Each school shall provide adequate space on the present bulletin board for B.E.A. materials for the purpose of communications with the bargaining unit of official notice of, or results of, official business, activities, and meetings of the B.E.A. B. B.E.A. Meetings

The B.E.A. shall have the privilege, without charge, of official membership meetings on school property within limits of the Board approved building use regulations. Meetings shall occur outside of the teacher workday, but may be scheduled at the discretion of the BEA for no more than 30 minutes within the teacher workday with at least 48 hours' notice to the building principal(s). Additionally, the B.E.A. shall be granted five (5) days of release time for use by teacher members for B.E.A. business with B.E.A. reimbursing the Board for the cost of the substitutes for these days. This benefit shall be limited to a maximum, at any one time, of three (3) teacher members for a maximum of two (2) days each. This released time is to be taken in increments of no less than half day increments unless approved by the building principal. All absence requests shall be submitted to the Superintendent/Superintendent's designee at least one (1) week prior to B.E.A. business meetings. Teachers shall receive regular pay during the approved absence period and substitutes will be provided as required.

F. New Hires

The Assist. Superintendent shall inform the B.E.A. when there is a newly-hired bargaining unit member within five (5) work days of the member being hired. If a bargaining unit member's start date is prior to the recommendation to the Board to hire, the Assist. Superintendent will inform the B.E.A. president of the intention to recommend the hiring of a bargaining unit member.

The B.E.A. will be given at least one (1) hour of time during New Teacher Orientation to meet with newly hired bargaining unit members.

If the one (1) month notice cannot be given, the teacher shall notify the Superintendent as soon as possible. A request for parental leave may be withdrawn at any time before the requested parental leave begins. Under extraordinary circumstances, the Superintendent may delay a teacher who has withdrawn a request for parental leave from returning to their position for up to four (4) weeks in order for the district to make necessary adjustments to staffing (i.e., bumping, initiation of a RIF, reassignment, etc.).
3. Parental leave may begin any time between the birth of a child and the child's first birthday. In the case of adoption, parental leave may begin upon receipt of custody of a child prior to his/her 6th birthday. If notification is not received on the date specified, it will be assumed that the individual on leave does not wish to return to employment with the Board. If notification is received on time, the teacher shall be placed in a teaching position as of the beginning of the coming school year.
6. Upon return from approved parental leave, a teacher shall be entitled to reinstatement to a substantially equivalent position for which the teacher holds a valid unexpired certificate/license.

8. Parental leave shall also be given to a teacher who requests it in order to care for his/her parent(s).
9. Consecutive parental leaves shall not exceed four (4) consecutive years. If a teacher has utilized parental leave for four (4) consecutive years, he/she must be in active pay status for a minimum of 120 days before parental leave can again be granted. This restriction shall not apply to teachers with twenty-five (25) years or more of teaching in Ohio schools.
5. A sabbatical leave may be granted for one nine (9) week period, one (1) semester, one (1) full year, or for the last semester of one (1) year and the first semester of the following year. Each teacher on leave shall receive a salary equal to the difference between his/her expected salary and that of his/her substitute,

assuming such expected salary is greater than that paid to the substitute. It is understood that in computing the substitute's salary there shall be added the cost of the normal fringe benefits to be paid to the substitute. Teaching credit shall be given the same as if the teacher on sabbatical was teaching in the system. The teacher on sabbatical may continue at his/her cost all fringe benefits at the group rate.

6. Application for sabbatical leave shall be made in writing to the Superintendent not later than March 15th or October 15th preceding the school term within which the leave is desired. Paid assault leave will be capped at ninety (90) working days except in extraordinary circumstances in which the cap can be extended by mutual agreement of the Superintendent and B.E.A. President.
2. The teacher shall not qualify for assault leave except upon submission of an application justifying the granting of assault leave. If medical attention is required, the employee shall furnish a certificate from the attending physician stating the nature of the disability and its expected duration.
3. Payment of assault leave shall be at the regular rate of pay (teacher's regular pay plus an extra-duty, supplemental and/or supplementary pay) in effect for such teacher at the time of such assault, or at the rate which the teacher may become eligible in accordance with the Ohio Revised Code, less any compensation to which the teacher is entitled under the Workers' Compensation Act of Ohio.
4. A teacher who has been physically assaulted in connection with

