## **EQUAL EDUCATION OPPORTUNITY**

The Brecksville-Broadview Heights City school District Board of Education affirms its commitment to provide an equal educational opportunity to each of its students. Students have the right to be free from discrimination on the basis of race, sex, marital status, pregnancy, national origin, citizenship status, physical disability, political activity, religion, creed, or opinion in all decisions affecting admissions; membership in school-sponsored organizations, clubs or activities; access to funds, academic evaluations or any other aspect of school-sponsored activities. Any limitation with regard to participation in a school-sponsored activity will be based on criteria reasonably related to that specific activity.

Any person who believes that s/he has been discriminated against on the basis of his/her race, color, disability, religion, gender, or national origin while at school or a school activity should immediately contact the school District's Compliance Officer(s):

Cassandra Spangler  
Director of Pupil Services  
Title IX Coordinator  
440.740.4017

Any student making a complaint or participating in a school investigation will be protected from retaliation. The Compliance Officer(s) can provide additional information concerning equal access to educational opportunity.

## **SCHOOL DAY**

**BBH Preschool PHONE:** 440-740-4142  
**Starting/Dismissal Times:** Monday-Thursday (No classes on Friday)  
Morning Half Day 9:00 am - 11:30am (drop-off begins at 8:50am)  
Afternoon Half Day 1:00 pm - 3:30pm (drop-off begins at 12:50pm)

## **STEPPING STONE PHILOSOPHY**

We have a variety of methods and philosophies to maximize a student's potential by working on his/her weaknesses and building on his/her strengths. As we work within our educational setting, we want to ensure, to the greatest extent possible, the student's ability to succeed in the classroom setting.

Our related services in the preschool setting work collaboratively with the classroom teachers. This collaborative effort allows for student introduction, practice and carry-over into the classroom for the skills that are helpful to succeed in the classroom setting.

## **CURRICULUM**

Includes, but not limited to: Handwriting Without Tears and The Creative Curriculum for Preschool

## **STUDENT RESPONSIBILITIES**

The school's rules and procedures are designed to allow students to be educated in a safe and orderly environment. All students are expected to follow staff members' directions and to obey all school rules.

Students must arrive at school on time, prepared to learn and participate. In order to keep parents informed of their child's progress in school, parents will be provided information on a regular basis and whenever concerns arise. The school may use email, mail or kid-mail when appropriate. Parents are encouraged to build a two-way link with their child's teachers and support staff by informing the staff of suggestions or concerns that may help their child better accomplish his/her educational goals.

## **FAMILY ENGAGEMENT**

Parents are their child's first teacher and, as such, we invite parent involvement throughout the school year. The district encourages parent involvement in the following ways:

- Beginning of the year meetings/visitation
- Parent teacher conferences
- Classroom helper
- Room parent
- Share your special skills or interests
- Storybook parent program
- Home-school activity packets
- PSO

## **SECTION 1: GENERAL INFORMATION**

### **ENROLLMENT AND REGISTRATION**

The district uses an online program called Final Forms to assemble information regarding your student(s). The system will retain information as it is entered initially and only changes need to be made. Please note that students entering into kindergarten must begin the registration process again.

#### **Status Changes**

Please update Final Forms if you have any of the following changes:

- Home phone number(s)/Cell phone number(s)
- Home address
- Emergency contact's name and/or number (including area code)
- Work phone number, either or both parents, including area code(s)
- Marital status
- Custody of children
- E-mail address

#### **Withdrawal Procedures**

Anyone planning to move should notify the office as soon as plans are definite. The student's new address and the name and address of the new school are needed. School records of the child will be mailed to the receiving school upon the written request of the parents or the new school.

### **STUDENT WELL BEING AND HEALTH SERVICES**

Student safety is the responsibility of both students and staff. Staff members are familiar with emergency procedures such as evacuation procedures, fire and tornado drills, safety drills in the event of a terrorist or other violent attack, and accident reporting. If a student is aware of any dangerous situation or accident, s/he must notify a staff person immediately.

State law requires that all students have an emergency medical authorization completed and signed by a parent or guardian on file. This should be completed through Final Forms.

Please complete the Health questionnaire information in Final Forms no later than the first day of school. Medical authorities and school educators urge that every child have a complete medical examination before entering school in order that health issues, if present, may be corrected and the child be physically ready to accept all the advantages that education has to offer. Students with specific healthcare needs should deliver written notice about such needs, along with physician documentation, to the school office.

