~~In order to facilitate the smooth operation of each school building or department, a petty cash fund shall be established for each account as per the schedule outlined below:~~

Each Elementary School (4)	\$100
Each Secondary School (2)	\$150
Transportation	\$50
Education Center	\$150
Beekeepers	\$100
Student Activities	\$150

~~The Board shall require the imposition of such controls as will prevent abuse of such funds. Accordingly, the Treasurer/CFO shall develop guidelines specifying the controls for any petty cash fund.~~

~~Each custodian of a petty cash fund shall ensure that the fund in his/her care shall be disbursed only for minor expenditures not readily deferred. No petty cash fund may be used to circumvent the purchasing procedures required by law and the policies of the Board. A request for disbursement from a petty cash fund must be made in writing on a voucher form, be signed by the person making the request, include the account to be charged and a description of the item purchased. An individual itemized and dated receipt must be attached to the voucher. Disbursements from a petty cash fund will be made in cash. The petty cash box must be secured daily.~~

~~The custodian of each petty cash fund shall prepare requisition to replenish the fund when the money available has declined to less the twenty five percent (25%) of the full amount authorized and shall show the disbursements by line account numbers. The custodian shall submit the requisition with vouchers attached to the Treasurer/CFO's office for replenishment in like amount.~~

~~All petty cash funds will be closed out for an audit at the end of the school year and unused funds will be returned to the Treasurer/CFO's office. All petty cash funds may be subject to random audits through the school year to be sure all receipts and cash in the petty cash fund are equal to the authorized amount as stated above.~~