the performance of a professional assignment of this Board shall immediately give verbal notice to the building principal. In extraordinary circumstances where immediate notice is not possible, the teacher must give verbal notice no later than twenty-four (24) hours after the assault has occurred, unless they are unable to do so due to the extreme nature of their injuries. In addition, the teacher shall file a written report signed by the teacher within two (2) working days of the assault.

5. If court action results, said teacher shall be granted leave of his/her professional duties with no loss of pay for necessary time in court.
6. A teacher temporarily disabled as a result of a physical assault shall be returned to the same position held at the time of the incident, or shall be transferred to the first available teaching position carrying equivalent pay and equivalent professional duties for which the teacher is certificated/licensed, if the teacher so desires. Any student who assaults a teacher shall not be assigned to that teacher again unless there is no other teacher who teaches that course/grade.

Upon the written request of a teacher, the Board may grant a leave of absence for a period of no more than two (2) consecutive school years for educational or professional or other purposes, and shall grant such leave where illness or other disability is the reason for the request. Upon subsequent request, such leave may be renewed by the Board. Without request, a Board may grant similar leave of absence and renewals thereof to any teacher because of physical or mental disability, but such teacher may have a hearing on such unrequested leave of absence or its renewals.
2. Upon successful completion of a one-year leave of absence for full-time post- graduate work aimed toward an advanced

degree and, in the opinion of the Superintendent, directly related to his/her teaching responsibilities, a teacher shall receive a one-year increment. Under no situation shall a teacher receive more than one (1) increment of this type for any one (1) post-graduate degree.

3. Leave may be requested where illness or disability relates to either parent and where there are no accumulated sick leave days available or applicable under the provisions of the sick leave policy.

I. Unpaid Leave of Absence

If any teacher is absent for any approved reason other than those specified in Section 20 of this Agreement, a deduction from his/her salary will be made on the basis of the number of days assigned for that school year.

J. Leave Pursuant to Summons or Subpoena

1. Any teacher who is summoned or subpoenaed for a job-related issue shall be granted leave with no loss of pay or other emoluments for days missed by reasons of the summons or subpoena. A summons or subpoena issued because of a student's custody issue is considered to be job-related.

Such leave shall be granted in one (1) year intervals up to a total of eight (8) years. The request for each one (1) year leave interval shall be

submitted around the time the teacher has reasonable knowledge of the need for an additional year's leave. Such request shall be approved by the Board. A teacher who requests consideration for a vacancy will be notified of a vacancy in the area stated on his/her Staff Survey and Transfer Request Form. During the summer break, such notification shall be by the District's website. Teachers may sign up for automatic email alerts about postings.

These tasks are considered a part of the total teaching assignment except when the Board approves certain duties deserving

compensation above the salary schedule.

6. It is desirable to provide teachers the opportunity to be considered for vacancies. During the summer months administrative, teaching, and supplemental vacancies will be **listed posted** on the District's website. Teachers may sign up for automatic email alerts about postings. Teachers who apply for such vacancy within seven (7) days of the posting of the notice shall be given full consideration for any vacancy based upon area of competence, certification, evaluation, and length of service in the District.

