

Brecksville Broadview Heights High School
Options Book Revisions 2024-25

General Information:

Please note that all course codes are being converted to a new format to align with the move to PowerSchool for the 2024-2025 school year.

State of Ohio Honors Diploma:

Please change the language in the honors diploma section to reflect current State of Ohio Honors Diploma requirements as updated on 11/6/2023. [ODE Link](#) (See Course Options Book below).

State of Ohio Honors Diploma Criteria Notes

Academic Honors Diploma	
Math	4 Units
Science	4 Units including 2 units of advanced science
Social Studies	4 Units
World Languages	3 Units of one World Language or No less than 2 Units of each World Language studied
Fine Arts	1 Unit
GPA	3.5 on a 4.0 Scale
ACT/SAT	ACT: 27 or higher / SAT: 1280 or higher

Guidance from ODE on the Academic Honors

To be eligible, students must complete units, or credits, in specific subjects (see above chart). They can use Advanced Placement, International Baccalaureate, [College Credit Plus](#) and [Credit Flexibility](#) coursework to meet the unit requirements of an honors diploma. A single course can meet multiple criteria if it fits under multiple subject areas.

Students also can design their own independent study courses. This requires that someone with proper licensure in the subject area must teach or co-teach the courses used for an honors diploma.

Math – Students must take algebra I, geometry, algebra II (or equivalent), and one other higher level course OR a four-course sequence that contains equivalent or higher content.

Brecksville Broadview Heights High School
Options Book Revisions 2024-25

Science – Advanced science refers to courses that are inquiry based with laboratory experiences. They must align with the grades 11/12 standards (or above) or with an Advanced Placement science course or entry-level college course (clearly preparing students for a college freshman-level science class, such as anatomy, botany or astronomy).

Social Studies – Students may get credit for both an American history course and/or the Advanced Placement or International Baccalaureate American history course (same for government and world history). If a district counts financial literacy as a social studies course, students can use it as an elective to meet the requirement. If the district counts financial literacy as a family consumer science or business education elective, it does not count.

World Language – Only credits from courses that are sequential and proficiency based (e.g., Spanish levels I, II, III or German I and II and French I and II) fulfill the honors diploma requirement. Sequential classical (e.g., Latin, Ancient Greek) and visual (e.g., American Sign Language) languages DO fulfill the honors diploma requirement. No units from language courses coded as “Foreign Language Exploratory” can count toward the honors diploma requirement. No units from culture-based courses can count toward the honors diploma requirements.

If a student opts to complete this criterion by taking *two units each of two world languages studied*, a student must complete a total of four world language units. This means two sequential, proficiency-based units in two different languages.

Fine Arts – Courses taken in middle school may meet the general graduation requirement of two semesters of fine arts, but a course must count for high school credit (be high school level work or above) to count for the honors diploma. Dance, drama/theatre, music and visual art courses all count as fine arts courses.

GPA – GPAs must be calculated on an unweighted 4.0 scale.

ACT and SAT score requirements – Students must have scores of 27 or higher on the ACT or 1280 or higher on the SAT or their equivalents on previous or future versions of the tests. The ACT writing and SAT essay sections are not included. Students can use a superscore on the ACT or SAT to meet the requirement scores.

Options Book Revisions 2024-25

Fee Schedule Table:

Please add the sentence about Fees subject to Board Action below the Fee Schedule Table.

This minimum fee schedule, or any part thereof, is subject to change upon the approval of the Board of Education. In addition, all students are required to pay the following fees:

Fee Schedule Table	
General Fee: \$70.00	AP Research/Seminar: \$145.00
Chromebook Insurance Premium: \$30.00	Extracurricular Participation fee: <i>Check the Pay to Participate Fees that are annually reviewed.</i>
Advanced Placement Exam Fee: \$97.00	

***Fees Subject to Board Action for the 2024-2025 School Year. Posted Fee Schedule reflects currently adopted Fee Schedule.**

Business Courses:

*Please add the below course description for **Financial Literacy**. This is now a course all students in the state of Ohio are required to take. The board of education has approved the addition of this course.*

Financial Literacy - FINLHS00AD

Course Number: FINLHS00AD

Course Length: semester

Credits: .5 - NCAA Eligible & NHS Eligible - requirement for high school graduation

