingerprinted?

- Yes, coaches must still get fingerprinted when required.

Do new coaches still have to get the one time Fundamental of Coaching (FOC) course?

- NO! CTC has been approved to meet this requirement.

Do coaches still have to get the annual Sudden Cardiac Arrest (SCA) certification?

- By Ohio law, yes, but, CTC meets the SCA requirement so there is no need to navigate the ODE LMS system anymore. When you complete your annual CTC training, you have met the SCA requirement.

Does CTC do anything other than certify coaches?

- Yes. we will review in our preseason meetings:
 - Emergency response information by school
 - OHSAAsport specific handbook/bylaw reference information
 - More.....
