

Brecksville-Broadview Heights City School District

April 26, 2024

Dear Parent/Guardian,

Governor Mike DeWine signed Senate Bill 288 (SB 288) into law mandating that school districts notify parents about required curriculum on child sexual abuse and sexual violence prevention.

Schools must implement these new requirements beginning in the 2023-2024 school year.

SB 288 requires that school districts provide students in grades K-6 developmentally appropriate instruction on child sexual abuse prevention, including information on available counseling and resources for children who are sexually abused. Additionally, SB 288 requires that students in grades seven through twelve receive developmentally appropriate instruction in dating violence prevention education and sexual violence prevention education, which must include instruction in recognizing dating violence warning signs and characteristics of healthy relationships.

The Brecksville-Broadview Heights City School District will utilize the [state approved](#) curriculum of [Fight Child Abuse](#) for students in grades K-5 in the fourth quarter. Lessons will begin on May 8, 2024.

School administrators and counselors selected this curriculum due to its age-appropriate content regarding child sexual abuse prevention and healthy relationships. Participating in the child sexual abuse prevention curriculum may help to create a greater awareness of the warning signs associated with unhealthy relationships and prevent abuse before it occurs. More information about the [Fight Child Abuse curriculum can be found at here.](#)

If you wish to have your child participate in the approximately 30 minute lesson taught by BBHCSD school counselors, no further action is needed.

However, if you do not wish to have your child participate in the state mandated SB 288 instruction on child sexual abuse prevention, there are two ways to opt out, hard copy or electronic. Choose one of the following:

1. Download, print, sign and return page two of this document to your child's homeroom teacher
2. [Click here to complete the opt-out survey](#)
