All other provisions of this Article which are unaffected by the scope of the *Janus v. American Federation of State, County, and Municipal Employees Council 31*, shall remain in full force and effect.

B. Automatic Payroll Deduction

The Board agrees to automatic payroll deduction, as a condition of employment, of an amount equal to the dues of the United Education Profession (B.E.A., UniServ, NEOEA, OEA, NEA) from the pay of all members (excluding members on leave of absence and casual substitutes) who elect not to become members of the United Education Profession (UEP), or who elect not to remain members.

C. Implementation

The Board Treasurer, upon notification from the B.E.A. that a member has terminated membership, shall commence the check-off of the fair share fee with respect to the former member, and the amount of the fee yet to be deducted shall be the annual membership dues less the amount previously paid through payroll deduction.

D. Commencement

Payroll deduction of such fair share fee shall begin with the first paycheck in February and shall continue through the first paycheck in August.

E. Transmission of Rates

Payroll deductions, in substantially equal amounts, shall commence on the first pay date after the later of sixty (60) calendar days of employment or the first paycheck in February and shall continue through the first paycheck in August.

G. Provisions of Records

The Board agrees to provide B.E.A. with an initial list of names of teachers for whom such deductions are being made and the amount deducted for each. The B.E.A. will be notified of any changes in the initial list.

H. Appeal

Upon timely demand, non-members may appeal to the OEA the payment of the fair share fee pursuant to the internal procedure adopted by the OEA or such non-members may submit such appeals as provided by law.

I. Amount

Nevertheless, the amount to be deducted from the pay of all non-Association members shall be the full dues of the UEP unless the B.E.A. notifies the Board Treasurer to the contrary, and such deductions shall continue through the remaining number of payroll periods over which B.E.A. membership dues are deducted.

J. Exclusive Right of B.E.A.

The above fair share fee provision shall be an exclusive right of the B.E.A. not granted to any other organization seeking to represent teachers in the bargaining unit represented by the B.E.A.

K. Defense and Indemnification

B.E.A. agrees to indemnify, defend, and hold the Board and administration, including each individual Board member, harmless for any cost or liability incurred as a result of the implementation and enforcement of this provision. B.E.A. reserves the right to designate the attorneys for the purpose of responding to any claims, demands, suits, or other forms of action hereunder. The Board shall give B.E.A. written notice of any claim or demand arising out of or in any way related to the implementation of this provision within ten (10) calendar days after receipt of such demand or claim. The Board will cooperate with the B.E.A. at all levels of any proceedings.

Agreement.

2. In the event a grievance is filed on a suspension (other than a suspension that occurs pending termination in Step 5), the suspension shall be held in abeyance until after the grievance procedure has been completed.
3. Should the teacher be supported in his/her position on the grievance, all records of such discipline shall be removed from all personnel and building files.

c. Thirty (30) hours of administratively called meetings per year (exclusive of student disciplinary meetings, IEP meetings, and emergency meetings called by the Superintendent) scheduled during the eight (8) hour workday.

d. Three Hundred and Sixty (360) minutes of planning time per week for elementary teachers during the student day.

B. ~~Lunch Time~~

~~All teachers shall be granted a minimum forty (40) minute lunch period without assigned responsibilities. The pass time between bells shall not be included in the calculations of a teacher's lunch period. When necessary, and with mutual agreement between the Superintendent (or designee) and the B.E.A. President, the forty (40) minute lunch period may be reduced to accommodate other instructional needs and objectives. The occasional shortening of the forty (40) minute lunch period for routine activities such as assemblies, pep rallies or early releases shall not be subject to this provision. However, in no instance shall lunch be shortened to less than 35 minutes under any of the aforementioned circumstances.~~

C. ~~School Year~~

~~1. The school year shall consist of one hundred eighty-six (186) days.~~

~~a. The first two teacher days of the school calendar shall be for building and District meetings and teacher work; however, the meetings will not exceed the equivalent of one (1) day.~~

5. There shall be a Teaching and Learning Committee at each building that is comprised of teachers and at least one (1) administrator. Additionally, there shall be a District Teaching and Learning Committee comprised equally of administrators and teachers. One (1) person from each Building Teaching and Learning Committee shall serve on the District Teaching and Learning Committee.

6. In the event that calamity days are to be made up if the amount used in a school year is in excess of five (5), a committee will be formed consisting of one representative from the Brecksville-Broadview Heights Education Association, one representative from the Brecksville-Broadview Heights Organization of Support Staff, one administrator, and one community member. The committee will make a recommendation to the Board as to when the days should be made up.

