School Calendars: (Pg 4)

- **Update:** School Calendar links have been updated for the 2024-2025 School Year.

S/U Option (“Pass/Fail”): (Pg. 6)

- **Change:** The declaration dates for a student to take a class as Satisfactory / Unsatisfactory have changed to make them more uniform. This was a recommendation from our parent representatives and our counseling department in the Handbook Committee. Previously the date said end of September, but this is a moving date and it was changed to the interim date so that it is consistent with semester classes.

S/U Option (“Pass/Fail”)

The “S/U” option is the opportunity for students to select 1 unit of credit or less in non-required subjects for credit each year in which the grade will be either *Satisfactory* or *Unsatisfactory*. Satisfactory (S) shall require a “C” or higher for credit; this translates into an average of at least 73%. An average below 73% will result in an “Unsatisfactory (U). This option is not available for honors or advanced placement courses. “S/U” option shall not be used for courses required for graduation.

“Satisfactory or Unsatisfactory” credit will be included in the total credits being taken by the student, but will not be figured into the grade point average or class rank. Therefore, the “S/U” option does not figure into the GPA to determine a student’s eligibility; however it will count toward the 5-credit course requirement that also determines eligibility.

The student’s declaration for “S/U” must be made no later than the 1st quarter interim date prior to the end of September for the first semester or year-long courses and the applications must be approved by the student’s counselor and Assistant Principal. During the second semester, students have until the 3rd quarter interim date the first ten school days to select this option. Applications are available in the school counseling office.

Report Card Dates / Interim Progress Report Dates / Conference Dates/ (Pgs. 7 & 8):

- **Update:** The dates for posting of Grades / Interims / and Conferences for 2024-2025 were updated.

Report Cards will be posted to PowerSchool on the following dates:

2nd Quarter.....	January 22, 2025	4th Quarter.....	June 6, 2024

Interim Progress Reports

Student’s progress may be monitored throughout the year by logging into ProgressBook. Interim Progress Reports (IPR’s) will be distributed to the student who is failing or in danger of failing a class. Students who have provided little evidence of growth or adequate progress in class will meet with their Teacher/Counselor/Assistant Principal to develop a plan for improvement. Parents are encouraged to contact the Teacher, Counselor, or Assistant Principal throughout the year to receive descriptive and prescriptive feedback.

Interim Progress Reports will be posted in PowerSchool on the following dates

Qtr. 1 - 9/20/2024	Qtr. 2 - 11/21/2024
Qtr. 3 - 2/14/2025	Qtr. 4 - 5/2/2025

Parent / Teacher Conferences

Communication between the home and school is viewed as extremely important. Parent-teacher conferences are held formally on one evening during the first and third nine weeks of the school year. Other conference times can be scheduled throughout the year by teacher or parent request.

National Honor Society (Pg 8):

- **Update:** The minimum GPA requirement to 3.75 as it is now consistent following the graduation of the class of 2024.

National Honor Society

In order to be eligible for the National Honor Society Chapter, students must maintain a minimum grade point average. The minimum required GPA is ~~a 3.6. Candidates from the Class of 2025 and beyond shall have a minimum GPA of~~ 3.75. In addition, students must exhibit strong evidence of character, leadership and service in the school and community. All coursework must be taken in the academic level or above. Those students who are academically eligible are notified during the first semester of their junior year. Students not eligible or not selected during the junior year may become eligible or be reconsidered their senior year. The National Honor Society follows all guidelines established by the National Constitution and the Chapter By-Laws.

End of Course Exams (Pg 8):

- **Update:** Language was updated in this section to reflect that all students take the End of Course Exams even if they are in an Advanced Placement program.

END-OF-COURSE EXAMS

The state of Ohio uses ~~the AIR assessment system~~ **End-of-Course Exams** to measure student growth. **These exams are** aligned to the New Learning Standards for English Language Arts, Mathematics, Science, and Social Studies. The Ohio Department of Education has mandated end of course exams in 6 areas: Algebra I, Geometry, English 2, Biology, American History, and American Government. ~~Students studying Advanced Placement (AP), or taking dual enrollment courses in American history or American government may take assessments aligned to those courses in lieu of end-of-course exams to avoid double testing.~~ With few exceptions, students must demonstrate proficiency on their Algebra 1 and English 2 end-of-course exams plus earn two (2) seals as defined by criteria established by the State of Ohio to become eligible for a diploma.

College Admission Tests (Pg. 8-9):

- **Update:** The dates for College Admission Testing during the 2023-2024 School Year.

COLLEGE ADMISSIONS TESTS

The Preliminary Scholastic Assessment Test/National Merit Scholarship Qualifying Test (**PSAT**) will be administered to all juniors. The PSAT/NMSQT is used to qualify juniors for the National Merit Scholarship Program. The PSAT/NMSQT is also a practice test for the Scholastic Assessment Test. The SAT is a required admissions test for many select/private colleges. The PSAT 8/9 is an assessment provided by the school to establish a starting point in terms of college and career readiness, while the PSAT 10 is designed specifically for high school sophomores that test the same skills and knowledge as the SAT. Additional resources are available to all students who link their College Board account with Khan Academy.

