9270A - ADMISSION OF STUDENTS ENROLLING FROM NON-CHARTERED SCHOOLS OR HOME EDUCATION

The following guideline applies to students who are enrolling in the District transferring from a HOME EDUCATION home-school, a non-chartered religious school, or foreign school. It does not apply to any school that has been chartered or licensed by a state education agency.

General Procedures:

- A. The parent is to submit to the District Registrar written notification of the intent to enter the school no later than fourteen (14) days prior to the expected date of enrollment.
- B. Prior to placement, the parent must complete normal enrollment procedures as outlined in AG 5111.
- C. The building principal and/or school psychologist is responsible for conducting a thorough placement study including an assessment of current learnings relative to each course of study (see AG 5463). The placement study should also include a review of information provided by the parent such as student achievement data, standardized test scores, topics studied, resources used, and samples of student work and accomplishments. No student is to be placed in any school or grade without a written placement review.
- D. A final meeting with the parent and student shall be scheduled to review the District's assessment results, establish credits (if applicable), and discuss placement.
- E. In the event the advance notice is not provided to the District prior to enrollment, a temporary placement decision may be made by the Director of Pupil Services while the placement review is conducted. The parent is to be informed of the District's placement review procedure.
- F. A review of student progress shall be conducted by the building team (principal, counselor, teacher) at the end of the 1st grading periods to evaluate effectiveness of the placement decision.
- G. A parent may request, during the placement procedure, that their child participate in special education programming. If so, the District's special education identification and evaluation procedure is to be followed. If there is no conclusive evidence that special education testing should be initiated or if the student does not qualify, the 504 evaluation procedure (AG 2260) may be applicable or the building team may be notified prior to student placement.
- H. If the District's assessment of a student indicates mastery of curriculum objectives that far exceed the normal age/grade placement, and whose standardized test scores indicate qualification for gifted education, the students/he may be referred to the gifted coordinator/principal for placement.
- I. A student enrolling into a school in the District shall be placed in the appropriate grade level, without discrimination or prejudice.

Such test shall be administered by: a certified teacher; another person mutually agreed upon by the parent(s) and the Superintendent; or a person duly authorized by the publisher of the test.~~

2. ~~A written narrative indicating that a portfolio of samples of the child's work has been reviewed and that the child's academic progress for the year is in accordance with the child's abilities. The written narrative shall be prepared by: a certified teacher; or other person mutually agreed upon by the parent(s) and the Superintendent. The parent(s) shall be responsible for the payment of fees charged for preparation of the narrative. An alternative academic assessment of the child's proficiency mutually agreed upon the parent(s) and the Superintendent.~~
 3. receive a raw-score equivalent to the fiftieth (50th) percentile on a nationally-normed, criterion-referenced test in the specific subject or a score of at least **three (3) seventy five percent (75%)** on the **Ohio-mandated assessment or test, Ohio Achievement Test**, if applicable to the grade level.
 4. receive a **passing/proficient** grade in the final examination in the subject, plus satisfactory completion of any academic projects **the** student must complete to demonstrate competence in the subject area.
 5. ~~completed a home schooling portfolio.~~
 6. The student will have only one (1) opportunity to take the appropriate test(s). The student must complete the test(s) within ten (10) days from the date of enrollment and any projects by no later than **one (1)** ~~the end of the~~ grading period.
- B. **to** receive credit in courses other than **English** language arts, social studies, mathematics, and/or science, the student must demonstrate **proficiency (i.e., a level of academic achievement)** ~~proof of achievement~~ as determined by the building administrator and the department chairperson.

In accordance with Board Policy 5463, no letter or number grades will be recorded for courses for which credit is granted. Credit will be issued on a pass/fail (P/F) basis and the transcript will indicate **"home education"** ~~"home school"~~ credit, **as applicable**. The credit will be recognized for high school graduation requirements. Students entering school at any point following the conclusion of the first grading period will be evaluated on a pass/fail basis for competency in the course work dealt with during the grading period(s).

The maximum number of credits a student may receive for each year of academic study is five and one-quarter (5.25) credits which is equivalent to the average number of credits a student may earn while attending the high school.

Procedures for Determining Grade Point Average (GPA)/Class Rank/Transcripts

Students entering the high school shall have no established grade point average (GPA) or class rank until they have completed four (4) semesters.

Graduation and Commencement Exercises

- A. Before a diploma will be presented, the student must meet all of the Board's graduation requirements.
- B. For a student to qualify for participation in the commencement exercises, s/he must be enrolled in the high school for one (1) full semester.