Calamity make up days will be reflected on the District's calendar. In the event of a delayed start due to District-wide or building calamity, teachers will be expected to report to work at their normal schedule unless directed otherwise. Such directive to remain at home shall not be unreasonably withheld. Teachers shall not be reprimanded if adverse weather conditions prevent them from reporting at this regularly scheduled time on days where there is a delayed start for students.

D. Assignment

1. The Superintendent, after consultation with the building principal or principals, will assign teachers or reassign teachers to buildings within the system. Building principals are responsible for assigning each teacher his/her instructional and non-instructional work load. The assignments are normally regarded as annual assignments but may be modified during the year by the principal as conditions warrant. No teaching assignment is regarded as permanent.

2. Prior to March 31st of each school year, each teacher will be given the opportunity of expressing any desired change in assignment by completing the Staff Survey and Transfer Request Form (Attachment 2). A teacher who requests consideration for a vacancy will be notified of a vacancy in the area stated on his/her Staff Survey and Transfer Request Form. During the summer break, such notification shall be by the

District's website. Teachers may sign up for automatic email alerts about postings.

3. The needs of the school district are the major criteria for making instructional and non instructional assignments. Other factors which shall be considered in developing equitable work loads are: size of the class, new programs, specialized needs of a typical student, specialized talents of the teacher, formal preparation as authorized on the state certificate/license, and personal preference of individual staff members.

4. An annual assignment notice shall be provided to each teacher prior to the end of the school year. Assignment at a later date or changes in assignment may be made by the administration if, in its judgment, it is the best interest of the school system. Every effort will be made to assign teachers to classes which correspond to their formal preparation, but exceptions may be made for a justified cause. The assignment notice shall include:

a. Subject area, course, and/or grade levels to be taught;

b. Building to which the teacher is assigned.

5. In addition to the classroom instructional assignment, teachers may be assigned on an equitable basis, as determined by the building principal, such non instructional assignments as supervision of homeroom, corridors, lunchrooms, playgrounds, and other tasks necessary for operating a school building. These tasks are considered a part of the total teaching assignment except when the Board approves certain duties deserving compensation above the salary schedule.

6. It is desirable to provide teachers the opportunity to be considered for vacancies. During the summer months administrative, teaching, and supplemental vacancies will be listed on the District's website. Teachers may sign up for automatic email alerts about postings. Teachers who apply for such vacancy within seven (7) days of the posting of the notice shall be given full consideration for any vacancy based upon area of competence, certification, evaluation, and length of service in the District.

7. When vacancies meeting specific requests are available, the teacher requesting such change will be given first consideration, providing that teacher is qualified for the position available.

8. In order to ensure effective delivery of instruction by appropriately-certified and licensed individuals, a teacher must maintain his/her teaching certification/licensure for at least five (5) years after his/her date of hire. After that time, if the teacher has not taught in an area in which he/she is certified/licensed in any rolling five (5) year period, the teacher may drop that area of certification/licensure with notice to the Superintendent/designee as per Ohio Department of Education requirements, to be submitted on or before March 31 of the fifth (5th) year of the rolling five (5) year period via Attachment 2. For a teacher on a leave of absence, the rolling five (5) year period would encompass only years of active teaching service.

9. Teachers are expected to maintain on file with the Superintendent's office paperwork reflecting current licensure. In the event a teacher does not timely complete his/her coursework requirements or timely file to renew the teacher's licensure prior to the start of the school year, the teacher will be expected to apply for and receive a substitute license and will teach under the substitute license until the teacher's regular teaching license is renewed. The teacher will be paid at the hourly substitute teaching rate of pay and will not be eligible for benefits for the period in which they are teaching under the substitute license. The teacher will not be entitled to any retroactive reinstatement of the teacher's regular salary upon receipt of the renewed license. In the event the teacher does not obtain the renewed license prior to the start of the second grading period, the teacher will be terminated for cause pursuant to ORC 3319.16. This deadline of the start of the second grading period shall be mutually extended if it is violated for reasons beyond the teacher's control.

F. Position sharing

Position-sharing shall refer to an option available to pairs of teachers to share one full-time position.

1. Position-sharing opportunities shall be granted pursuant to the teachers' seniority, i.e., the total years of seniority in the partnership.