*****These tests will be administered on Fall Test Day, October 10, 2024*****

PRE-ACT is a practice/predictive ACT assessment. It will be administered to all sophomores on the Spring Test Day. The ACT is a required admissions test for many colleges. BBHHS seeks to provide students with the best opportunities for practice of the skills needed for performance on the high stakes testing.

Most colleges require either the American College Test (ACT) or the Scholastic Assessment Test (SAT) as part of admissions application. Students should check to see which test is preferred by the college of their choice. It is suggested that juniors take the ACT and/or SAT during the spring of their junior year. The advantage of spring testing is that the student will be able to retest in the fall, if it is desirable. Colleges do accept students based on spring test results.

The Brecksville-Broadview Heights High School code number for these tests is 360-575.

Advancement Placement (AP) Examination Dates: May 5-16, 2025

Registration materials for all of the above tests are available in the School Counseling Office.

Tardiness to School/Class (Pg. 11):

- **Update:** The Consequence system for Unexcused Tardies based on recommendations from the Handbook Committee.

Tardiness to School/Class

A tardy is defined as **arrival to class** after the tardy bell has rung. A student should be in their seat prior to the bell sounding to avoid being tardy to school.

Students must have a hall pass from their last class when late to their next class if a tardy is to be avoided. If a student is tardy, they should report immediately to their assigned class where the teacher will record the tardy and respond appropriately to the violation. Any classroom tardy beyond FIVE (5) minutes may be considered a “class cut” and referred to the assistant principal’s office.

As the student accumulates **unexcused** tardies to school the following consequences may result:

1. Tardies 1-3 = Warning ~~3rd–5th tardy = One (1) Before or After School Detention for each occurrence~~
2. Tardies 4 = Before / After School Detention ~~6th–9th tardies = One (1) Saturday School Detention for each occurrence~~
3. Tardies 5-6 = Warnings
4. Tardy 7 = ½ Saturday School Detention ~~10th and more = Progressive Discipline (Convene Absence Intervention Team)~~
5. Tardies 8-9 = Warnings
5. Tardy 10 = Saturday School Detention
6. Tardies Over 10 = Tardy Plan = Loss of Open Campus / Study Hall / Cafe Privileges

Excused vs Unexcused Tardies to school:

A parent may call their student in as **excused tardy** to school for any of the reasons that may fall under **excused absences**. A student may be considered **excused tardy** to school up to **5 times during the school year** (this does NOT reset per quarter). No excused tardies will be accepted without a doctor's note following the 5th tardy. If there is no parent call/note for a tardy to school it will be logged as an **unexcused tardy** to school (unexcused tardies reset each quarter).

~~Parking Passes and~~ Student Privileges may be revoked after the 5th unexcused tardy. This process will reset each quarter.

Each student is expected to report to school on-time every day prepared to demonstrate learning. Tardiness and absences will be subject to disciplinary action as defined in the Student Code of Conduct. Examples of unexcused tardiness are: car problems, over sleeping, unexcused personal reasons, and any tardiness to class without a valid excuse (as determined by the attendance office).

Planned Absences (Pg. 11 & 12):

- **Add:** Language stating that additional time to complete work is at the discretion of the teacher.

Planned Absences

Absence for a family trip or vacation, extracurricular activities, non-school sponsored activities, college visitations, etc., is to be considered a Planned Absence. **An Advance Notice of Absence is to be completed and submitted to the Assistant Principals’ Offices prior to the scheduled absence from school.** Care should be given when planning a vacation during the school year because a student’s grades may be adversely affected (Planned Absences may be denied by an administrator if a student has exceeded 65 total absence hours in a school year).

The following criterion applies to all requests for Planned Absences:

1. Planned absences are not to be requested during those days established for any building level assessments. (eg. National, State, and Building Assessments)

2. It will be the student's responsibility to make arrangements for makeup work and/or tests missed upon return to school. Teachers will not be expected to tutor individual pupils.
3. All work and/or tests are expected to be made up in the prescribed period of time. Failure to provide evidence of learning may result in zero (0) credit. Extensions to deadlines are at the teacher's discretion.
4. Excessive absences may require individual tutoring at the parents' expense.
5. A college official must verify that a college visit has been successfully completed.

Field Trips (Pg 12):

- **Update:** Language has been added/updated to note that make up work is the responsibility of the student and extensions to assignments assigned prior to a field trip are at the teacher's discretion.