Open To: juniors, seniors

Financial literacy is now a requirement for high school graduation in The State of Ohio. Financial literacy is a class where you will learn things that you can put to use in your life right now, and in the near future. The content covered in financial literacy has immediate implications for high school students as you begin to make large financial decisions such as purchasing cars, signing contracts for places to live or taking out loans to continue your education. The goal of financial literacy instruction is to provide you with the knowledge you'll need to make a lifetime of informed financial decisions. This course prepares you to understand financial literacy concepts and helps you to become a savvy consumer who can avoid scams, prepares you to make sound financial decisions, provides an overview of different types of insurance and how insurance protects

Brecksville Broadview Heights High School
Options Book Revisions 2024-25

individuals, explains how to create budgets and plan for unexpected expenses and provides an introduction to investing.

Managing your Personal Finances - *This course will not be offered in '24-'25.*

*This course is no longer being offered due to the addition of the State required course **Financial Literacy**. The course **Financial Literacy** will take its place and cover all state mandated requirements.*

Programming in Visual Basic/JAVA - *This course will not be offered in '24-'25.*

This course is no longer being offered due to low enrollment.

Tech Ed. Courses:

Robotics I and Robotics II - *This course will not be offered in '24-'25.*

These courses are no longer being offered due to low enrollment. Student enrollment in the Robotics program as an extracurricular activity remains high as well as enrollment into additional Tech Ed courses have allowed the Tech Ed. department to focus on growing other courses and developing new courses of need.

CVCC Courses

Please allow for the addition of an updated link to CVCC course and program descriptions. Within these courses there is a new description for the Fire and EMS program. This program is now in a partnership with Stark State College, allowing our students to earn College Credit for several of these classes as they work toward their accreditations.

ENGLISH:

Please allow for title and/or language changes in the following English Elective courses Stage Craft, Acting for Stage (1), Acting for Film (2), Journalism, Public Speaking, Creative Writing 1, Creative Writing 2, Modern Novel, and Video Journalism. Titles were changed and course descriptions were adjusted to provide more accurate details and alignment to the English Electives.

Stagecraft - 1042

Course Number: 1042

Course Length: semester

Credits: .5- NHS Eligible

Open To: freshmen, sophomores, juniors, seniors

~~Stagecraft will be the technical end of the theatre coursework at BBHHS.~~ This course will cover set design and construction; lighting design, hang & focus; costume design and construction; sound

Brecksville Broadview Heights High School
Options Book Revisions 2024-25

design & execution; properties design, gathering & execution, and all matters for the front of the house.

Prerequisite: None

Acting for Stage (Acting 1) - ACT1HS00AD

Course Number: ACT1HS00AD

Course Length: semester

Credits: .5- NHS Eligible

Open To: freshmen, sophomores, juniors, seniors

Acting is for students interested in an in-depth study of the principles and techniques of acting. The following areas will be covered: oral interpretation, acting techniques, acting in plays, and when possible a one-act play will be produced in class.

Prerequisite: Introduction to theater; memorization of lines is required.

Acting for Film (Acting 2) - ACT2HS00AD

Course Number: ACT2HS00AD

Course Length: semester

Credits: .5- NHS Eligible

Open To: juniors, seniors

Acting for Film is a performance class for students interested in performing in digital media. Students will learn the difference between acting for live performances and filmed performances. Students will produce filmed performances for entertainment and will sometimes be featured on BEE-TV.

Prerequisite: Introduction to Theatre (acting 1 not required); memorization of lines is required; parent permission to use their student's image and likeness required.

Journalism - JOR1HS00AD

Course Number: JOR1HS00AD

Course Length: year

Credits: 1.0- NHS Eligible

Open To: freshmen, sophomores, juniors, seniors

Brecksville Broadview Heights High School

Options Book Revisions 2024-25

A practical, hands-on approach to journalism through the creation of the school newspaper, The Hybreeze. Coursework includes instruction and practice in hard news writing, feature, sports writing, review, commentary, and editorials. Students will also learn how to use In-Design software to create layouts. Student are required to participate in the full process of producing the school newspaper including the generation of story ideas and the interview, writing, and publishing processes.