## Clinic

Students feeling ill or requiring medical attention must let their teacher know and an adult will take them to the clinic. The school secretaries or health clinic staff will make calls to parents of students who need to go home. The Brecksville-Broadview Heights City school District does not anticipate, nor have scheduled, any non-emergency, invasive physical examination or screening for the 2024-2025 District year for students. This does not include vision, hearing, and scoliosis screenings, which will be scheduled throughout the year. (BOE Policy 5310)

## School Health

Ohio law requires that preschool students have the following documents on file:

1. **Annual Physical Examination** Provided to the school within 30 days of admission into the program. Exam performed within the past 13 months. The date of the exam must be on the form, which must include: height, weight, and dental status and referrals made; Tuberculosis Assessment: Risk Survey Results or TB skin test results; Lab/Blood Work: Blood lead and hemoglobin values if ordered by the provider.
2. **Immunizations** Immunization record provided to the school prior to attendance/admission. Must be up-to-date for their age.
3. **Emergency Medical Form** Must be completed in Final Forms.
4. **Oral Assessment** If your child's physician does not do a dental screening or refers your child to a dentist, please have the dentist complete the Oral Assessment form.
5. **Eye Specialist Evaluation** Students qualifying for preschool services due to special needs are required to have an evaluation by a vision professional (ORC 3323.19). This is a one-time evaluation, unless follow-up treatment is recommended. Provide an eye exam form within 6 months of admission.

If you do not have health insurance coverage or need assistance in any way to obtain the services for the requirements listed above, please contact the school nurse at 440-740-4141 or 440-740-4102.

## Healthchek

Healthchek is Ohio's Early and Periodic Screening, Diagnosis and Treatment (EPSDT) Program. This program provides a core of health services to children enrolled in Healthy Start or Medicaid. The purpose of Healthchek is to discover and treat health problems early. If a potential health problem is found, further diagnosis and treatment are covered.

Who is Healthchek for?

- Children and Teens younger than 21

What does it provide?

- Prevention
- Diagnosis
- Treatment

To discover health problems, Healthchek covers ten check-ups in the first two years of life and annual check-ups thereafter. Healthchek offers a comprehensive physical examination that includes:

- Medical history
- Complete unclothed examination (with parental approval)
- Developmental screening (to assess if child's physical and mental abilities are age appropriate)
- Vision screening
- Dental screening
- Hearing assessment
- Immunization assessment (making sure child receives them on time)
- Lead screening
- Other services or screenings as needed

Further information regarding free or affordable healthcare for children is available at:

<http://healthystart.cuyahogacounty.us/en-US/what-healthchek.aspx>

## Medications Taken at School

All medications should be given to students at home when possible. If it is necessary for a student to take medication during the school day, the following requirements **must be met** to ensure our students' safety:

- Any medication must come to school in its original container with the child's name on it. Pharmacies may be asked to divide prescriptions into two bottles.
- Parents are to bring medications to the school office. Students may not carry medication on the bus.
- Complete written instructions must be given to the principal or his/her designee with the parent's written permission and signature. Forms are available in the office/clinic or on line at [www.bbhcsc.org/health](http://www.bbhcsc.org/health). There are also forms for epipens and inhalers. All prescription and non-prescription forms should be taken to your child's physician and returned with the medication.
- All prescription and non-prescription medication must be accompanied by the physician's instructions and side effects that should be reported, along with their signature and phone number.
- The first dose of a new medication must not be administered at school in case of an allergic reaction.
- New requests for medication must be submitted at the beginning of each new school year or as medical needs arise. Both the physician and parent must complete new forms.

Parents must pick up unused medication. Medications will be disposed of 30 days after they are discontinued. These practices ensure that medication is given safely at school. Please call the office if you have any questions.

## Injuries

Minor injuries, such as skinned knees, will be treated in the clinic, but anything requiring treatment other than first aid is not permitted to be administered by school personnel. Parents will be notified when there is doubt about the seriousness of an injury or when injuries are considered more than minor.

### Head and Face Injury

- If a student receives ANY bump etc. to the head or face area he/she/needs to come to the clinic to be assessed, no matter how small.
- If NO signs/symptoms of concussion are present (dizziness/general headache/ nausea/ confusion/ incoordination/dilated pupils etc.), students may have ice and return to class.
- If there ARE signs/symptoms of concussion present (dizziness/general headache/ nausea/ confusion/ incoordination/dilated pupils etc.), students will be kept at least 15 minutes with ice. If concerns/symptoms do not go away, parents will be contacted and asked to take the student to see a primary care doctor (does not necessarily need to go to the emergency room).
- Parents will be notified of a head/face injury.
- Students going back to class will have:
  - Note to the teacher regarding the head injury, including the time the student left the clinic and time to come back to be re-checked in one hour.
  - Head injury note to go home.