Field Trips

Field trips are academic activities that are held off school grounds. There are also other trips that are part of the school's co curricular and extra-curricular programs. No student may participate in any school-sponsored trip without parent consent and a medical emergency form on file. Participation in a field trip is a privilege and may be denied by the administration due to academic, behavior, or attendance concerns. Students must have all emergency medical information on file prior to attending any field trip or school functions (ie. Dances, Clubs, Extracurricular).

Students participating in field trips are responsible for all work assigned while they are out. It is the responsibility of the student to coordinate make-up work and due dates with their teachers. Extensions to assignments in relation to the absence policy are at the teacher's discretion. Assignments given prior to the Field Trip have deadlines that are not subject to change.

Cafeteria (Pg. 14):

- **Add/Update:** Update language on how to sign up for the Free and Reduced Lunch Programs:

Cafeteria

The cafeteria will serve breakfast daily from 7:00 AM through 3rd period. Students may pay with cash daily or prepay using a check. Parents may also deposit money into their children's accounts using the payschoolscentral.com website. Information on using the PaySchools website and student balances can be found on the [district website](#). Families who are eligible for free or reduced price meals should pick up an application in the main office-these are available throughout the entire year. Free and reduced meal applications can be found at payschoolscentral.com and completed at any time during the school year. Students will be issued and must use a PIN number when making purchases.

Food and Beverages in the Building (Pg. 14):

- **Update:** Update to where food and beverages can be consumed within the building. This was an update recommended by the Handbook Committee and the Student Government. Some students choose to take an extra class rather than a lunch, so it is important that teachers have the opportunity to allow students to eat in their classrooms when needed.

Food or Beverages in the Building

Students are responsible for helping to promote a clean, safe, and hygienic environment. All While food and beverages should be are not restricted to the cafeteria, students who bring personal food or beverage items into the hallway or classrooms may be asked to dispose of these items at the teacher or staff members discretion in an effort to preserve and promote a suitable learning environment. Doordashing or food delivery services of any kind are Not permitted during school hours. If a student forgets their lunch at home a parent may drop it in the main office for them with a note. In order to better ensure student safety, food delivery service providers such as doordash, grubhub, ubereats, etc. will not be permitted to enter the building during school hours. The school shall not be responsible for students using these services when items ordered are not delivered.

Extracurricular Programs (Pg. 15-16):

- **Remove:** The list of current clubs and activities on this page is obsolete because there is a link in the document to a continuously updated list of Clubs and Activities on the Student Activities page.

Extracurricular Programs

Participation in extracurricular programs is an important aspect of a student's total education. Student government, clubs, performing groups, service organizations, athletics and other types of competition groups give students an opportunity to succeed in areas where they have special interest or talent. We are proud of the many activities offered to our students and encourage their participation. Clubs and Activities may be added and approved throughout the school year. Students interested in starting a club should complete the [Club and Activity Approval Form](#). **The clubs and activities listed below are examples of offerings at BBHHS.** Please check the [High School Activities Page](#) for an updated list of clubs and activities throughout the year.

the student provides valid documentation of the appointment. This documentation should include the date and time of the appointment, and come from a verified source such as a the student's medical provider or a college admissions office. The student must also return to school immediately after the appointment, unless specific exceptions are granted by the school administration due to extenuating circumstances.

3. Process for Requesting an Exception:

Lockers

Each student may request is assigned a hallway locker from the assistant principal's office by completing the locker request form shared with them prior to at the start of the school year. Students are to use only the locker that has been assigned to them and only the built-in combination lock—**DO NOT SHARE!** Lockers should be kept clean at all times. Leave non-essential valuables at home. Report damaged lockers to the assistant principals' office. Lockers are school property and are under the jurisdiction of school personnel. They are NOT the personal or private property of any individual and carry no expectation of privacy for the students who occupy them.

1. The school is not responsible for any missing property.
2. The administration reserves the right to inspect any locker.

Lost and Found (Pg. 22):

- **Update:** Language to reflect current lost and found location and procedures.

Lost and Found

- **Remove:** The old PCD language that includes beepers and MP3 players which are now obsolete.
- **Add:** Language that is relevant, up to date, and in alignment with our current board policy.

Personal Communication Electronic Device (PCD) Policy Etc.

Because radios, MP3/iPod/CD players, electronic games, laser pointers, and other such devices personal communication devices (PCD's) such as cell phones have proven to be disruptive to the educational process BBHHS has instituted the following device policy in accordance with state legislation.

***Students who fail to comply with these rules may be considered insubordinate and face further discipline.**

~~study hall, or the cafeteria, may be permitted per teacher/supervisor discretion. Because of the inherent danger of illicit use of laser pointers, confiscated items will be returned only to parents and students may be subject to disciplinary consequences. All electronic devices such as pagers, cellular phones, etc. are to be kept out of sight and "silenced" as to not disrupt instruction. These items may be confiscated by any staff member if found disruptive and returned to the parent or for 18-year olds, to the student only after parent contact has been made with an administrator. Discipline consequences will be issued for the disruption.~~
