Brecksville-Broadview Heights City School District Evaluation of Administrative/Supervisory Staff

(Administrators both Professional and Support – Principals & Assistant Principals will be evaluated using the Ohio Principal Evaluation System- OPES)

Beginning with the '07-08 school year, the following guidelines for the evaluation of administrative/supervisory personnel will be followed:

To assist administrators in the development of their professional abilities, to provide information for employment decisions and to comply with mandates of Ohio law, the following procedures are employed by the Superintendent/designee in evaluating administrative personnel.

1. An initial annual meeting is held by the Superintendent or designee prior to the school year (defined as 1st day for students) with administrators/supervisors to discuss specific measurable objectives and plans for their achievement. A statement of these objectives and plans is submitted by each administrator/supervisor to the Superintendent/designee at the meeting as defined above. These objectives and plans are to be maintained in each administrator's/supervisor's personnel file.
2. The Superintendent or designee employs the evaluation criteria designed to measure the administrator's/supervisor's effectiveness in performing his/her duties. All administrators/supervisors will be evaluated prior to the end of July. (Note: June is recommended and within the work calendar of the administrator/supervisor being evaluated.) The evaluator will also assess the administrator's/supervisor's progress in meeting plans and objectives set for that school year. Areas of outstanding, satisfactory and poor performance will be noted. The Superintendent or designee will meet with each administrator/supervisor to discuss the written evaluation. The evaluatee is given a copy of the evaluation and has an opportunity to discuss the evaluation at this meeting.
3. An ongoing dialogue concerning the administrator's/supervisor's objectives will continue and the evaluator and evaluatee will meet as needed or requested throughout the year.
4. For those employees whose contracts are expiring at the end of the current school year, two evaluations must be completed. A preliminary evaluation must be received by the employee at least 60 days prior to any Board action on the employee's contract. A final evaluation must include the Superintendent's or designee's intended recommendation for the contract of the employee. A written copy of the final evaluation must be provided to the employee at least five days prior to the Board's action to renew or non-renew the employee's contract.
5. The employee may request a meeting with the Board prior to any Board action on his/her contract. The employee may have a representative of his/her choice at the meeting.
6. A final copy of each evaluation will be forwarded to the Superintendent for his/her review and for placement in the administrator's/supervisor's personnel file.