## Illness and Fevers

A child who complains of nausea, headaches or poor health will have his/her temperature taken in the clinic. If the child has a fever, the parent will be called to take the child home. If there is not an apparent temperature, the child will rest in the clinic for a while to see if his/her condition improves. If it does not, the parent will be called to take the child home. Students sent home with fevers must be **"fever free" for 24 hours** without taking fever reducing medication before returning to school. Students who are vomiting or those with diarrhea must also stay home for at least 24 hours until symptoms subside for the health and protection of all students and staff.

## **Communicable Disease**

### **8453 - DIRECT CONTACT COMMUNICABLE DISEASES**

The Board of Education seeks to provide a safe educational environment for students and staff. This can best be accomplished by assuring that all persons within the school community understand the method of transmission and prevention of diseases that are not contracted through air-borne pathogens, but rather, through direct contact with body fluids and excretions, especially blood, vomit, feces, or urine. The Board is also committed to assuring the confidential status of individuals who may have been diagnosed with a blood-borne communicable disease.

For purposes of this policy, these diseases shall include:

- A. HIV (human immunodeficiency virus);
- B. AIDS (acquired immune deficiency syndrome);
- C. AIDS related complex (condition);
- D. HAV, HBV, HCV (Hepatitis A, B, C);
- E. others diseases that may be specified by the State Department of Health as contact communicable diseases.

The Board recognizes the fact that individuals who have contracted these diseases may not exhibit symptoms for many years after exposure and may, in fact, not be aware that they have contracted the disease. They are, however, able to transmit the disease to other individuals.

The Board further directs the Superintendent to assure that students or staff who reveal the fact they have contracted one of these diseases will have their status safeguarded in accordance with Federal and State statutes dealing with confidentiality and that their civil rights will be respected. Staff members will have access to District leave policies in accordance with Board policy and negotiated agreement and opportunities for reasonable accommodation as described by the Americans with Disabilities Act. Should a student be unable to attend school as a result of illness, an alternative education program shall be provided in accordance with the Board's policy and administrative guidelines dealing with Homebound Instruction.

### **8450 - COMMUNICABLE DISEASES/HEALTH CONCERNS**

All students of the District with signs or symptoms of diseases/health concerns suspected as being communicable to others will be given immediate attention and sent home if appropriate.

Any child suspected or reported to have a communicable disease/health concern will be examined by a school nurse and upon his/her recommendation may be excluded from school. Readmission will be allowed by a physician's statement or by consultation with the school nurse or public health nurse. In case of doubt the school physician will be consulted.

## **STUDENT FEES AND FINES**

Stepping Stone Preschool Supply Fee will be \$50.

Stepping Stone Preschool Peer Model Fee will be \$1800.

Charges may also be imposed for loss, damage or destruction of school apparatus, equipment, musical instruments, library materials, or textbooks, and for damage to school buildings or property. Students using school property and equipment can be fined for excessive wear and abuse of the property and equipment.

## **STUDENT VALUABLES**

Students should not bring items of value to school. Items such as jewelry, expensive clothing, electronic equipment, and the like, are tempting targets for theft and extortion. The school is not liable for any loss or damage to personal valuables. In addition, students should not bring toys from home to school.

## **PARTIES**

The following classroom parties are planned during the school year: Halloween, December holiday, Valentine's Day, and end of the year. Room parents may request a nominal fee to cover the cost of refreshments and activities. Please inform classroom teachers of any food allergies your children have to avoid reactions to party snacks and foods.

## **BIRTHDAYS**

Birthdays can be a special time for children, especially when they can celebrate their special day at school with classmates, teachers, and staff. Because birthday treats are often messy, may contain allergens (peanuts, tree nuts, gluten, dairy, etc.) and are not nutritious, we are requesting that only non-food items be shared for birthday treats with classmates. Children with summer birthdays may participate, too. Contact the classroom teacher to arrange a date for the birthday celebration. We ask that you not send invitations to parties outside of school through the classroom unless you are inviting the entire class OR all of the boys OR all of the girls in the class.

## **THERAPY DOG**

Notify your child's teacher if your child has a fear of dogs or an allergy to them. Please update this information as needed.

## **FIRE, TORNADO, AND SAFETY DRILLS**

The school complies with all fire safety laws and will conduct fire drills in accordance with state law. The school conducts tornado drills during the tornado season following procedures prescribed by the state. Teachers will provide specific instructions on how to proceed in the case of fire or tornado and will oversee the safe, prompt, and orderly evacuation of the building in such cases.