Prerequisite: None, Repeatable

Public Speaking - PBSPHS00AD

Course Number: PBSPHS00AD

Course Length: semester

Credits: .5- NCAA Eligible & NHS Eligible

Open To: freshmen, sophomores, juniors, seniors

Various types of speeches are studied and the student is given the opportunity to develop outlines, use visual aids, and give speeches in front of groups on a bi-weekly basis. Interpersonal communication skills are also practiced through mock interviews and peer feedback. Students will learn how to improve their verbal and nonverbal communication skills through traditional and modern genres of public speaking.

Prerequisite: None

Creative Writing 1 - CRW1HS00AD

Course Number: CRW1HS00AD

Course Length: semester

Credits: .5- NCAA Eligible & NHS Eligible

Open To: all grades

Students will engage in a community based atmosphere of self-expression while writing poetry, drama, and short stories.

Prerequisite: A grade of "C" minimum in previous English course.

Creative Writing 2 - 1053

Course Number: 1053

Course Length: semester

Credits: .5- NCAA Eligible & NHS Eligible

Open To: sophomores, juniors, seniors

Brecksville Broadview Heights High School
Options Book Revisions 2024-25

Designed for students who have a background in Creative Writing 1 and wish to continue honing their writing craft.

Prerequisite: Creative Writing 1

Modern Novel - 1022

Course Number: 1022

Course Length: semester

Credits: .5- NCAA Eligible & NHS Eligible

Open To: freshmen, sophomores, juniors, seniors

Welcome to your new book club! This course is designed to give students who enjoy reading and talking about books an in-depth look into ~~20th-century prose~~ modern fiction. Students will read from a variety of genres. ~~Students will~~ and ~~discuss and~~ engage in activities and projects for each novel focusing on recurrent themes in the modern novel. Students should expect to read from five to six novels over the course of the semester. ~~and engage in socratic seminar style discussion and reflection activities about them.~~ This is a discussion and activity based class and is not heavily focused on writing.

Prerequisite: None

*Please allow for the addition of the English Elective Course: **Modern Media Communications - 1060**. This course is being offered to serve the growing need for understanding, utilizing, developing, and marketing an online brand. Career fields in the Media Arts are continuously growing and this class will allow students the opportunity to explore marketing using Social Media influences responsibly.*

Modern Media Communications - 1060

Course Number: 1060

Course Length: semester

Credits: .5- NCAA Eligible & NHS Eligible

Open To: freshmen, sophomores, juniors, and seniors

Students will explore the strategic expansion of your online brand in a responsible, ethical, and secure manner. This course encourages students to leverage online media to their advantage, and introduces them to the skills needed to navigate both traditional and contemporary media elements. An emphasis is placed within the current landscape of digital media technology. The course covers essential aspects such as appropriate research skills, internet safety, critical & creative thinking, video production, editing techniques, and application of diverse writing styles needed to

Brecksville Broadview Heights High School
Options Book Revisions 2024-25

communicate with various audiences. The course will also explore careers in modern media and provide them insights into effective communication strategies through various platforms and contemporary media sources.

Prerequisite: None; parent permission to use their student's image and likeness required.

Writing Lab - *This course will not be offered in '24-'25.*

This course is no longer being offered due to low enrollment and an inability to staff this course and other English electives.

Music Courses:

Please adjust the following music courses to make them Honors Courses: **Treble Choir** and **Jazz Ensemble**. These courses are being adjusted to honors level courses and weighted accordingly to align with other upper level music courses throughout the department. This change rectifies these upper level music courses being originally unweighted unlike similar courses in the music department (**Wind Ensemble**, **Concert Band**, **Chamber Choir** and **Chamber Orchestra**).

Treble Choir - CHRTHS00HN

Course Number: CHRTHS00HN

Course Length: year

Credits: 1.0 - NCAA Eligible & NHS Eligible

Open To: 9-12 Treble voiced singers (regardless of gender) - BY AUDITION ONLY

Treble Choir is a performing organization in which the fundamental concepts of singing, learned in previous choirs are continued and expanded. Proper breathing, control, and vocal projection are studied. Singers refine their tone. Sight-singing abilities are focused on. Music of all styles and periods is included in the course. **All concerts and performances are mandatory.** Medium level time commitment. All literature is arranged for treble voices.