2. The total number of position-sharing teachers shall not exceed ten (10) teachers, i.e., five (5) pairs per year. In no event will there be more than one (1) position sharing arrangement at any

grade level in any K-3 elementary building. At the 4-5 elementary building there will be no more than three (3) position sharing arrangements with no more than one (1) per grade level/specials/special education unless the administrator determines the master schedule can accommodate an exception.

3. Initial applications for position sharing teachers must be submitted not later than February 1st. Teachers who wish to reapply for the following year must submit their applications by March 1st. Each teacher shall assume the responsibility for finding his/her position sharing partner but may request assistance from the Director of Human Resources' Office in finding a position sharing partner. No teacher shall be required to position share.

4. On or before April 1st the position sharing teams must submit for approval to the building principal a Position Sharing Plan ("Plan") which must address the following elements:

a. A full description of the teaching techniques, methods, and grading practices to be employed by the team;

b. How the team will communicate with one another to ensure information learned during school meetings or during the work day is timely shared;

c. How the position sharing teachers will handle parent or third party communications and ensure both teachers are fully up to date on all issues and concerns regarding their students;

d. How the teachers will effectively communicate during the course of the work day, work week and school year to ensure seamless communication between the teachers; and

e. How the teachers will divide up instruction and planning time.

5. Each teacher shall acquire one year seniority for each year of position sharing work providing each teacher works a minimum of 120 days per year or is scheduled to work two and one half (2 ½) days per week. For example, a Kindergarten teacher with a fifty percent (50%) contract would be required to perform two and one half (2 ½) days of instruction per week.

6. Position sharing teachers shall receive a pro-rata share of all

salary and benefits as contained in this contract.

7. The schedule to be worked by position-sharing teachers shall be determined by the administration with input from the teachers involved. The Plan developed by the team (see paragraph 4. above) will reflect the master schedule.
8. A teacher with documented professional difficulties shall not be eligible for position-sharing.
9. Position-sharing applications will be considered annually. Upon the dissolution of a partnership, the individual position-sharing teacher shall be guaranteed the contract that he/she held prior to position-sharing.
10. Position-sharing arrangements will be evaluated on an ongoing basis by the administration to determine if the Plan is being effectively implemented. The evaluation may include classroom observations and meetings with the team members. The team will meet with the administrator at least two (2) times prior to the end of the first semester to formally review the effectiveness of the position-sharing arrangement. Any concerns related to the effectiveness of the position-sharing arrangement will be promptly communicated to the team, which will be responsible for developing a strategy to address the concern(s), including revising the Plan. If the concerns persist, the team will be advised prior to February 1st that the arrangement will not be approved for the following year. An unsuccessful position sharing arrangement will not preclude a teacher from applying for another opportunity with a different partner.
11. Position-sharing teachers who teach in the morning must attend all morning meetings; position-sharing teachers who teach in the afternoon must attend all afternoon meetings. Position-sharing teachers must attend all required evening meetings.
12. If more than five (5) pairs of teachers apply to position-share in any school year, anyone who has position shared for at least three (3) years would not be eligible to position-share in that year.
13. Not being able to position-share during a particular school year does not prevent a teacher from requesting a part-time assignment. However, once a teacher has entered into a contract for a part-time position, he/she is only guaranteed that percent

of employment in future years.

1. Meetings

1. Whenever possible under all existing circumstances, building meetings will be on an "as required" basis with an advanced agenda and scheduled at convenient times. For purposes of this section, teachers teaching in more than one (1) building shall be assigned to only one (1) building's meetings.
2. When any teacher attends a meeting during his/her guaranteed forty (40) minute lunch, he/she shall be compensated for this time at his/her pro-rated per diem rate if the meeting was requested by the building administrator.
3. Staff meetings shall be scheduled at convenient times and an agenda shall be provided at least twenty-four (24) hours in advance of the meeting. There can be a maximum of thirty (30) hours of administratively-called meetings per year (exclusive of student disciplinary meetings, IEP meetings, and emergency meetings called by the Superintendent).
4. The Administration will notify teachers in advance of any meetings that will be recorded or broadcast in part or in full.
5. The Administration may utilize up to ten (10) minutes of additional flex time twice a month to schedule forty (40) minute administratively-called staff meetings. Staff meetings utilizing flex time must be scheduled a minimum of two (2) weeks in advance or staff attendance will not be required for any additional time beyond the contractual day. Minutes utilized under this section are part of the thirty (30) hours of administratively-called meetings.