8. In order to ensure effective delivery of instruction by appropriately certified and licensed individuals, a teacher must maintain his/her teaching certification/licensure for at least five (5) years after his/her date of hire. After that time, if the teacher has not taught in an area in which he/she is certified/licensed in any rolling five (5) year period, the teacher may drop that area of certification/licensure with notice to the Superintendent/designee as per Ohio Department of Education requirements, to be submitted on or before March 31 of the fifth (5th) year of the rolling five (5) year period via Attachment 2. For a teacher on a leave of absence, the rolling five (5) year period would encompass only years of active teaching service.
9. Teachers are expected to maintain on file with the Superintendent's office paperwork reflecting current licensure. In the event a teacher does not timely complete his/her coursework requirements or timely file to renew the teacher's licensure prior to the start of the school year, the teacher will be expected to apply for and receive a substitute license and will teach under the substitute license until the teacher's regular teaching license is renewed. The teacher will be paid at the hourly substitute teaching rate of pay and will not be eligible for benefits for the period in which they are teaching under the substitute license. The teacher will not be entitled to any retroactive reinstatement of the teacher's regular salary upon receipt of the renewed license. In the event the teacher does not obtain the renewed license prior to the start of the second grading period, the teacher will be terminated for cause pursuant to ORC 3319.16. This deadline of the start of the second grading

period shall be mutually extended if it is violated for reasons beyond the teacher's control.

G. Position-sharing

Position-sharing shall refer to an option available to pairs of teachers to share one full-time position.

1. Position-sharing opportunities shall be granted pursuant to the teachers' seniority, i.e., the total years of seniority in the partnership.
2. The total number of position-sharing teachers shall not exceed ten (10) teachers, i.e., five (5) pairs per year. In no event will there be more than one (1) position sharing arrangement at any grade level for bargaining unit members assigned ~~to general education classrooms in any K-3 at the~~ elementary buildings **unless the building administrator determines the master schedule can accommodate an exception.** ~~At the 4-5 elementary building there will be no more than three (3) position sharing arrangements with no more than one (1) per grade level/specials/special education unless the administrator determines the master schedule can accommodate an exception.~~
3. Initial applications for position-sharing teachers must be submitted not later than February 1st. Teachers who wish to reapply for the following year must submit their applications by March 1st. Each teacher shall assume the responsibility for finding his/her position-sharing partner but may request assistance from the **Assistant Superintendent's Director of Human Resources**² Office in finding a position-sharing partner. No teacher shall be required to position-share.
4. On or before April 1st the position sharing teams must submit for approval to the building principal a Position Sharing Plan ("Plan") which must address the following elements:
 - a. A full description of the teaching techniques, methods, and grading practices to be employed by the team;
 - b. How the team will communicate with one another to ensure information learned during school meetings or during the work day is timely shared;
 - c. How the position sharing teachers will handle parent or

third-party communications and ensure both teachers are fully up to date on all issues and concerns regarding their students;

- d. How the teachers will effectively communicate during the course of the work day, work week and school year to ensure seamless communication between the teachers; and
 - e. How the teachers will divide up instruction and planning time.
- 5. Each teacher shall acquire one-year seniority for each year of position-sharing work providing each teacher works a minimum of 120 days per year or is scheduled to work two and one-half ($2\frac{1}{2}$) days per week. For example, a Kindergarten teacher with a fifty percent (50%) contract would be required to perform two and one-half ($2\frac{1}{2}$) days of instruction per week.
 - 6. Position-sharing teachers shall receive a pro-rata share of all salary and benefits as contained in this contract.
 - 7. The schedule to be worked by position-sharing teachers shall be determined by the administration with input from the teachers involved. The Plan developed by the team (see paragraph 4, above) will reflect the master schedule.
 - 8. A teacher with documented professional difficulties shall not be eligible for position-sharing.
 - 9. Position-sharing applications will be considered annually. Upon the dissolution of a partnership, the individual position-sharing teacher shall be guaranteed the contract that he/she held prior to position-sharing.
 - 10. Position sharing arrangements will be evaluated on an ongoing basis by the administration to determine if the Plan is being effectively implemented. The evaluation may include classroom observations and meetings with the team members. The team will meet with the administrator at least two (2) times prior to the end of the first semester to formally review the effectiveness of the position sharing arrangement. Any concerns related to the effectiveness of the position sharing arrangement will be promptly communicated to the team, which will be responsible for developing a strategy to address the concern(s), including

revising the Plan. If the concerns persist, the team will be advised prior to February 1st that the arrangement will not be approved for the following year. An unsuccessful position sharing arrangement will not preclude a teacher from applying for another opportunity with a different partner.