Prerequisite: Must sing in the treble octaves regardless of gender. Audition required.

Jazz Ensemble - JZZEHS00HN

Course Number: JZZEHS00HN

Course Length: year

Credits: 1.0 - NCAA Eligible & NHS Eligible

Open To: freshmen, sophomores, juniors, seniors

The Jazz Band students will study Jazz and other related literature. Jazz Band is a class that meets (for credit) every school day and performs at several school and civic events each year. Membership in this group is based on level of experience and by audition only.

Brecksville Broadview Heights High School
Options Book Revisions 2024-25

Prerequisite: All members are selected through auditions with the director

*Please adjust the title of the course **Concert Winds** to **Concert Band**. This title change aligns the course to the band program directly.*

Concert Band - BNDCHS00AD

Course Number: BNDCHS00AD (office use only - selected by the director)

Course Length: year

Fee: Pay to Participate, Band Booster Fee, School Instrument Fee

Credits: 1.0 - NCAA Eligible & NHS Eligible

Open To: freshmen, sophomores, juniors, and seniors

Concert Band is open to wind, brass and percussion instrumentalists who have achieved a specific level of playing ability. Admittance into this class is based on auditions and demands the highest commitment to a performing ensemble. In addition to the performance of modern wind literature and transcriptions, the fundamentals of wind performance such as breathing skills, embouchure strength and flexibility, finger strength and speed, and articulation ability will be emphasized.

Prerequisite: All members are selected through auditions with the director(s)

Science Courses:

*Please change the language that includes the fee approximation for the course **AP Biology**. This change is being made to accurately reflect the updated approximate cost for the Field Trip fee of \$220. This fee allows students to partake in a field trip exploration to Stone Laboratory on South Bass Island.*

AP Biology - 3004AP

Course Number: 3004 AP

Course Length: year

Credits: 1.0 - NCAA Eligible & NHS Eligible

Open To: sophomores, juniors, seniors

A laboratory course intended to be the equivalent of a college introductory biology course. The course is designed to provide students with the conceptual framework, factual knowledge, and analytical skills necessary to deal critically with the rapidly changing science of biology. All branches of biology will be covered with an emphasis on preparation for advanced placement testing. The purchase of a workbook and laboratory manual may be required. This course may include a field trip with an approximate additional cost of \$220 ~~\$150.00~~. AP Exam is required.

Prerequisite: Counselor recommendation and teacher approval and one earned credit each of Honors/Academic Chemistry 1 and Honors/ Academic Biology I. Honor Chemistry is highly recommended.

Brecksville Broadview Heights High School
Options Book Revisions 2024-25

*Please update the language in the following courses: **Academic Physics** and **Honors Physics**. The language references the courses more specifically as Algebra based physics courses and adds specific grade requirements and teacher recommendations to the prerequisites.*

Academic Physics - 3010

Course Number: 3010

Course Length: year

Credits: 1.0 - NCAA Eligible & NHS Eligible

Open To: juniors, seniors

Academic Physics is an Algebra-based A laboratory course that stresses the fundamental laws and concepts of physics and their applications to real-life situations. Content areas include vector analysis, forces and motion, energy, momentum, sound, optics, electricity, magnetism, and modern physics. Emphasis is placed upon problem-solving strategies. Web assign fee.

Prerequisites: Teacher recommendation, Grade of C or better in Algebra 2 / Trig Equivalent. (Chemistry 1 is strongly recommended.) One earned credit of Physical Science.

Honors Physics - 3010H

Course Number: 3010H

Course Length: year

Credits: 1.0 - NCAA Eligible & NHS Eligible

Open To: juniors, seniors

A more rigorous physics course that provides a systematic introduction and laboratory study of the main principles of physics. Understanding these principles and the ability to apply them in solving complex problems are the major goals of the course. Major content areas include kinematics, Newton's Laws, mechanics, energy, rotation, waves, optics, thermodynamics, & electricity ; magnetism, and modern physics. Both vocabulary and mathematics will be on the enriched level. Laboratory work will supplement the course work and emphasize mathematical and graphical analysis of data.

Prerequisite: Approval of previous science teacher and counselor. Grade of B or better in Algebra 2 / Trig. Pre-calculus should be taken concurrently. Honors Chemistry 1 is strongly recommended.