For teachers who instruct English academic classes and specific English elective classes (Modern Novel, Debate, Public Speaking, Journalism & Newspaper Publishing), there shall be an effort to limit the assigned number of students to those English teachers to a total of 135 students as of August 1st, preceding each school year. In no event, as of the August 1st date, shall there be a total in excess of 145 student assignments to those English teachers at the high school. The Superintendent shall have complete discretion and authority after August 1st to assign in excess of the 135 or 145 students due to subsequent increased student enrollment. Said stipend shall be paid by separate check on or before the first payroll in November and is subject to withholdings (taxes, S.T.R.S., etc.).

5. During the 2021-2022 school year, the District will convene a committee made up of BEA members, appointed by the BEA President, and elementary administrators to discuss and make recommendations regarding the elementary school master schedule for the 2022-2023 school year. Any recommendations that come out of the committee will be submitted to the administration by the end of the third grading period.

6. Middle school teachers will have 400 minutes of planning time weekly during the student day (prorated for part-time teachers). Efforts will be made to assign each seventh and eighth grade English teacher a maximum of 135 students. However, if the 135-student limit is exceeded as of the first Monday in October, each affected seventh and eighth grade English teacher will receive a stipend of twenty dollars (\$20) for each student in excess of the 135 students assigned to the English teacher as of the first Monday in October. Middle school students enrolled after the first Monday in October will not be counted toward the stipend. Said stipend shall be paid by separate check on or before the first payroll in November and is subject to withholdings (taxes, S.T.R.S., etc.).

7. Each elementary teacher, intermediate teacher, elementary school counselor, psychologist (all levels), and Speech/Language Pathologist (all levels) shall have at least three hundred forty (340) minutes of planning and conference time per week during the student day. This planning/conference time shall be in blocks of no fewer than ten (10) minutes. In addition, building teachers may work with their respective grade-level team leaders to devise a schedule that will release kindergarten-fifth grade teachers during the school day up to four (4) hours per year for collaboration and/or individual planning time that will be determined by the teachers' preferences/needs. The schedule must be approved by the building administration. The scheduled time for each teacher will be dependent upon sufficient supervision of students by existing staff, supplemented as possible with volunteers.

B. Assignment of Student Teachers

1. Teachers shall be encouraged to recognize their obligation to the profession by accepting the assignment of student teachers.

2. Principals shall have the responsibility of selecting co-operating teachers and sharing with them the orientation of

student teachers. The assignment of student teachers shall be done equitably.

3. In the event a college or university is barred from giving a stipend to a co-operating teacher, and instead gives that stipend to the District, the District shall create a supplemental contract for the cooperating teacher in the amount equal to the stipend the college or university awarded to the District. Said supplemental contract shall be paid to the teacher at the end of the semester in which the student teacher worked in the District.

C. Lesson Plans

A teacher shall have available clearly written weekly lesson plans on the first school day of each week. The plans shall be based on the approved course of study and the standards made applicable to the District.

D. Professional Meetings

1. Teachers are encouraged by the Board to attend local, regional, state, and national meetings which contribute to professional growth. The Board may pay transportation and expenses. Prior approval to attend a meeting is required. The opportunity for attendance at meetings should be distributed as equally as possible by the administration.
2. These meetings shall be exclusive of OEA, NEA, and NEOEA conventions and business meetings.

E. Collecting Money

A teacher shall be freed of the responsibility of collecting money from students, except for Board approved fees or projects.

F. Parent Teacher Conferences

1. Parent teacher conferences (K-12) will be held on two evenings during the school year. Each evening will consist of three hours. Over the course of the two three-hour evenings for parent-teacher conferences, each teacher shall schedule a minimum of fourteen (14) in-person and/or telephone conferences (for the parents who are unable to attend in person). Teachers shall document each parental conference including the name, time and student's grade at the time of the conference. Additional comments shall not be required unless the student is in jeopardy of failing at the time of the conference or the teacher wishes to

2. The scheduling of the parent conference evenings will be determined by the building principals K-5, 6-8, and 9-12 after receiving staff input. These dates will be announced at least thirty (30) days before the conference evenings.
3. Elementary teachers shall be provided additional release time as necessary to enable each teacher to complete parent teacher conferences.
4. Intervention specialists, psychologists, counselors and speech-language therapists shall attend parent teacher conferences.

