⁽¹⁾ Property value information provided through Cuyahoga County Auditor website reports

⁽²⁾ Based on current receipts only. Refunds and delinquent receipts not projected.

⁽³⁾ The School District and the City of Brecksville have a compensation agreement where the District receives payments using the following formulas.

Compensation for Millage in place **prior to** 1/1/2019 = Service Payments x 25% x School effective millage / Total effective millage

Compensation for Millage in place **after** 1/1/2019 = Service Payments x 100% x Tax increase amount effective millage / Total effective millage

⁽⁴⁾ See Tax Rate sheets (pages 1 and 2) for millage rate breakdown.

⁽⁵⁾ Assumes collection rate of 100%.

Revenue Projections by Project

Sherwin Williams grouping currently includes 10 parcels, but only 1 parcel has base and increment value recorded.

CY2024 is first year compensation payments have been made. However, incentive is noted starting in TY2021/CY2022. Revenue amounts are being included for informational purposes. County adjustments may be possible to report previous tax payments as TIF revenues.

Phase I - DiGeronimo Property (5345) currently includes 2 parcels, but no values are recorded for the 2024 Report

Tax Year 2023/Collection Year 2024
Tax Incentives Report as of April 29, 2024

Based on Cuyahoga County reporting from the Incentive Information Site TIF start year is TY2022/CY2023. Reviewing historical value information for the specific parcel in TY2022 and historical base market value information provided by the County, increment values may have been appropriate in this year. Revenue amounts are being included for informational purposes. All taxes for TY2022/CY2023 appear to be paid, but County adjustments may be possible to report payments as TIF Revenue.