*Please split **AP Physics C: Mechanics and Electricity and Magnetism** into 2 separate year long courses. Following a long course study and review by the Physics Department, Science Department Chair, and Administration it was determined that splitting the courses into two separate year long course will grow the number of students who attempt to take AP Physics C, better align the course with the AP Physics C course description, and provide the growing number of students taking AP Calc and*

Brecksville Broadview Heights High School
Options Book Revisions 2024-25

Calc 3 with an opportunity to get the full content of an AP Physics Course in Electricity and Magnetism while soundly developing their foundational Physics knowledge in AP Physics C: Mechanics.

AP Physics C: Mechanics

Course Number: 3010 APM

Course Length: year

Semester 1: C Mechanics

Semester 2: C Electricity and Magnetism

Credits: 1.0 - NCAA Eligible & NHS Eligible

Open To: freshmen, sophomores, juniors, seniors

Physics C is a more rigorous, calculus-based physics course that provides a systematic introduction and laboratory study of the main principles of physics. Understanding these principles and the ability to apply them in solving problems are the major goals of the course. Major content areas include mechanics Kinematics, Newton's Laws, Energy, Rotational Dynamics, and Oscillators. Electricity, Magnetism, and Basic Circuits. Both vocabulary and mathematics will be at an enriched advanced level. Laboratory work will supplement the course work and emphasize mathematical and graphical analysis of data and guided inquiry. Upon completion of this course, students should be prepared to take the AP Physics C: Mechanics exam. ~~s. 2 AP exams are required. This course requires a student to take C1 and C2 AP Physics C: Mechanics AND AP Physics C: Electricity and Magnetism consecutively.~~ Web assign fee.

Prerequisite: Approval of previous science teacher and counselor. **Calculus must be taken previously or concurrently (AP Recommended).** Honors Chemistry 1 is strongly recommended.

AP Physics C: Electricity and Magnetism

Course Number: 3010 APE

Course Length: year

Credits: 1.0 - NCAA Eligible & NHS Eligible

Open To: freshmen, sophomores, juniors, seniors

Physics C is a rigorous, calculus-based physics course that provides a systematic introduction and laboratory study of the main principles of physics. Understanding these principles and the ability to apply them in solving problems are the major goals of the course. Major content areas include Electric Charge and Electric Fields, Electric Potential, Basic Circuits, Magnetism, and Magnetic Induction. Both vocabulary and mathematics will be at an advanced level. Laboratory work will supplement the course work and emphasize mathematical and graphical analysis of data and

Brecksville Broadview Heights High School
Options Book Revisions 2024-25

guided inquiry. Upon completion of this course, students should be prepared to take the AP Physics C: Electricity and Magnetism exam.: Web assign fee.

Prerequisite: AP Physics C: Mechanics, Approval of previous science teacher and counselor. **Calculus must be taken previously or concurrently (AP Recommended).**

SOCIAL STUDIES:

*Please update the language in the following courses: **Academic Economics** and **AP Macro/Micro Economics**. The language to the Academic Economics course is being changed to show that this course is strongly encouraged for students planning on majoring in business and/or finance in college. The language change in AP Macro/Micro Economics better aligns the course with the College Board description while exam fees and the AP process.*

Academic Economics - 0248

Course Number: 0248

Course Length: semester

Credits: .5 - NCAA Eligible & NHS Eligible

Open To: seniors, juniors

Strongly encouraged for students planning on majoring in business, marketing, finance, etc.

Emphasis will be placed on understanding basic economic concepts and macroeconomic principles through application to current and historic economic issues. Students will engage in managing a stock portfolio by participating in a Stock Market Simulation.

Prerequisite: Recommendation by counselor

AP Macro/Micro Economics. - 0042

Course Number: 0042

Course Length: year

Credits: 1.0 - NCAA Eligible & NHS Eligible

Open To: juniors, seniors

AP Macro/Micro Economics is highly recommended to all junior &/or senior students, & especially appropriate for any students interested in business-related fields of study in college. Students with a qualifying score on the AP exam(s) can earn college credit for economics or placement. This is important because many colleges/universities may require at least one semester of economics. Regardless, all students can benefit from this course which develops students' general thinking and problem-solving skills through the application of economic principles and concepts to both

Brecksville Broadview Heights High School
Options Book Revisions 2024-25

~~microeconomic and macroeconomic topics and issues.~~ The first semester focuses on microeconomic units such as the individual, the firm, and specific markets. The second semester builds on this understanding to consider the workings of a nation's macroeconomy. Graph construction and interpretation, along with mathematical competency are necessary for student success. ~~Purchase of two AP Activities workbooks, microeconomics and macroeconomics, is required. This course meets the economics requirement for graduation.~~ Students will be required to take the AP Exam(s).