G. Traveling Teachers

1. Each traveling teacher shall be given a minimum of fifteen (15) minutes to travel from one building to another. The fifteen (15) minutes shall come from the total student contact time of the traveling teacher.
2. Each traveling teacher shall be reimbursed at the IRS rate for mileage traveled going from one building to another.
3. Each traveling teacher shall only be required to attend the evening meetings of his/her home school.
4. The administration will make every effort to schedule each traveling teacher's planning and conference time adjacent to his/her traveling time, and will make every effort to limit the amount of times per day that each traveling teacher has to travel between school buildings.
5. If a traveling teacher is going to be late to the school to which he/she is reporting due to unforeseen or hazardous circumstances (e.g., bad roads due to inclement weather, vehicle break down, etc.), that teacher will contact the building principal/designee at the school to which he/she is reporting as soon as possible. The building principal/designee shall make arrangements to have the class of the traveling teacher covered until the traveling teacher arrives.

H. Developmental Pre-School

1. Each teacher in the developmental pre-school program shall have students four (4) days a week (Monday through Thursday).

2. — The administration of student medication shall be in accordance with the Ohio Revised Code and its regulations. No teacher shall be required to clean up body fluids of any student.

3. — At the time a teacher or the District initiates an out of District trip, the affected teacher(s) can request a meeting with a building administrator and healthcare aide or coordinator (or athletic trainer for athletic trips) to discuss the participating students' needs and strategize how to address those needs.

4. — A school employee under the definition appearing in ORC 2744.01(B) is immune from liability unless his or her acts or omissions were manifestly outside the scope of his or her employment or official responsibilities, involved malice or bad faith, were made in a wanton or reckless manner, or unless the Revised Code expressly imposes liability.

5. — In accordance with ORC 2744.07 and with respect to suits against a school district employee for acts or omissions in connection with a governmental or proprietary function, the District shall provide for the employee's defense if the act or omission occurred while the employee was acting in good faith and not manifestly outside the scope both of his or her employment or official responsibilities.

J. — Non-classroom Teachers

Each elementary principal shall assign each teacher who is not a regular classroom teacher in his/her building to a grade level team. This non-classroom teacher, however, does not need to attend grade level team meetings or portions of grade level team meetings where information being discussed does not affect him/her.

K. — Mandated Individually Administered Diagnostic Tests

semester to accommodate the administration and grading of state-mandated diagnostic assessments (i.e., Early Learning Assessments). If a teacher requires additional release time due to class size, arrangements can be coordinated through the building principal.

2. Kindergarten teachers will use the first three days of school for kindergarten phase in, orientation, and any required testing.

3. When a diagnostic test requires a one-to-one administration setting according to the required guidelines, the building principal shall work with the teacher teams to establish an appropriate testing schedule and to provide classroom teachers with substitutes when needed.

4. To facilitate the administration of diagnostic testing, a team approach to administration shall be utilized by ensuring that the educational professionals are assisting in the educational process (i.e., reading specialists, ELL teachers, regular education teachers, school counselors, etc.)

L. Professional Learning Community

1. Sixty (60) minutes per week, divided into a minimum of thirty (30) minute blocks, will be dedicated to the work of professional learning communities ("PLC"). The collaboration of teams shall cover PLC work, the continuous improvement plans for the building ("CIP"), and the strategic (or long range plan) of the district. PLC time shall not be considered planning time under the terms of this Agreement.

2. At the Pre-K-3 level, the Administration may schedule districtwide grade level or content level meetings once per month. The elementary day will be adjusted to 8:00 a.m. to 4:00 p.m. for that day. This sixty (60) minute meeting will satisfy the weekly sixty (60) minute PLC meeting requirement for that week. Teachers will be provided with travel time when meetings are held away from their home school.

M. College Credit Plus

1. In order to address the implementation of student options for state-mandated postsecondary education, a co-facilitated College Credit Plus (CCP) committee shall be created. The total combined number of the committee members shall not exceed eight (8) unless additional staff is invited by mutual consent.

2. The co-facilitated committee shall present the product of its efforts to the BEA President and Superintendent on a mutually agreed upon date. The BEA and Board shall then negotiate the mitigating issues identified based on the recommendations of the co-facilitated committee for implementation during the 2017-2018 school year. The parties agree that the committee will meet quarterly in order to review, assess and, if necessary, refine the implementation of College Credit Plus as mutually agreed.

3. Adequate release time shall be granted for the work of the committee. If members of the College Credit Plus Committee determine by consensus to conduct some of their meetings/activities outside of the school year and/or school day, each member shall be compensated at the rate of .0007 of the highest teacher base in effect for each hour of College Credit Plus work beyond the teacher day.