11. Position-sharing teachers who teach in the morning must attend all morning meetings; position-sharing teachers who teach in the afternoon must attend all afternoon meetings. Position-sharing teachers must attend all required evening meetings.
12. If more than five (5) pairs of teachers apply to position-share in any school year, anyone who has position-shared for at least three (3) years would not be eligible to position-share in that year.
13. Not being able to position-share during a particular school year does not prevent a teacher from requesting a part-time assignment. However, once a teacher has entered into a contract for a part-time position, he/she is only guaranteed that percent of employment in future years.

H. *...(Note: NO TA. The parties do not have a TA on this paragraph regarding meetings.)*

Within the six (6) high school English academic class assignments (English I-IV, AP English & Creative Writing I-II), there shall be an effort to limit the assigned number of students to each English teacher to a total of 125 students as of August 1st, preceding each school year. High School teachers will have four hundred (400) minutes of planning time per week during the student day (prorated for part-time teachers). In no event, as of the August 1st date, shall there be a total in excess of 145 student assignments to those English teachers at the high school. The Superintendent shall have complete discretion and authority after August 1st to assign in excess of the 135 or 145 students due to subsequent increased student enrollment. If the limits are exceeded as of the first Monday in October, each affected English teacher will receive a stipend of twenty dollars (\$20) for each student in excess of the 135 or 145 students assigned to the English teacher as of the first Monday in October. Students enrolled after the first Monday in October will not be counted toward the stipend. Said stipend shall be paid by separate check on or before the first payroll in November and is subject to withholdings (taxes, S.T.R.S., etc.).

3. Middle school teachers will have 400 minutes of planning time weekly during the student day (prorated for part-time teachers). Middle school students enrolled after the first Monday in October will not be counted toward the stipend. Said stipend shall be paid by separate check on or before the first payroll in November and is subject to withholdings (taxes, S.T.R.S., etc.).
4. Each elementary teacher, intermediate teacher, elementary school counselor, **school** psychologist (all levels), and Speech/Language Pathologist (all levels) shall have at least four hundred (400) minutes of planning and conference time per week during the student day. This planning/conference time shall be in blocks of no fewer than ten (10) minutes. **No MBU shall have one hundred (100) minutes or more per week in 10-minute blocks.** In addition, building teachers may work with their respective grade level team leaders to devise a schedule that will release kindergarten-fifth grade teachers during the school day up to four (4) hours per year for

collaboration and/or individual planning time that will be determined by the teachers' preferences/needs. The schedule must be approved by the building administration. The scheduled time for each teacher will be dependent upon sufficient supervision of students by existing staff, supplemented as possible with volunteers.

B. Assignment of Student Teachers

1. Teachers shall be encouraged to recognize their obligation to the profession by accepting the assignment of student teachers.
2. Principals shall have the responsibility of selecting co-operating teachers and sharing with them the orientation of student teachers. The assignment of student teachers shall be done equitably.
3. In the event a college or university is barred from giving a stipend to a co-operating teacher, and instead gives that stipend to the District, the District shall create a supplemental contract for the cooperating teacher in the amount equal to the stipend the college or university awarded to the District. Said supplemental contract shall be paid to the teacher at the end of the semester in which the student teacher worked in the District.

Over the course of the two three-hour evenings for parent-teacher conferences, each teacher shall schedule a minimum of fourteen (14) in-person and/or telephone conferences (for the parents who are unable to attend in person). Teachers shall document each parental conference including the name, time and student's grade at the time of the conference. Additional comments shall not be required unless the student is in jeopardy of failing at the time of the conference or the teacher wishes to document the communication.
2. The scheduling of the parent conference evenings will be determined by the building principals K-5, 6-8, and 9-12 after receiving staff input. These dates will be announced at least thirty (30) days before the conference evenings.
3. Elementary teachers shall be provided additional release time as necessary to enable each teacher to complete parent-teacher conferences.
4. Intervention specialists, **school psychologists, and** counselors **and SLPs** shall attend parent-teacher conferences. **School Psychologists and SLPs may be excused from parent teacher conferences subject to the six (6) hours of logged work in Section 19.I and Section 19, M.**

2. Each traveling teacher shall be reimbursed at the IRS rate for mileage traveled going from one building to another.
3. Each traveling teacher shall only be required to attend the evening meetings of his/her home school.
4. The administration will make every effort to schedule each

traveling teacher's planning and conference time adjacent to his/her traveling time, and will make every effort to limit the amount of times per day that each traveling teacher has to travel between school buildings.