Prerequisite: Honors Algebra II/Trigonometry

*Please update the course description for the course: **Psychology**. This course description change has been made to update the current topics covered in the Psychology elective.*

Psychology - 4030

Course Number: 4030

Course Length: semester

Credits: .5 - NCAA Eligible & NHS Eligible

Open To: freshmen, sophomores, juniors, seniors

~~Psychology explores the basic principles of learning; personality development; sleep stages; dreaming; sleep disorders; nature vs nurture and biological influence on human behavior; the importance of human emotions; conditions and disorders and the varied treatments now available to maximize good mental and physical health over the lifespan. The basic principles~~ **Psychology is the study of human behavior and mental processes. In short, why humans behave the way we do, and why we think the way we do. Through this course we will explore the topics of Psychological Perspectives, Biological Bases of Behavior, Learning, Lifespan and Development, Motivation-Emotion-Personality, Psychological Disorders and Forensic Psychology and Serial Killers. These topics are** accompanied by an appropriate discussion of new research that adds to the knowledge that we already possess on the brain, and its evolution over time that has led to new and exciting information that is forever changing the world we live in.

Prerequisite: None

World Language Courses:

*Please adjust the language in the courses: **French I**, **German I**, and **Spanish I**. The language changes are reflected in the course descriptions below. These changes have been made by the department in a consistent effort to keep the 3 different world language pathways aligned.*

Brecksville Broadview Heights High School
Options Book Revisions 2024-25

French 1 - 5010

Course Number: 5010

Course Length: year

Credits: 1.0- NCAA Eligible & NHS Eligible

Open To: freshmen, sophomores, juniors, seniors

French 1 is an introductory course that allows students to progress with beginning proficiency in speaking, reading, listening comprehension, and writing. Students will learn about French culture and also learn to talk about themselves and their families and to make simple requests. Students will learn about the culture and talk about themselves and their families, and make simple requests in the target language. Class is conducted in French.

Prerequisite: None

German 1 - 5510

Course Number: 5510

Course Length: year

Credits: 1.0- NCAA Eligible & NHS Eligible

Open To: freshmen, sophomores, juniors, seniors

German 1 is an introductory course that allows students to progress with beginning proficiency in speaking, reading, listening comprehension, and writing. Students will learn about German culture and also learn to talk about themselves and their families and to make simple requests. Students will learn about the culture and talk about themselves and their families, and make simple requests in the target language. Class is conducted in German.

Prerequisite: None

Spanish 1 - 5810

Course Number: 5810

Course Length: year

Credits: 1.0- NCAA Eligible & NHS Eligible

Open To: freshmen, sophomores, juniors, seniors

Spanish 1 is an introductory course that allows students to progress with beginning proficiency in speaking, reading, listening comprehension, and writing. Students will learn about Hispanic culture and also learn to talk about themselves and their families and to make simple requests. Class is conducted in Spanish.

Brecksville Broadview Heights High School
Options Book Revisions 2024-25

~~Students are introduced to the Spanish language, with as little English as possible. The four language skills of speaking, writing, reading, and listening comprehension are emphasized. Students will also gain beginning skills in intercultural competence.~~

Prerequisite: None

*Please add the course: **French 2**. French 2 is being added as this will be the district's second year offering French as a World Language Class. Students who have completed French 1 will be able to progress on in their World Language study with the offering of French 2.*

French 2 - 5020

Course Number: 5020

Course Length: year

Credits: 1.0- NCAA Eligible & NHS Eligible

Open To: freshmen, sophomores, juniors, seniors

French 2 is a continuation of French 1. This course stresses further development of the four skills: speaking, reading, listening comprehension, and writing in order to attain basic proficiency in the language. Students will learn about the culture and be able to navigate common situations in France, while strengthening their skills in giving opinions and making requests. Class is conducted in French.