Safety drills will be conducted once per month during the school year. Teachers will provide specific instruction on the appropriate procedures to follow in situations where students must be secured in their building rather than evacuated. These situations can include a terrorist threat, a person in possession of a deadly weapon on school property, or other acts of violence.

## **VISITORS**

Visitors, particularly parents, are welcome at the Preschool. Visitors must check in at the LobbyGuard Kiosk prior to entering the preschool building. Any visitor found in the building without signing in shall be reported to the Principal. If a person wishes to confer with a member of the staff, s/he should call for an appointment prior to coming to the school in order to schedule a mutually convenient meeting time. Students may not bring visitors to school without prior written permission from the Principal.

## SECTION II: STUDENT CONDUCT

### **ATTENDANCE**

**Absence Procedures** - If your child is absent, you must notify the school (440-740-4142). You may leave a voicemail message at any time if your child will be absent for the day. If you fail to do so, we will attempt to contact you at your home or office to verify the absence.

**Late Arrival Procedures** - Students who are late to school must check in at the reception area prior to going to the classroom.

**Early Dismissal Procedures** - “Early Dismissal” involves a student leaving school (absent from school) before the end of the school day.

**Planned Absence**- On rare occasions, parents may find it necessary to remove children from school for a family trip. Please send in a note to your child’s teacher at least a week ahead of time, if possible.

### **BBHCSD STUDENT DRESS CODE/STUDENT ATTIRE**

Student dress and grooming should be such that it does not detract from the educational process or have a detrimental effect on the governance and discipline of the school; therefore, students are expected to meet reasonable standards in their dress and grooming.

The following items are considered inappropriate during school hours:

- Sunglasses
- Bare midriff clothing
- Sagging pants below the hip bone
- Clothing that displays reference to tobacco products, alcoholic beverages, drugs or other illegal items
- Clothing that depicts violence or is associated with gang activity
- Clothing that contains sexual innuendo
- Transparent clothing

Additionally, all outerwear must cover underwear. Outdoor apparel (coats, vests and jackets) should be placed in the student’s locker for the duration of the day. Students who consider the building to be cold should wear sweaters or sweatshirts.

Any student who dresses inappropriately will be referred to the administration. Final decisions concerning standards of grooming will rest with the administration.

Elementary/Preschool Only:

- No flip flops, aquatic sandals, or heels
- Tennis shoes and comfortable clothing must be worn for Physical Education classes.

## **TRANSITIONS**

At least three months before your child's third birthday, your service coordinator will call one or more transition conferences to discuss your child's needs and preschool options. This conference could be combined with a regularly scheduled Individualized Family Service Plan (IFSP) meeting. You, your service coordinator, and other members of the IFSP team will be included as appropriate. Others may be invited as well. These individuals may include early childhood special education staff, representatives from community programs or services (such as a child-care provider, private preschool, or Head Start), and anyone else you would like to have there, such as grandparents, neighbors, or friends who know your child well.

Together, you and the team will address a variety of topics, such as the need for an evaluation to determine eligibility; goals, timelines, and team members' responsibilities; your hopes, dreams, and concerns about your child; services and programs available; and your special education legal rights. Based on those discussions, you will develop a transition plan and prepare for the change in program placement when your child turns 3.

In order to ensure that your child's preschool experience is a positive one, the program utilizes meaningful transition activities designed to help your child transition into, within and out of the program. These activities may include, but are not limited to, the following:

- Parent orientation
- Student phase-in days
- Collection of background data from parents
- Annual developmental screenings
- Classroom visits to all classrooms in our preschool program
- Collaborative activities for all preschoolers to engage with all staff and students within the preschool
- Social stories to assist with transitions
- Individualized transition plan meetings for all students with special needs (peer models by request)
- Summer age-appropriate activity handouts to enhance language, social and motor skills to encourage year-round learning
- Kindergarten readiness information
- Kindergarten orientation
- Kindergarten school/class visit for all students going to kindergarten
- "Promotion" ceremony and party

## **CLASSROOM DISCIPLINE PROCEDURES**

A preschool staff member in charge of a child or a group of children shall be responsible for their discipline. When a student does not follow directions in class, the following procedures will be used:

- Redirection
- Redirection with a 3 count
- Rewards: Verbal praise, physical praise, stamps, stickers, notes home, individual and class rewards.
- Constructive, developmentally-appropriate child guidance and management techniques are to be used at all times and shall include such measures as redirection, separation from problem situations, talking with the child about the situation and praise for appropriate behavior.