5. If a traveling teacher is going to be late to the school to which he/she is reporting due to unforeseen or hazardous circumstances (e.g., bad roads due to inclement weather, vehicle break-down, etc.), that teacher will contact the building principal/designee at the school to which he/she is reporting as soon as possible. The building principal/designee shall make arrangements to have the class of the traveling teacher covered until the traveling teacher arrives.

H. Developmental Pre-School

2. Fridays shall be used for conferencing, preparation, planning, and home visits.

2. The administration of student medication shall be in accordance with the Ohio Revised Code and its regulations. No teacher shall be required to clean up body fluids of any student.
3. At the time a teacher or the District initiates an out of District trip, the affected teacher(s) can request a meeting with a building administrator and healthcare aide or coordinator (or athletic trainer for athletic trips) to discuss the participating students' needs and strategize how to address those needs.
4. A school employee under the definition appearing in ORC 2744.01(B) is immune from liability unless his or her acts or omissions were manifestly outside the scope of his or her employment or official responsibilities, involved malice or bad faith, were made in a wanton or reckless manner, or unless the

Revised Code expressly imposes liability.

5. In accordance with ORC 2744.07 and with respect to suits against a school district employee for acts or omissions in connection with a governmental or proprietary function, the District shall provide for the employee's defense if the act or omission occurred while the employee was acting in good faith and not manifestly outside the scope both of his or her employment or official responsibilities.

J. Non-classroom Teachers

Each elementary principal shall assign each teacher who is not a regular classroom teacher in his/her building to a grade level team. This non-classroom teacher, however, does not need to attend grade level team meetings or portions of grade level team meetings where information being discussed does not affect him/her.

K. Mandated Individually Administered Diagnostic Tests

1. Preschool teachers will receive a substitute for one (1) day per semester to accommodate the administration and grading of state-mandated diagnostic assessments (i.e. Early Learning Assessments). If a teacher requires additional release time due to class size, arrangements can be coordinated through the building principal.
2. Kindergarten teachers will use the first three days of school for kindergarten phase-in, orientation, and any required testing.
3. When a diagnostic test requires a one-to-one administration setting according to the required guidelines, the building principal shall work with the teacher teams to establish an appropriate testing schedule and to provide classroom teachers with substitutes when needed.
4. To facilitate the administration of diagnostic testing, a team approach to administration shall be utilized by ensuring that the educational professionals are assisting in the educational process (i.e., reading specialists, ELL teachers, regular education teachers, school counselors, etc.)

~~L. Professional Learning Community (Note: Moved to Section 15)~~

In addition, thirty (30) minutes of administratively directed PLC time within the teacher day can be used once per month when needed.~~

M. College Credit Plus

1. In order to address the implementation of student options for state-mandated postsecondary education, a co-facilitated College Credit Plus (CCP) committee shall be created. The committee will meet regularly (at least quarterly) to develop a comprehensive plan for the implementation of College Credit Plus. The committee shall be comprised of an equal number of bargaining unit members and Brecksville-Broadview Heights City School District administrative employees. The bargaining unit members shall be appointed by the BEA President, and the administrative employees shall be appointed by the Superintendent. The total combined number of the committee members shall not exceed eight (8) unless additional staff is invited by mutual consent.
2. The co-facilitated committee shall present the product of its efforts to the BEA President and Superintendent on a mutually agreed upon date. The BEA and Board shall then negotiate the mitigating issues identified based on the recommendations of the co-facilitated committee for implementation during the 2017-2018 school year. The parties agree that the committee will meet quarterly in order to review, assess and, if necessary, refine the implementation of College Credit Plus as mutually agreed.
3. Adequate release time shall be granted for the work of the committee. If members of the College Credit Plus Committee determine by consensus to conduct some of their meetings/activities outside of the school year and/or school day, each member shall be compensated at the rate of .0007 of the highest teacher base in effect for each hour of College Credit Plus work beyond the teacher day. The members of the College Credit Plus Committee will determine the frequency of

meetings beyond those contractually required, the date of meetings, location, and time of meetings.

