2024 Repair/Replacement of Asphalt Pavement Project**

Dear Mr. Koss:

On Wednesday, March 27, 2024, four (4) proposals were received for the above referenced project. The proposals were opened and publicly read aloud at 12:00PM EST. A complete Bid Tabulation is attached.

The low bidder, Ohio Paving and Construction, is 25% under the base bid estimate with a bid of \$264,992.

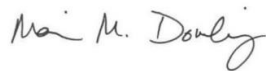

There were six alternate bids included with this contract. The Board has elected to accept Alternate Bid #2 – Middle School TLC Drive Improvements in the amount of \$14,634.90. The Behnke estimated cost for this item was \$14,500.

The recommended total project award is \$304,626.90, which includes the Base Bid, Alternate Bid #2, and a Contingency in the amount of \$25,000.

Behnke has reviewed the bid from Ohio Paving and Construction and has found no irregularities or exceptions. Behnke has completed work with Ohio Paving & Construction. Most recently on the All-Persons Trail in Memorial Park located in North Royalton. We were pleased with the quality of their work.

If you have any questions or require further information, please feel free to contact me.

Sincerely,
