2. What arrangements have been made for administering necessary medications to students while on this trip?

Two chaperones will share the responsibility of administering any necessary medications to students. A plan for each student will be designed by myself, the parent(s), the student and one other chaperone.

3. What arrangements have been made for dealing with emergency situations? Who will be responsible for all medical information sheets? How will the forms be stored and transported?

Emergency forms will be transported in a plastic folder. I will have one copy and the chaperone assigned to the student will have the other. Chaperones, parents and students will be in a group on WhatsApp for daily communication. This is how a parent will be contacted along with a call in case of an emergency

4. If tour guides are involved, what liability insurance do they carry?

All Group Leaders, schools, and districts who travel with EF are automatically added as additional insureds under our \$50 million General Liability Policy, regardless of whether or not the tour is affiliated with the school. EF's liability coverage is primary and non-contributory for covered third-party claims. The policy helps safeguard Group Leaders and their schools for covered third-party claims related to bodily injury or property damage, which includes providing a legal defense and covering legal costs for such claims. In addition, all travelers are required to sign EF's Release and Agreement, which includes a release of liability of their Group Leader, school, and school board.

5. How is the trip related to the educational program of the district?

Educational Tours works to define the modern educational tour experience. Itineraries are more than places to go and things to see. They build programs that challenge assumptions, spark connections, and inspire curiosity in young students. Students will expand their knowledge of the world around them, discover more about themselves, grow more confident and independent, and understand new people, places, and cultures.

6. In what ways will the students benefit? How will the district benefit?

Tours help prepare students for the future by teaching them more about the world, themselves, and the impact they can have on the world. Combining the power of experiential learning with the thrill of global travel, our tours help students:

- Expand their knowledge of the world around them
- Grow more confident and independent
- Understand new people, places, and cultures
- Discover more about themselves

7. How will the trip be evaluated to determine the extent to which these benefits were realized?

Students will complete an evaluation after the trip. The evaluation will ask what the student has learned about themselves through the experience and how the experience changed them.

8. How many students in total? Are any students experiencing academic problems? What previous experience has the staff member had in conducting overnight or extended field trips? What other staff members will be going?

\_The goal is to get 30-40 students. We will be traveling in the summer, so academic issues will not be applicable. I was trained in March 2023 by EF and I took a group of students to Costa Rica in June 2023. We will be permitted 1 chaperone for every 6 students registered. Staff members will be determined as needed with regards to registered travelers.

9. How many chaperones, in addition to staff members, will be going? What are their names and affiliations with the students?

We will be permitted 1 chaperone for every 6 students registered. Staff members/chaperones will be determined as needed with regards to registered travelers.

10. Will any school days be missed? If so, how many? How will teachers be advised in advance that the students will be out of school? How will missed work be made up? What special assistance will be provided to students with academic problems?

\_\_\_\_No school days will be missed\_\_\_\_\_

11. Estimated Cost to Organization and how is this trip funded? How are the funds collected and safeguarded? How will any shortfall be made up or excess funds used?  
Funds are collected through EF Tours. Each registered traveler gets a webpage. Fundraising is available through the website, if the travelers wishes to pursue it.