SECTION 7 – LOCAL PROFESSIONAL DEVELOPMENT COMMITTEE

If members of the LPDC determine to conduct some of their meetings/activities outside of the school year and/or school day, each member shall be compensated at the rate of .0007 of the BA base salary for each hour of LPDC work.

C. Facilities and Supplies

The Board shall provide reasonable facilities, supplies, and services to the LPDC.

D. Structure

This District-wide LPDC shall be comprised of eight (8) persons, four (4) of whom shall be teachers who are selected by the Association President. The LPDC will have five (5) voting members and three (3) alternates (one (1) teacher and two (2) administrators) on any given teacher-related issues. When discussing an administrative request, the administration will have the voting majority. The intention is for representation of each school building in the district within the distribution of members.

 3. The members of the LPDC will determine the frequency of the meetings, the dates of the meetings, and the time of the meetings.
 4. The members of the LPDC shall function under Robert's Rules of Order unless agreed otherwise in whole or in part.
-

SECTION 2 – RECOGNITION

A. B.E.A. Recognition

The Board recognizes the B.E.A. as the sole and exclusive representative for **teachers certificated/licensed employees as described in Section B** in matters pertaining to wages, hours, terms and conditions of employment, and the continuation, modification, or deletion of an existing provision of a collective bargaining agreement.

B. Bargaining Unit Members

1. **Teacher(s) Members of the bargaining unit* (MBU)** shall mean all certificated/licensed personnel, but excluding the Superintendent, **Assistant Superintendent**, Director of Human Resources, Director of Teaching, Learning, and Collaboration, Principal, Assistant Principal, Technology Coordinator, Director of Pupil Services, county employees, day-to-day substitutes, home instruction tutors, High School Athletic Director, and all other supervising and managerial personnel. Additionally, if any certificated/licensed employee holds a part-time administrative position during the regular school year that is excluded from the bargaining unit, his/her individual teaching position shall also be excluded from the bargaining unit for the period that he/she is in the part-time administrative position.
2. Long-term substitutes hired for less than one (1) full school year shall be excluded from the bargaining unit until said hired teacher shall be employed in the same assignment for more than sixty (60) actual work days at which time said teacher shall be considered a bargaining unit member and shall be given all of

the rights and privileges of the Agreement beginning with the sixty-first (61st) day of employment subject to the provisions of Section 17. During the school year when a vacancy occurs due to death, resignation, retirement or termination of a teacher, a long-term substitute hired for less than one (1) school year may be employed. Long-term substitutes hired for one (1) full school year shall be considered members of the bargaining unit from their first day of employment and shall be given all of the rights and privileges of the Agreement from their first day of employment subject to the provisions of Section 17. A long-term substitute hired for less than one (1) full school year, whose position subsequently becomes a full year position because of a teacher's request for leave of absence extension, shall be considered a member of the bargaining unit after sixty (60) days in the same hired position, shall be given all of the rights and privileges of the Agreement subject to the provisions of Section 17 with the sixty-first (61st) day of employment, and will not be eligible for retroactivity from his/her first day of employment.

C. Rights of B.E.A.

The rights of the B.E.A., as set forth in this Agreement, are continuous unless challenged pursuant to Chapter 4117 of the Ohio Revised Code and the Rules and Regulations of the State Employment Relations Board (SERB).

****Correct the word Teachers to Members of the Bargaining Unit (MBU) throughout the Agreement. The parties agree the revision to this recognition clause does not add positions/personnel to the bargaining unit that were not part of the unit as of the ratification of this agreement.***
