Brecksville- Broadview Heights City School District

6638 Mill Road
Brecksville, Ohio 44141

Instructional Growth Seminars and Support will provide ongoing support during: 2024-25 school year

Consultation calls, virtual meetings, emails included and available weekly as needed. Contract beginning August of 2024, ending June 2025.

8 On-site days: Two days each quarter (unless otherwise scheduled) of on-site administrative collaboration and/or instructional coaching for the 2024-25 school year.

Funding allocation requested \$ 19,200.00

Description of Engagement for 8 days of on-site service:

- MTSS - Monitor and develop Multi-Tiered Systems of Support / Modified MTSS Framework
- Effective TBTs with problem solving component
- Differentiation based on student need and data

Instructional Growth support will align with the school improvement goals and state expectations. Instructional coaching and modeling will vary between classrooms and will be differentiated based on teacher needs and student data.

Support will always include Administrative and Leadership collaborations in person, by email or via Zoom. Ongoing support is available between visits remotely and through emails with instructional coaches and all staff. If “on-site” classroom visits are not possible, Instructional Growth will provide virtual sessions and remote teaching support.