Prerequisite: French 1

*Please adjust the course language in the following classes: **German 4 Honors**, **Spanish 2**, **Spanish 4 Honors**, and **English as a Second Language**. Adjustments to these course descriptions are being made to provide more detailed and accurate descriptions of the courses while also highlighting updates to course materials and fees such as workbooks.*

German 4 Honors - 5541

Course Number: 5541

Course Length: year

Credits: 1.0- NCAA Eligible & NHS Eligible

Open To: freshmen, sophomores, juniors, seniors

German 4 Honors offers students the opportunity to develop and enhance their individual skills. Students will read a variety of materials, develop a much broader vocabulary, as well as further develop their skills in intercultural competence. The grammar presented in the first three years is

Brecksville Broadview Heights High School
Options Book Revisions 2024-25

completely reviewed, and students will learn some advanced grammar to enhance their reading, writing, speaking, and listening skills. Class is conducted in German.

~~German 4 Honors offers students the opportunity to develop their skills by reading numerous articles on pertinent areas of concern for Germany. Students will read novels, short stories, and poetry. Understanding of German literature and increased fluency are simultaneous goals. Grammar, composition, oral skills, and creative writing are emphasized and refined. Class is conducted in German.~~

Prerequisite: German 3

Spanish 2 - 5820

Course Number: 5820

Course Length: year

Credits: 1.0- NCAA Eligible & NHS Eligible

Open To: freshmen, sophomores, juniors, seniors

Spanish 2 is a continuation of Spanish 1. This course stresses further development of the four skills: speaking, reading, listening comprehension, and writing in order to attain basic proficiency in the language. Students will learn about the culture and be able to navigate common situations in Spanish speaking countries, while strengthening their skills in giving opinions and making requests. Class is conducted in Spanish.

Prerequisite: Spanish 1

~~A thorough review of Spanish 1 is followed by the continuation of the four basic skills begun in Spanish 1. The study of grammar, as well as writing, and oral skills, is intensified. Students continue to build skill in intercultural competence. Class is primarily conducted in Spanish.~~

~~Prerequisite: Spanish 1~~

Spanish 4 Honors - 5841

Course Number: 5841

Course Length: year

Credits: 1.0- NCAA Eligible & NHS Eligible

Fee: **Workbook**

Open To: freshmen, sophomores, juniors, seniors

Brecksville Broadview Heights High School
Options Book Revisions 2024-25

Spanish 4 Honors offers the students the opportunity to develop and enhance their individual skills. Students will read a variety of materials, develop a much broader vocabulary, as well as further develop their skills in intercultural competence. The grammar presented in the first three years is completely reviewed, and students will learn some advanced grammar to enhance their reading, writing, speaking, and listening skills. Class is conducted in Spanish. ~~At the end of the course, there will be a summer reading assignment to prepare for the next level.~~

Prerequisite: Spanish 3 Honors and teacher recommendation

English as a Second Language - 5842

Course Number: 5842

Course Length: year

Credits: 1.0 elective credit- NHS Eligible

Periods/Week: 5

Open To: Students whose native language is one other than English.

This course is designed for English Learners and incorporates instruction for all four language domains: listening, speaking, reading, writing. ~~In addition, there is some focus on vocabulary and grammar.~~ Through a variety of activities, the goal of the class is for students to become proficient enough in English that they can perform at an academic level commensurate with their English speaking peers. It is taught with the understanding that each student will come to the class with a different level of English proficiency; and therefore, activities are structured so that all students' needs are met. This course can be taken for credit for two years.

Prerequisite: Teacher/counselor recommendation

Please remove the following Mandarin Chinese Language courses from the Course Options Book:

Mandarin Chinese Honors 3 - *This course will not be offered in '24-'25.*

Mandarin Chinese Honors 4 - *This course will not be offered in '24-'25.*

Mandarin Chinese Honors 5 - *This course will not be offered in '24-'25.*

AP Chinese Language and Culture - *This course will not be offered in '24-'25.*

The above Mandarin Chinese courses are being removed following the district's plan to discontinue the Mandarin Chinese program due to low enrollment.
