8660 - ~~STUDENT TRANSPORTATION SERVICES~~INCIDENTAL TRANSPORTATION OF STUDENTS BY PRIVATE VEHICLE

~~The Board of Education will furnish school bus transportation to all elementary and secondary school students to the extent determined by the administration and approved by the Board. This may vary due to safety conditions that prevail in certain areas of the District. All regulations governing student transportation will be in accordance with the "Ohio School Bus Operation Regulations" issued by the Ohio Department of Education, Ohio State Highway Patrol and the Ohio Department of Highway Safety and as required by State law.~~

~~Private School Transportation~~

~~The District provides transportation for students who attend private schools in compliance with State law. The District has the authority to make payment in lieu of transportation.~~

~~Transportation of Non-Resident~~

~~The Board of any School district shall not provide transportation for any student who is a school resident of another school unless the Board of the district of the student's residence has released the student for transportation purposes and it has been deemed practical by the Superintendent or his/her designee.~~

~~Student Transportation in Private Vehicles~~

~~School bus transportation will be provided for all officially approved transportation requests to and from student activities. The regular use of private vehicles for transportation of students, volunteers, teachers and other employees to and from student activities is prohibited by Ohio Administrative Code 3301-83-19 and 3301-83-06. However, if an unforeseen need arises, transportation by private vehicles will be permitted only if previously approved by the Superintendent or his/her designee, unless an emergency prevents such approval. The Board will maintain excess insurance through a non-ownership liability endorsement to its bus fleet insurance policy covering all private vehicles used for transportation to and from student activities.~~

The Board of Education authorizes the incidental transportation by private vehicle of students of the District. Routine and non-routine transportation, however, shall be subject to all requirements listed in A.C. 3301-83-19, Board Policy 8600 - Transportation, Board Policy 8640 - Transportation for Non-Routine Trips, Board Policy 8650 - Transportation by Vehicles Other Than School Buses, and relevant administrative guidelines.

This policy does not apply to parents who privately arrange transportation for their own children. No District staff shall organize such arrangements or assist parents in doing so.

Any such incidental transportation must be approved, in advance and in writing, by the Superintendent or Designee in accordance with the Superintendent's administrative guidelines.

The parent of the participating student will be given, upon request, the name of the driver, the owner of the vehicle, and the description of the vehicle. The District will maintain on file the amount of liability insurance on the vehicle and the name of the insurance company.

No person shall be approved for the incidental transportation of students in a private vehicle who is not an employee of this Board; and the holder of a currently-valid license to operate a motor vehicle in the State of Ohio.

No person shall be permitted to transport students if the person does not possess and maintain automobile liability and personal injury insurance in the amount required by District administrative guidelines. The Superintendent may withdraw the authorization of any private vehicle driver who fails to maintain the required amount of automobile liability insurance

Any private vehicle used for the incidental transportation of students must be owned by the approved driver or the spouse of the approved driver and must conform to the registration requirements of the State.

The responsibility of professional staff members for the discipline and control of students will extend to their incidental transportation of students in a private vehicle. Drivers who are not professional staff members are requested to report student misconduct to the principal.