Behavior management/discipline policies and procedures shall ensure the safety, physical and emotional well-being of all individuals on the premises. The center's actual methods of discipline shall apply to all persons on the premises and shall be restricted as follows:

- There shall be no cruel, harsh, corporal punishment or any unusual punishments such as, but not limited to, punching, pinching, shaking, and spanking or biting.

- No discipline shall be delegated to any other child.
- No physical restraints shall be used to confine a child by any means other than holding a child for a short period of time, such as in a protective hug, so the child may regain control.
- No child shall be placed in a locked room or confined in an unenclosed area such as a closet, a box or a similar cubicle.
- No child shall be subjected to profane language, threats, derogatory remarks about the child or the child's family or other verbal abuse.
- Discipline shall not be imposed on a child for failure to eat, failure to sleep or for toileting accidents.
- Techniques of discipline shall not humiliate shame or frighten a child.
- Discipline shall not include withholding food, rest or toilet use.
- Separation, when used as discipline, shall be brief in duration and appropriate to the child's age and developmental ability and the child shall be within sight and hearing of a preschool staff member in a safe, lighted and well-ventilated space.
- The center shall not abuse or neglect children and shall protect children from abuse and neglect while in attendance in the preschool program.

### **SECTION III: TRANSPORTATION**

#### **TRANSPORTATION**

- Phone number: (440) 740-4050
- Please be ready at pick-up/drop-off times (buses are on a tight schedule)
- CALL TRANSPORTATION IF YOUR CHILD WILL NOT BE RIDING THE BUS FOR THE DAY.
- All parents are required to complete a new transportation form at the beginning of each school year and whenever a change occurs with your child's transportation needs (i.e. daycare, sitters, and address change).
- Stepping Stone Preschool utilizes the PikMyKid app to ensure we know each student's daily dismissal plan. PikMyKid allows parents to easily change pickup modes (i.e. bus rider, car line) and delegate pickup to an approved individual. Changes can be made same-day or for the future and recurring schedules can be set up. Each student has their own PikMyKid number that parents will be given and must display when picking up their child at dismissal.

#### **BUS RULES AND REGULATIONS**

##### **(Adapted from the Ohio Revised Code, 3301-83-20 and 3301-83-08)**

1. No one shall interfere with the driver's operation of the bus.
2. No unauthorized person shall sit in the driver's seat or operate any controls.
3. The driver has the authority to assign seats.
4. Students must board and leave the bus at their designated bus stop unless they have parental and administrative permission to do so.
5. Forbidden cargoes include animals, firearms, ammunition, explosives, flammable substances, and all other dangerous materials or objects.
6. No one shall have in their possession any tobacco, alcohol, or other illegal drugs or substances.
7. No one shall throw any objects on, from, or into the bus.
8. No one shall cause any part of his or her body to project from the bus window.
9. No one shall eat or drink while on the bus.
10. No one shall cause damage to any part of the bus.
11. Profane language and fighting are prohibited on the bus.
12. Noise shall be kept to a minimum at all times to insure safety.
13. Students must remain in their seats at all times.

The driver has the authority to enforce the above rules and regulations and may issue citations. Students shall conduct themselves on the school bus as they would in the classroom. Reasonable conversation is permissible. Continued disorderly conduct or refusal to obey the driver shall be sufficient reason for losing the privilege of riding the bus to and from school and for extra-curricular activities and field trips.

### **DROP-OFF/PICK UP PROCEDURES**

- AM Session
  - Drop-off - Pull into the loop in front of the preschool entrance and park. Walk your child up to the doors.
  - Pick up - Park in the school lot and walk to the preschool doors to receive your child. Please display their PikMyKid number.
- PM Session
  - Drop off- Park in the school lot and walk your child to the preschool doors.
  - Pick up- Pull into the loop in front of the preschool entrance and park. Walk up to the preschool doors to receive your child and display their PikMyKid number.
- Please be mindful of buses entering and exiting our preschool. The buses pick up the AM session students at 11:30 am and drop off the PM session students at 12:50 pm. The buses cannot turn in the loop if you are parked in it. Please refrain from parking in our loop at these times. Please also be careful when crossing the street. Thank you for your help in keeping our preschool students safe.

### **INSPECTION REPORT/REPORTING A COMPLAINT**

To learn more about the programs' licensing status, ratings, and inspection results visit [childcaresearch.ohio.gov](http://childcaresearch.ohio.gov). To report a complaint visit ODJFS Child Care Policy Help Desk at [childcarepolicy@jfs.ohio.gov](mailto:childcarepolicy@jfs.ohio.gov) or 1-877-302-2347 (Option 4) Mon – Fri 8am-5pm.

### **SECTION IV: STAFF**

|                                  |                                                                        |                                                                    |
